Baltimore's Best Store is your store--thanks to the Parcel Post System

Have you ever wished that you could enjoy the shopping advantages that are enjoyed by the women of the large cities? The Parcel Post System has made this possible---it places you on precisely the same footing as if you lived in Baltimore.

You can shop by mail at Baltimore's Best Store and your purchases will be delivered to you by Parcel Post, without a cent of additional expense. This applies to purchases of any amount from 1c. to $5.00, and within the limits of the First and Second Zones. Purchases of $5.00 or over will be sent by Parcel Post anywhere within the United States.

We will gladly furnish information about any merchandise which you wish to buy. Write us, and be sure to pay the store a visit when you come to Baltimore.

DON'T DELAY.

Some Chestertown People Have Learned That Neglect is Dangerous.

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the small, neglected troubles that so often lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak, weary, wornout feeling, may be nature's warning of kidney weakness. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there yet is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been successfully used in thousands of cases of kidney trouble for over 50 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Endorsed at home. Read Chestertown testimony.

Mrs. I. M. Blyman, High St., Chestertown, Md., says: "One of our family had backache and other symptoms of weak kidneys. Doan's Kidney Pills were finally procured from Toulsons Drug Store and they gave relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Fertilizer for Corn Crop.

The following bulletin has been issued by the Department of Agronomy of the Delaware College Experiment Station:

The purchase of fertilizers is the first cash outlay in the preparation for the corn crop. What kind of fertilizers to use and how much to apply per acre must be governed by local conditions. It is easy enough to recommend a fertilizer that will make a fair yield of corn, other conditions being favorable, yet to designate a particular brand or mixture that will prove most profitable requires some consideration of the kind of soil to be planted to corn, its previous treatment as to cropping, fertilization, etc.

Where a sod or a growth of crimson clover is to be plowed under, a fertilizer containing only phosphoric acid and potash will give good results. On inactive clay lands, a little soluble nitrogen should be used to start the plants. For this type of soil the following formula should give good results: Nitrogen, 1½ per cent., phosphoric acid 8-10 per cent., and potash 6-7 per cent. Where crimson is plowed down on sandy loam soil, no nitrogen need be used.

If the corn land was planted to corn last year or is a wheat or oats stubble, a 3-8-6 fertilizer should be used. The quality of fertilizer to apply will depend on fertility of the soil. An application of 350 to 500 pounds per acre would be a fair application. Corn responds generously to the use of fertilizers and liberal applications are generally profitable.

Where liberal quantities of stable manure are used, phosphoric acid will be the only commercial fertilizer needed. Most manure is rather low in phosphoric acid and is rendered more efficient by supplementing it with acid phosphate, perhaps 150 pounds per acre.

A very common and effective fertilizer for light soils where crimson clover is turned under is a mixture of equal parts of acid phosphate kainit. This give a fertilizer carrying about 7 per cent. phosphoric acid, 6 per cent. potash. Muriate of potash may be substituted for kainit when the mixture should be made up of 4 parts of acid phosphate and one part muriate of potash. This gives a fertilizer carrying 11 per cent. phosphoric acid and 10 per cent. potash. This mixture is, of course, richer than the first and less is required per acre.

Home mixed fertilizers will give as good results as the commercial brands and some money is saved buying the raw materials.

Fertilizers should be applied broadcast over the land just previous to planting and harrowed in. A disk drill or a fertilizer distributor may be used. Applying fertilizer in the drill row or in the hill has some objections and should not be generally followed by the corn crop.

DEPARTMENT OF AGRONOMY,
Delaware College Experiment Station.

Big "Get-Together" Temperance Conference.

Rev. Cyrus P. Keen, superintendent of the Eastern Shore District of the Anti-Saloon League of Maryland, announces that in a few days a call will be issued over the signatures of several of the most prominent citizens of Kent county for a big "get-together" temperance conference and mass meeting to be held in Chestertown on Tuesday afternoon and evening, May 26th.

The various Women's Christian Temperance Unions, the churches, the Sunday schools, and young people's societies will all be urged to send representatives to this meeting. The afternoon meeting will be given up to the work of organizing the county thoroughly. It is the plan of the league to organize in every county of the State, and then down to every election district, for the State-wide prohibition fight, so that general agitational and election committee work can be carried on systematically under the direction of a local county committee, in order to build a sentiment that will select "dry" men for the Legislature of 1916 and thus secure an enabling act to vote on State-wide prohibition.

The evening meeting will be a big mass meeting or rally, to be addressed by local speakers with Dr. Thomas M. Hare, State Superintendent of the Maryland Anti-Saloon League, as the chief speaker.

Both the afternoon and night meetings will be held at the Court House in Chestertown, its use having been granted by the County Commissioners.

SERVED 50 YEARS IN MINISTRY.

Rev. William Schouler Celebrates Anniversary at Elkton.

The fiftieth anniversary of the ordination of the Rev. William Schouler, rector of Trinity Protestant Episcopal Church, was celebrated on Tuesday by the clerical brotherhood of the Diocese of Delaware, the clergy of the Diocese of Easton and the people of Trinity parish in Trinity Church, Elkton.

The services were participated in by Bishop Wm. F. Adams, of Easton; the Revs. Frederick M. Kirk, rector of Trinity Church, Wilmington; Wm. H. Laird, of Emmanuel Church, Wilmington, and Charles A. Eaton, of St. Mary's Church, North East. The sermon was by the Rev. Hamilton B. Phelps, of Thomaston, Conn. Other clergymen present were the Revs. Dr. Alban Richey, of New Castle, Del.; H. C. Parkman, of Lewes, Del.; H. Edwin Chittenberg, of Wilmington; Raymond Wolven, of Wilmington; John W. Aieson, of Claymont; Percy L. Donachay, of Middletown, Del.; John E. Parks, of Stanton, Del.; Clarence N. Conant, of Perryville, Md.; Giles B. Cooke, of Matthews, Va., and Archdeacon S. W. Nese, of Blue Ridge Summit Mission, Virginia.

At the conclusion of the church services a luncheon was served in the parish house. Mr. Schouler was presented by the clerical brotherhood of the Diocese of Delaware with a gold cross, with watch fob, and by Trinity Church with a purse.

Pomona Items.

Ex-Senator James H. Baker was quite sick at his home a few days last week.

Sunday was "go-to-church day." Both churches were largely attended. Now, why not get the habit and make every Sunday a "go-to-church Sunday?"

Pomona charge, O. B. Rice, pastor. The first quarterly conference will be held on Tuesday, May 12, at the parsonage at 2.30 P. M., Rev. Dr. Watt presiding.

Mrs. Walter S. Trew is visiting relatives in Baltimore.

Mrs. M. A. Wilkins has purchased a five-passenger Krit touring car.

The big supper held at Mowbray hall by the ladies of Mowbray M. E. Church was enjoyed by a large number.

Children's Day service will be held at Mowbray M. E. Church on Sunday evening, May 31.

☞No matter how cheap advertised elsewhere, it is always cheaper here.

Kodak, for Instance.

The policy of any store is a matter of importance to every customer of that store. Some retailers buy always in the cheapest market. Our policy is to buy rather in the dependable market, to stock goods that we can hand with confidence to our customers. For instance: In the photographic line we cleave to the Kodak goods, because we are sure they are right.

Cameras $1.00 to $4.00.

Kodaks $5.00 to $65.00.
