IT is likely that there will be a new general registration this year as Governor Goldsborough has refused to sign a recent act of the Legislature, deferring the general registration until 1918.

THE more you learn about the laws that were passed in the last Legislature by the Senator and delegates from Kent, the more you see how the people and the taxpayers get it where the chicken got the axe.

IN THE Saturday issue of the American Issue, the official organ of the Maryland Anti-Saloon League, the editor gave a list of those Delegates and Senators who were the staunch friends of temperance. We fail to find the names of Senator Beck or Messrs. Shallcross or Turner in the list.

THE Sportsmen and gunners of the county are disgusted with the ducking law recently passed by the Kent county representatives. They state that under the provisions of the law, it will be a question of only a year or so when duck shooting in Chester river and tributaries will be a thing of the past.

FORMER ATTORNEY-GENERAL Isaac Lobe Straus has reiterated his statement during the week that he will make the fight for the United States Senate against Senator John Walter Smith. He says he will make the fight as warm as possible. Mr. Straus has quite a following among the labor organizations and railroad brotherhoods. Former Senator Wm. P. Jackson, of Salisbury, looks to be the only candidate among the Republicans.

THE Anti-Shipping Bills, affecting nine counties on the Eastern Shore, become operative on May 1. Under provision of the bills persons can get but one gallon per month of alcoholic drinks, the third Wednesday in every month, being the day allowed for shipment. The penalty for violation of the law is not less than $10 and not more than $50 for the first offense, nor more than $100 or imprisonment in the House of Correction for a term not exceeding six months for the second offense. Transportation companies are forbidden under the law from carrying liquor and beer into these counties, except in accordance with the bills.

WE closed last week for a time the splendid series of articles on "The Twentieth Century Religion", so ably written by Rev. Dr. H. B. Martin, rector of Emmanuel P. E. Church; the series on "The Farm and Farm Life", so well and forcibly done by Rev. S. S. Hepburn, past master of the Kent county Pomona Grange, and the very timely Poultry Notes, written by a lady who asks us to withhold her name. These articles so full of interest to the farmer, the churchman, and the poultryman, have been very generally and widely read. They have created more favorable comment and given rise to more profitable discussion among all classes of men and women than any series of articles heretofore published by the TRANSCRIPT, and we are sure that the writers, who are among the most capable in the county, have done a great service in the spheres in life in which they sought to benefit the people. The TRANSCRIPT is under a great obligation to the writers for their valuable assistance in doing something for the moral and civic welfare of our people, and it gives us pleasure to acknowledge it publicly. We trust that we shall be able to offer the services of the same parties next fall, for we feel sure the people will read with pleasure anything they write.

ACCORDING to the Kent News, Mr. Beck has been able to get more for the improvement of roads in the county since he has been out of the Legislature than he was able to get during the entire three months he served on the Finance Committee in the Senate. He is credited with inducing the State Roads Commission to continue the State road through Galena, when the Commission had already intended to finish the road to the Sassafras bridge, and Messrs. Turner and Shallcross are credited with having gotten the State Roads Commission to build a road to Rock Hall, when the Commission had agreed to do so a year ago, if they secured the necessary appropriation from the Legislature. They secured the appropriation and the State Roads Commission is simply fulfilling its promise. If Mr. Beck has so much influence with the State Roads Commission, it is a pity he had such a *little* with the committe in the Senate which made the appropriation for roads, and of which he was a member, as to see Cecil county get $366,000, Caroline $300,000, Queen Anne's $150,000, Talbot $150,000 and allow his own county to be put off with a paltry $95,000, when Kent has nearly as much road mileage as Caroline, Queen Annes or Talbot. How far will the $95,000 go towards completing the State road through Galena, and building a road from Chestertown to Rock Hall?

C. H. S. Literary Society.

The Literay Society of the Chestertown High School held an interesting meeting last Friday in Assembly Hall. A debate on the subject, "Resolved that Napoleon is greater than Hannibal" was decided in the negative. The following program was rendered: Song, "Lorelli"; election of officers; declamation, Miss Jean Stokes and Hodgson Clift; duett, Misses Elsie Whitely and Nettie Maslin; reading of echo, Misses Grace Anderson and Rebecca Davis, impromptu questions; sextette, Misses Grace Newnam, Helen Baxter, Rebecca Bennett, and Alan Rouse, Julian Coleman, Henry Lambert; debate—affirmative, Misses Daisy Patrick and Rebecca Kendall; negative, Misses Lillian Morris and Maria Meeks; instrumental solo, Miss Louise Russell. TRUSTEES' PUBLIC SALE

—OF—

Valuable Farm Land

In Kent and Cecil Counties, Maryland.

UNDER and by virtue of the authority contained in a decree of the Circuit Court for Cecil County, Maryland, in Equity, the undersigned, Trustees therein named, will offer at public sale at the Court House Door in Chestertown, Maryland, at 12 o'clock M.,

On Saturday, April 25th, 1914,

the FOUR following TRACTS of highly cultivated Farm Land:

TRACT NO. 1.

All that tract of land situate near Black Station, Kent county, Maryland, now tenanted by Mr. Charles E. Faulkner, and containing

288¼ Acres of Land, More or Less,

It being the same tract of land which is secondly described in a deed from David C. Blackiston and others to Elizabeth G. Constable, dated April 27th, 1875, and recorded in Liber D. C. B. No. 1, Folios 317, etc., one of the Land Record Books of Kent county. It is improved by a good substantial BRICK and FRAME DWELLING HOUSE in good repair, together with all the outbuildings found on a modern farm. Every foot of this land is tillable and has been recently limed. This is one of the most attractive and productive farms in the State of Maryland. It is situated about half way between Black and Lambson Stations, on the Chestertown Branch of the Delaware Railroad.

TRACT NO. 2.

All that Tract of Land adjoining the farm described as Tract No. 1, tenanted by George C. Johnston, and containing

180 Acres, 1 Rood and 24 Perches

OF LAND, More or Less; it being the same Tract of Land which is first described in the deed mentioned in Tract No. 1. It is improved by a FRAME DWELLING HOUSE, together with the usual outbuildings. This farm has also recently been limed, and every foot of it also is tillable. It is the same high-grade farming land as the above tract, and is surpassed by none in productiveness.

TRACT NO. 3.

All that Tract of Land situate on the public road leading from Locust Grove to Black Station, and tenanted by Cornelius Jarvis, containing

230 Acres of Land, More or Less,

it being the same Tract of Land which is first described in a deed from Maria G. Knight and others to Elizabeth G. Constable, dated the 23d day of January, 1904, and recorded in Liber J. T. D., No. 9, folio 40, etc., one of the Land Record Books of Kent county. The improvements consist of a FRAME DWELLING HOUSE in good repair, together with the usual frame outbuildings. This farm, like the others, is in a high state of cultivation, and is very productive.

TRACT NO. 4.

All that Tract of Land situate on the public road at the corner of A. C. Nowland's land, containing

56 Acres, 3 Roods and 16 Square Perches

OF LAND, More or Less; there are no improvements on this tract, but it is tilled as a part of Tract No. 3 by Mr. Jarvis, and is separated by land of others from the main tract. The above two tracts, Nos. 3 and 4, will be first offered separately and the bids thereon reserved, and then as an entirety, and the sale will be made in whichever manner produces the most money.

No one can make a mistake in purchasing any of these farms, either for investments or homes. They have been owned in one family for seventy years or more, and have always been kept in a high state of cultivation. They are convenient to schools, churches, etc., and to shipping points on the railroad.

UNDER and by virtue of the same decree as above, the undersigned Trustees will offer at public sale at the Court House Door in Elkton, Maryland, on

Monday; April 27th, 1914,

ALL THAT TRACT OF LAND situate in the First Election District of Cecil county, known as the "BEACH," and containing

479 Acres of Land, More or Less,

t being the same Tract of Land which was conveyed unto Elizabeth G. Constable, by Maria G. Knight and others, by their deed dated the 14th day of December, 1903, and recorded in Liber J. G. W., No. 14, folios 476, etc., one of the Land Record Books of Cecil county. The improvements consist of a FRAME DWELLING HOUSE, one Frame Tenant House, and the usual outbuildings, all in good condition. This farm is located at the junction of the Chesapeake Bay and Elk River and has about a mile of water front, on which there are valuable deposits of sand, from which was sold, without any impairment, $2,500 worth, used for building the McCall's Ferry Dam. There is also a valuable fishery on the property. The land is easy to till and is in a high state of cultivation.

The landlord's share of the growing wheat will go to the purchaser of each of the above tracts upon the purchaser paying for the landlord's half of the fertilizer used thereon.
