The Poultry Show.

The poultry show to be held in connection with the Kent and Queen Annes Fair at Radcliffe Park July 28-31, pomises to be a most successful affair. The premium list, entry blanks, etc., are being printed and will be in the hands of the prospective exhibitors by June 10th. The commitee in charge of the show—Messrs. D. Russell Downey, John H. Moffett, Owen C. Smith, S. W. Granbery and Thomas D. Bowers—is meeting with splendid encouragement, and already those interested in the success of the exhibit, have nearly 100 special prizes, all of which are well worth competing for, offered. One big firm in Chicago, one in New York and several in Baltimore have offered six specials each, and contributed good advertising space in the premium list. The merchants of the town and county have also responded most liberally in advertising and special prizes, and there is a spirit of great interest being manifested in the affair. Inquiries from exhibitors are coming, and it is expected that poultrymen from all over the Shore will send exhibits of poultry. Kent county will exhibit at least 200 birds, and Queen Annes will send a good exhibit. The entrance fee for each bird will be 25 cents. This charge is made to cover the cost of feeding and care. Exhibitors pay the cost of transportation to and from the fair, and all they have to do is to box their birds and have them at the fair grounds by Tuesday, July 28th, at 8 A. M., and they will be properly cooped, cared for and returned. Entry blanks and premium lists will be sent to everybody as soon as they are printed, and you fill out the blanks and return them to the secretary, Mr. Thomas D. Bowers, on or before July 18th. Let everybody in Kent and Queen Annes get ready for the big show. Begin to get your birds in shape, and if you have chickens, ducks, turkeys, geese, pheasants or peafowls, bring them along. Let's help to build up in Kent and Queen Annes one of the greatest industries in the world.

IN THE CHURCHES.

Christ Methodist Protestant Church, Dr. W. R. Graham, pastor. Services on Sunday, May 31st, and preaching by the pastor at 10.30 A. M. and 7.30 P. M. Morning subject: "The Withered Fig Tree". Evening subject: "A Business Woman and Her Work." Sabbath School 2.30 P. M.; Christian Endeavor service 6.45 P. M.; Mid-week service Thursday evening at 7.30 o'clock.

Christ Methodist Protestant Sunday School received last Sunday from Rev. Charles H. Beck, secretary to the Board of Home Missions, a beautiful green and white pennant with the words "1914 Pennant Winner" inscribed upon it. The pennant was given by the Board as a prize to the Sunday School which contributed the largest amount to Home Missions last year, throughout the Maryland Conference district. Hurrah! for Chestertown.

After 41 years of active service in the itinerancy of the Maryland Annual Conference of the Methodist Protestant Church, Rev. G. F. Faring, who was assigned to the West Wilmington (Del.) charge at the last session of the Conference, has resigned his appointment and will retire from the active ministry. Mr. Faring's hearing has become so defective that he has been compelled to surrender his work, much to the regret of himself and friends.

Chestertown M. E. Church—Rev. L. E. Barrett, D. D. pastor.—Service next Sunday, May 31, as follows: Children's Day exercises will be held morning and evening. In the morning baptism will be administered to any children who may be presented, accompanied by their parents. This ordinance will be administered immediately after the opening exercises. There will follow instrumental and vocal music, led by Miss Fannie Stuart—recitations, dialogues, choruses, solos, duetts, etc. In the evening, beginning at 7.30, there will be singing by the school, with a short address by the pastor. There will be a large platform erected, upon which will be seated the primary department and several classes of the senior department; beautiful flowers and decorations. Come early and secure a good seat. Collections will be for educational purposes. All invited.

A class of fifteen was confirmed at Sacred Heart Church Sunday evening by the bishop.

In the absence of the Rev. Adelbert McGinnes, rector of St. Paul's Church, service will be conducted in that church on Sunday morning, May 31st, by the Rev. T. Manly Sharpe, of Church Hill. Sunday school at 10 o'clock; morning service at 11 o'clock. Sermon on the subject: "The Stupendous Task of Destroying the Bible."

A special temperance service will be held at Still Pond M. E. Church to-morrow morning, Sunday, May 31. Also at Betterton in the afternoon, Rev. Cyrus P. Keen, superintendent of the Anti-Saloon League on the Eastern Shore, will be the speaker. He will tell what the temperance forces of Maryland are doing and must yet do to bring about State-wide prohibition in Maryland. Everybody is cordially invited to come out and hear this talented young temperance orator.

Services at I. U. P. E. Church tomorrow (Sunday) afternoon at 3 o'clock, Rt. Rev. Wm. Fobes Adams, Bishop of the Diocese of Easton, will deliver the sermon and administer the rite of confirmation.

Hick's Forecast for June.

A regular storm period, which was central on May 30th, will be at its culminating stages, in the central to eastern parts of the country during the 1st, 2nd and 3rd. The Moon will pass southward across the celestial equarter on the 2d, which fact will cause many local thunder storms on and touching that date.

A reactionary storm period is central on the 5th, 6th, and 7th. The Moon is in perigee on the 5th, and at its full on the 7th. The Venus disturbance will be in full force, blending with the June solsice period from this time to the end of the month. On and next to the 5th, 6th and 7th, the barometer will fall decidedly, the temperature will rise, and storms of wind, rain and thunder will make their transit eastwardly across the country.

A regular storm period will develop and run its course from the 10th to the 15th. It is in central on the 11th, this date being the central day of an annual period of maximum electric and magnetic disturbance.

A reactionary storm period will follow the preceding regular period almost without intermission, causing a prolonged spell of stormy, threatening weather. This reactionary period is central on the 16th, 17th and 18th. The Earth's solstice period is central on the 21st, covering a tremendously strong combination of astonomic causes is bearing on all these June periods. As a rule very heavy and continuous rains may fall in June without great depressions of the barometor.

A regular storm period covers the 20th to the 25th, being central on the 22nd. This period is at the center of the June solstice disturbance.

A reactionary storm period is central on the last three days of June. The Moon being on the celestial equator on the 29th, looks for great warmth, low barometer and starting thunder storms on and about that date.

Decide Yourself

The Opportunity is Here, Backed by Chestertown Testimony.

Don't take our word for it.
Don't depend on a stranger's statement.
Read Chestertown endorsement.
Read the statement of Chestertown citizens.
And decide for yourself.
Here is one case of it.

Mr. S. F. Robinson, stationary engineer, Front St., Chestertown, Md., says: "Besides having trouble from my bladder, I also suffered from backache. The passages of the kidney secretions were irregular and attended with pain. Doan's Kidney Pills were the best kidney medicine I ever used, giving me great relief. I hearthily recommend them."

"When Your Back is Lame—Remember the Name." Don't simply ask for a kidney remedy—ask *distinctly for Doan's Kidney Pills*, the same that Mr. Robinson had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

A KODAK

We say "Kodak" advisedly. We do not merely mean camera, but the particular make of camera that bears the Eastman trade mark "Kodak." The satisfactory results that it has given to our customers justify us in specifying "Kodak."

Your vacation will mean more to you, if you Kodak. Not only more pleasure at the time, but afterward, the added pleasure that will come from the pictures.

Let us show you how simple it all is by the Kodak system. Our stock is very complete and we are always glad to give photographic help to any amateur.
