Fine Farm Land for Sale.—In the sale of the Constable farms advertised in the TRANSCRIPT to take place in Chestertown Saturday, April 25, will be offered some of the best farm land in the State of Maryland. These farms are located in the heart of Kent county, and grow as fine crops of grain as any land in the State. They are well-located, highly improved, and offer an exceptional opportunity to those wanting fine homes or good investments. Opportunities to secure farm lands like these are rare—very seldom is such farm land offered at public auction, therefore, those looking for investment for their money should not let this chance pass; it may not come again in a life-time.

Regret to Lose Greenfield.—The Westminster Advocate in speaking of the departure of Rev. Dr. D. L. Greenfield from Westminter says: "It is a matter of real regret to the community that this week concludes the pastorate of Rev. Dr. D. L. Greenfield of the Methodist Protestant Church. For the past seven years Dr. Greenfield has been a strong moral force in this community, and has stood for an elevation of the standards of life that has been of great value to both old and young. He is a preacher of unusual ability and his church has continued to prosper spiritually during the years of his ministry. Our best wishes follow him to his new charge in Baltimore."

We call the attention of our poultry raisers to the advertisement of the O. K. Company, of New York, this morning. It was because of our interest in the welfare of our poultrymen that we solicited an advertisement from this reliable firm, and we speak from actual experience when we say that Puritan Chick Food is the best chick food we have ever used. Whiting's White Diarrhœa Remedy will cure white Diarrhœa, as well as prevent it, and Roupene is the best medicine for roup in any stage, or for colds, bowel trouble, etc., we have ever seen. We have tried every one of these remedies with great success, and we know what we are talking about. Every poultry raiser in Kent and Queen Annes counties should have these remedies and food. As for the poultry litter we find it excellent. You don't have to clean your house more than once in 3 months, and the hens like it as a dust bath. Send to the company for prices and description. It will pay you to do so.
