The Transcript

As an evidence of the onward march of the cause of prohibition, we call attention to the great victory for local option in Charles county last Saturday. The county went dry by a majority of nearly 400, only three spots giving a wet majority.

THE taxpayers of Baltimore county defeated the proposed bond issue for schools and sewers at an election held on Tuesday by a decisive majority, all of which attests the fact that people are not in sympathy with bond issues in these times of excessive taxation and miserable labor conditions.

MR. THOMAS PARRAN, recently appointed a member of the State Roads Commission by Gov. Goldsborouge, and a well-known Republican leader, has docketed a suit against the A. S. Abel Company and Charles H. Gearty, edit r of the Baltimore Sun. The charges upon which the suit is laid are not stated.

MITCHELL PALMER, now Congressman from Pennsylvania, and former Gov. Vance McCormick, adminstration candidates for United States Senator and Governor, respectively, won a notable victory in the primary election held in the Keystone State on Tuesday. Boise Penrose, present Republican Senator, was re-nominated over Mr. Dimmick, and Gifford Pinchot was nominated by the Bull Moosers for United States Senator.

THE Supervisors of Elections met on Monday for reorganization at which time Mr. J. Hall Denny qualified as a member of the board. Mr. John C. Davis was re-elected president. Mr. Walter S. Trew, the other member of the board was also present. Mr. W. W. Baldwin was re-appointed clerk, and John D. Urie, Esq., attorney to the board. An order was passed providing for the burning of the ballots used at the election last fall. The board will meet on June 8th for the purpose of appointing registrars of voters.

MAYOR PRESTON last week refused to administer the oath of office to the members of the new Tax Commission created by the last General Assembly, upon the ground that the last Legislature had no right to saddle upon Baltimore city a large proportion of their salaries. In this position he is upheld by City Solicitor Field. The members of the commission, Messrs. Arthur P. Gorman, Lewin W. Wickes and Judge Leser, took the oath of office before Gov. Goldsborough, and it is likely that the question of Baltimore's liability for its proportion of the salaries will be thrashed out in the courts.

THE first issue of the Tri-State Farmer published from the printery of the Caroline Sun reached us last week. The paper is purely agricultural in its scope, and is published to meet an active demand for such a paper in the States of Maryland, Delaware and parts of Virginia. Editor Wilkinson displays the same aggressiveness, energy and enterprise in the new paper that has characterized his efforts in the publication of his paper, the Caroline Sun. He and his able staff are to be congratulated upon being the pioneers in the field of farm publications in Maryland, and the TRANSCRIPT wishes them success. An interesting feature of the first publication is a picture of Mr. Wm. Ford and his daughter, Miss Sue, inspecting a pile of apples.

NOT A CONDIDATE.

The Sun, through its political writer, Mr. Frank R. Kent, has stated twice within the past week that Hope H. Barroll, Esq., is a candidate for the federal judgeship, made vacant by the death of Judge Henry M. Clabaugh. In an interview with Mr. Barroll on Wednesday in reference to the matter, he informed us that he is not a candidate for the judgeship or any other office. Mr. Barroll states that his law practice is so extensive that he could not afford to accept any office that would necessitate his removal from Kent county. The mention of Mr. Barroll's name in connection with the federal judgeship is taken by his friends here to mean that Mr. Frank R. Kent, who seems to be the political dictator of the Baltimore Sun, and who is known to be the righthand man of Senator Smith, has been made a party to the efforts on the part of Mr. Barroll's political enemies here to weaken him with his numerous friends in Kent, by making it appear that he is desirous of receiving an office under the present administration, and hasn't sufficient influence with the President, whose warm personal and political friend Mr. Barroll is, to induce the President to appoint him. It is interesting to note that the attitude of the Sun towards Senator Smith and "The" Kelley, through the influence of Mr. Kent, is vastly different from its former position, when only a few short months ago it was unmercifully attacking Senator Smith and Kelley for appointing Schoenewarf, of the Baltimore Red Light District, to a position as doorkeeper in the United State Senate. We suggest to Mr. Kent that if Mr. Barroll really desired to be appointed federal judge, he would have equally as much influence with the President as he has manifested in preventing Senator John Walter Smith from naming a postmaster for Chestertown.

PEOPLE'S COLUMN.

DEAR SIRS:—We understand up here that Mr. Thomas C. Roe is being pushed by a certain crowd in Chestertown as Assessor under the new tax law. We elected Mr. Roe Commissioner from this district for four years. We do not think it right for him to resign his office and let a Republican Governor put in a Republican County Commissioner for the rest of his term. If he does there are dozens of Anti people here who will never vote the Anti ticket again and we write to you now to put up a good strong Anti man in the First District. We have plenty of them, and let Mr. Roe keep his own place.

FIRST DISTRICT.

Grange Notes.

Fairlee Grange observed Flora's Day on Weduesday evening, Miss Clara Biddle as Flora. Appropriate readings and songs were given which proved acceptable and profitable. The Committee on Better Baby contest reported there will be a contest held in Fairlee Grange Hall July 7. Parents are solicited to enter babies as early as possible.

The Still Pond Grange will hold a special meeting in their hall in Still Pond on Tuesday evening next. Program will be in charge of Mrs. John Schofield. There will be an interesting play intitled, "The Reveries of a Bachelor," with music, recitations and other interesting features. All members are urged to be present.

MR. BARROLL AND THE JUDGESHIP.

The Enterprize, in its issue on Wednesday morning contained the following pertinent editorial:—

"The Baltimore daily papers continue to refer to Hope H. Barroll Esq., as a possible appointee to the Federal bench. Because of the warm personal and political friendship existing between President Wilson and Mr. Barroll, and the high esteem in which the President is known to hold the latter, it is not at all improbable that Mr. Barroll's name has been under consideration for some important position, including possibly the judgeship now vacant. It is, however, very doubtful indeed if Mr. Barroll could be persuaded to accept a place on the bench; in fact his friends here hoot at the idea. Mr. Barroll's extensive legal practice is known to net him several times the annual salary of a Federal judge, to say nothing of his strong inclination to political activities, from which a judgeship would eliminate him. We are inclined to think that the persistent mention of Mr. Barroll's name in connection with the judgeship and other Federal honors, is due either to the desire on the part of his friends to confirm his nearness to the President, or else is part of a scheme of his political enemies to embarrass and injure him by holding him up as an office seeker.

Those who know Mr. Barroll best know that he cherishes the power to name his friends to political positions infinitely more than the emoluments or honors of office for himself."

PUBLIC SALE
—OF—
SIX VALUABLE FARMS
on Kent Island, Maryland,

of which the late James B. Bright died seized and possessed. This is the largest sale of real estate held in the county for years, and probably the most valuable and desirable large body of land ever offered in Queen Annes county at public auction. All the farms below advertised will be sold

On Tuesday, June 2d, 1914,

in Centreville, Md., between the hours of 1 and 2 o'clock p. m., the following described valuable property:

No. 1—All That Farm

or tract of land known as the Price Farm, situate on the public road leading from Stevensville to Love Point, and now in the tenancy of William E. Roe, Jr., adjoining on one side the property of William C. Legg and on the other the property of John T. Price, containing

184 Acres of Land

more or less. This farm is desirably located about two miles from Stevensville and about two miles from Love Point, and is situate on the Chesapeake Bay. The land is very fertile and is in a good state of cultivation. There is also elegant timber on this farm. This farm is improved by a

Dwelling House

and all necessary outbuildings in good repair. The sale of this farm offers an unusual opportunity to anyone desiring a home or investment. It is located close to the railroad, churches, schools, etc., and the sale of this farm to anyone wishing to buy a good home is an opportunity seldom offered.

No. 2—All That Farm

or tract of land situate on the road from Stevensville to Kent Point and known as the Eareackson Farm, adjoining the lands of the late William B. Shawn, J. Sudler Cockey and others, and now in the tenancy of J. C. Pacs, and containing

200 Acres of Land, More or Less

This farm is improved by a

Good Dwelling House

and outbuildings in good repair. The fertility of the soil is first-class and adapted to the growing of all farm products. It is about three miles from Stevensville, and there is a school house within one-half mile of the farm. This farm has between 35 and 40 acres of excellent timber, which has never been cut into except in a very small way for farm purposes.

TERMS OF SALE—One-third of the purchase money in cash on the day of sale, the balance payable respectively in three equal installments of one, two and three years from day of sale, credit payments to bear interest from day of sale, and to be secured by notes or bonds of the purchaser or purchasers, or all cash, at the option of the purchaser.

227 ACRES,

1 ROOD AND 33 PERCHES OF LAND, more or less, and improved by a

Good Dwelling House

and all necessary outbuildings.

This farm is beautifully located on the Chesapeake Bay, and is a lovely water situation for any one desiring a farm situated on the water. The quality of the soil is first-class, and adapted to raising of all farm products. The fertility of the soil, the natural beauty of the water front, combined with the elegant location of this farm, makes it an unusually attractive proposition to any one desiring the qualities before mentioned. This farm is located within a mile of Stevensville, where there are churches of practically every denomination, and a high school, also located near the railroad station.

287 Acres

3 ROODS AND 34 PERCHES OF LAND, more or less. This property is improved by

A Fine Mansion House

containing about thirty roooms, and a tremendous barn and all necessary outbuilding in good repair. The buildings on this farm would cost over twenty-five thousand dollars to erect to-day. This is one of the finest, if not the best farms, in Queen Anne's county, and is in a high state of cultivation. Its location—close to churches, schools and the railroad station—makes it unquestionably as desirable a farm as could be purchased in the county. The land is fertile and adapted to the raising of all kinds of crops. It is situate on the water and is one of the most attractive farms from every viewpoint ever offered in Queen Anne's county. This farm has about 44 ACRES OF ELEGANT TIMBER.

PAIGE

You never have to make excuses for the Paige car. Place it in any automobile assemblage—

Measure it by the standard of cars of double its price.

The only excuses you will hear will be the attempts of the other fellow to justify himself for paying more.

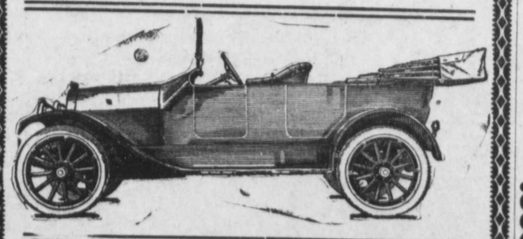

The Paige is the car of super-quality simply because all the money goes into the car itself.

The Paige-Detroit Company has no bonded indebtedness to eat up a large proportion of its income in interest—it has no excessive capitalization on which it must earn dividends—and it has ample resources to enable it to buy at lowest cash prices.

The Paige price represents actual car value.

Every Paige owner knows this already.

Every prospective owner will recognize it immediately when he checks up the Paige point for point with cars costing $2000 or more.
