THE good people of Milford, Del., and Berlin, Md., are having a high time with the preachers this week.

THE Panama Canal Tolls Repeal Bill passed the House of Representatives on Tuesday night by a vote of 247 to 161. President Wilson won a notable victory and Congressman J. Harry Convington made a brilliant speech in favor of repeal.

WE regret very much that we are compelled to omit the fine articles on the Farm and Twentieth Century Religion, as well as the timely Poultry Notes. A rush of advertisements compels these omissions, as well as that of a great many other newsy items. We shall make room for them next week.

IN our next issue we hope to give a fair and impartial statement of the result of the work of the Kent county representatives in the Legislature. It is only by this method that our tax-payers and citizens generally can get an idea of the character of legislation which has been enacted by our delegates.

NO ONE can excuse the action of Speaker Clark in seeking to discredit the administration of President Wilson simply because Speaker Clark failed to secure the nomination for President at the Baltimore Convention. President Wilson's attitude on the Tolls Repeal Bill now pending in Congress, is the correct one. He is simply upholding the dignity and honor of the United States in its treaty relations with foreign powers, and the opposition of Speaker Clark is primarily due to the influence of the same political forces which lost him the nomination for President at the Baltimore Convention, but secondarily Clark is opposing the President in order to create political capital for himself in the campain of 1916. Is Speaker Clark a sulker?

MARYLAND LEGISLATURE.

Legislature adjourns Monday night.

All bills relating to Kent county are either awaiting the Governor's signature or in course of passage.

At the eleventh hour, under a suspension of the rules, Delegate Turner introduced a bill to reduce the Board of Commissioners from five to three members, and to appoint three road directors to assist Road Engineer Isaac Gibbs, whose duties are so onerous that the county commissioners could not be asked to ease his burdens. This is one of the best laws—for the Anti-Organization—which has been put over during the session, and we shall tell the people more next week.

The purse net bill, introduced by Senator Beck, which opens the whole of the Chesapeake bay to purse and buck netters from June to November, has passed the Senate.

The Beck primary bill to change date for holding primaries from September to June was defeated.

The Tax Commission bill has passed, and remains to be signed by the Governor.

The Home Rule Bill will pass and be signed by the Governor.

Senator Maloy's Bill providing for consolodation of State Colleges into a great university, and also providing for an educational survey will become a law.

The anti-shipping bill goes through.

The State tax rate will be a fraction over 32 cents.

IN THE CHURCHES.

Holy Week services in Emmanuel Church daily at 10.30 A. M. and 4.30 P. M., except on Good Friday, when the services will be at 11 A. M., 2.30 and 7.30 P. M. At the 7.30 service the annual sermon will be preached to the Masons. All are invited to this service, both men and women.

To-morrow is Palm Sunday and an appropriate sermon will be preached in the Presbyterian Churches of Georgetown, Kennedyville and Worton. The subject: "The Fickleness of Man." There will be special and appropriate music at Kennedyville. Being the first Sunday in the second quarter, the Holy Sacrament will be administered, in above churches.

The Sunday school classes in Christ M. P. Church taught by Misses Bessie Wheatley and Fannie Baker will give a musical entertainment and play in Firemen's Hall, on Wednesday evening, April 8th, at 8 o'clock. The entertainment will be good. Go and encourage the young folks.

There will be no preaching services in the Methodist Churches to-morrow (Sunday) all the pastors being in attendance at Conference.

"Rural Church Day" will be observed throughout the State on Sunday, May 3rd. The idea is to have every farmer in Kent county take his family to church that day. The various farmers' associations and granges are asked to take the matter up and make a success of the movement.

Rev. W. J. D. Lucas, for several years a superannuated minister of the Maryland Annual Conference of the Methodist Protestant Church, died at his home in Denton, on Thursday night of last week, of heart disease. For a year past Rev. Mr. Lucas had been confined to his home with rheumatism and a complication of diseases. He was born in Queen Annes county, where his father was a well-known citizen, and educated in the public schools and at Washington College. He was 60 years old and was widely known throughout the Peninsula.

Rev. Dr. J. S. Bowers was re-elected President of the Maryland Conference, M. P. Church by a large vote at the session of conference in Milford, Del., on Wednesday. The session is largely attended and the business is being transacted smoothly and pleasantly. There will be some changes in the pastorate, probably one in Kent.

Rev. A. G. Hungerford, of the Maryland Conference, will preach in St. [illegible] Lynch M. P. Churches to-morrow (Sunday) at the usual hour. [illegible] H. B. Jester, returned [illegible] Sunday, and brought [illegible] him.

[illegible]ence at Berlin will [illegible] problem of union [illegible] Conference. There [illegible] in the conference [illegible]s. J. G. Harrison [illegible]tributed a barrel [illegible] the ministers at [illegible]ning service and [illegible]ded for the time [illegible]"

The Mite Society of the Kennedyville Presbyterian Church will meet at the home of Mr. and Mrs. Harry Hill on Wednesday evening, April 8th, at 7.30.

The Daisy Embroidery Club, of Kennedyville, met with Mrs. Wallace Atwell Thursday afternoon. Although there was not a very large attendance, a most profitable afternoon was spent Refreshments were served and were enjoyed by all. The next meeting will be at the home of Mrs. Wm. Clews, Thursday afternoon, April 9th, at 2 o'clock.

Still Pond Notes.

Mrs. Fred Ford and daughter, Velma, of Baltimore, spent the week with her parents, Mr. and Mrs. Wm. Thompson.

Rev. and Mrs. F. X. Moore are attending conference at Berlin.

Mr. and Mrs. Harry Weist, of near Millington, spent Friday at the home of Mr. and Mrs. Wm. Clark.

The men of the Literary Club are getting up an entertainment and we know it will be all right when they finish practicing. The date has not been decided upon yet.

Wednesday was "All Fool's Day", and it certainly was enjoyed by the school children.

Still Pond Grange had a meeting and supper Saturday afternoon, and two new members were taken in.

Mr. Theodore Jewell and son, of Worton, spent Sunday with Mr. and Mrs. Wm. Thompson.

May every brother and teacher call special attention to our Sunday school system. It is designed to ingraft into the young heart, "the incorruptible seed" of the word of God. Let us have more faith in the regenerating power of that "incorruptable seed", spiritual budding. Sunday school at 9.30 A. M., after which a short talk will be given Trusting to have a goodly attendance Sunday night, the Epworth League at 7.30 P. M. Topic, "Being Glad in God Himself", Mrs J. N. Bennett, leader. All who are interested in this work should exercise their ability in young people's meetings. To love God is the highest joy, and it can be elevated by taking up Christian work while early in life. May every member realize their position as a co-worker.

TRUSTEES' SALE
—OF—
VALUABLE FARM LAND
in Kent and Cecil Counties, Md.

UNDER and by virtue of the authority contained in a decree of the Circuit Court for Cecil county, Maryland, in Equity, the undersigned, Trustees therein named, will offer at public sale at the Court House Door, in Chestertown, Maryland, at twelve o'clock M., on

SATURDAY, APRIL 25th, 1914,

the four following tracts of HIGHLY CULTIVATED FARM LAND:

TRACT NO. 1

All that tract of land situate near Black Station, Kent county, Maryland, now tenanted by Mr. Charles E. Faulkner, and containing

288¼ Acres

OF LAND, more of less, it being the same tract of land which is secondly described in a deed from David C. Blackiston and others to Elizabeth G. Constable, dated April 27, 1875, and recorded in Liber D. C. B., No. 1, folio 317, etc., one of the Land Record Books of Kent county. It is improved by a GOOD SUBSTANTIAL

Brick and Frame Dwelling

HOUSE, in good repair, together with all the outbuildings found on a modern farm. Every foot of this land is tillable and has been recently limed. This is one of the most attractive and productive farms in the State of Maryland. It is situated about half way between Black and Lambson Stations, on the Chestertown Branch of the Delaware Railroad.

TRACT NO. 2

All that tract of land adjoining the farm described as Tract No. 1, tenanted by George C. Johnston, and containing

180 Acres

ONE ROOD AND TWENTY-FOUR PERCHES OF LAND, more or less; it being the same tract of land which is first described in the deed mentioned in Tract No. 1. It is improved by a

Frame Dwelling House

together with the usual outbuildings.

This farm has also recently been limed and every foot of it also is tillable. It is the same high-grade farming land as the above tract and is surpassed by none in productiveness.

TRACT NO. 3

All that tract of land situate on the public road leading from Locust Grove to Black Station, and tenanted by Cornelius Jarvis; containing

230 Acres

OF LAND, more or less; it being the same tract of land which is first described in a deed from Maria G. Knight and others to Elizabeth G. Constable, dated the 23rd day of January, 1904, and recorded in Liber J. T. D., No 9, folio 40, etc., one of the Land Record Books of Kent county. The improvements consist of a

Frame Dwelling House

in good repair, together with the usual frame outbuildings.

This farm, like the others, is in a high state of cultivation, and is very productive.

TRACT NO. 4

All that tract of land situate on the public road at the corner of A. C. Nowland's land; containing

56 Acres

THREE RODDS AND SIXTEEN SQUARE PERCHES OF LAND, more or less; there are no improvements on this tract, but it is tilled as a part of Tract No. 3 by Mr. Jarvis, and is separated by land of others from the main tract.

The above two tracts, Nos. 3 and 4, will be first offered separately and the bids thereon received, and then as an entirety; and the sale will be made in whichever manner produces the most money.

No one can make a mistake in purchasing any of these farms either for investments or homes. They have been owned in one family for seventy years or more, and have always been kept in a high state of cultivation. They are convenient to schools, churches, etc., and to shipping points on the railroad.

UNDER and by virtue of the same decree as above, the undersigned trustees, will offer at public sale at the Court House Door, in Elkton, Md.,

On MONDAY, APRIL 27th, 1914,

AT 11 O'CLOCK A. M.,

All That Tract of Land

situate in the First Election District of Cecil county, known as the "BEACH"; and containing

479 Acres

OF LAND, more or less; it being the same tract of land which was conveyed unto Elizabeth G. Constable by Maria G. Knight and others, by their deed dated the 14th day of December, 1905, and recorded in Liber J. G. W., No. 14, folio 476, etc., one of the Land Record Books of Cecil county. The improvements consist of a

Frame Dwelling House

One Frame Tenant House and the usual outbuildings, all in good condition. This farm is located at the junction of the Chesapeake Bay and Elk River and has about a mile of water front, on which there are valuable deposits of sand, from which was sold, without any impairment, $2,500 worth, used for building McCall's Ferry Dam. There is also a valuable fishery on the property. The land is easy to till and is in a high state of cultivation.

The landlord's share of the growing wheat crop will go to the purchaser of each of the above tracts upon the purchaser paying for the landlord's half of the fertilizer used thereon.

This is an excellent opportunity for intending purchasers of real estate to acquire some valuable land, for this is to be a positive sale, made necessary for closing the estate of Elizabeth G. Constable, deceased.

TERMS OF SALE, as provided by the decree, are: One-third of the purchase price on the day of sale, the balance upon ratification of sale, the credit portion to bear interest from the day of sale, and to be secured to the satisfaction of the Trustees. Cost of conveyances to be paid by the purchasers.

HENRY L. CONSTABLE and
WM. PEPPER CONSTABLE,
m28-ts. Trustees.

Jarrell, deceased, against the goods and chattels, lands and tenements of Eldridge Duckery, and to me directed, I have seized and taken into execution all the right, title and interest at law and in equity of the said Eldridge Duckery in and to the following described tract or parcel of land:

All That Tract or Parcel of Land

situated in the First Election District of Kent county, lying on the south side of the public road leading from Millington to Chestertown, improved by a Two-Story Frame Dwelling, and containing

10 Acres of Land, More or Less,
