School Needs at Kennedyville.

MESSRS. EDITORS:

In view of the fact that the voters of this county will be asked to vote for a law bonding the county for six thousand dollars for the purpose of building a new school house at Kennedyville, we think it right that they should know why we are asking for a new building. The present building is in such an unsanitary place as to be dangerous to the health of our children. In front of the school property is a drain from a slaughter house which joins a drain from both a milk station and cannery. These flow to one side of the property where they join another drain from a creamery making the school property bounded on three sides by the worst kind of disease breeding filth. None of these drains are over one hundred feet from the school property.

We do not ask you to take our word for these things, what we want is for every man and woman of Kent county to visit our school and see and smell for themselves. You love your own children, come and see what ours must endure to get an eighth grade education. Again we invite, we beg you to come and think how you would like your children or your little brothers and sisters to be compelled to sit six hours in such a place. Dr. Fulton, of Baltimore, has condemned the site, so has Dr. Jones, both health officers.

We have a petition signed by some of the largest tax-payers of the county, asking the Legislature to pass this law. Nearly every district in the county is represented on this petition. This movement was started in Kennedyville Grange and has received the unanimous support of the Pomona Grange at three different meetings. We are not asking for this building from a source of pride but from what we believe to be necessary to the health of our little girls and boys. Our prayers ascend daily to our God that the voters may come to our rescue and save our little ones. Again we beg you to come and see and smell for yourselves. Our efficient teachers or any one here will be glad to guide you.

JOHN MEDDERS.

WORTON ITEMS.

The gardens are very thankful for the little rain which visited the neighborhood this week and are busy waging a battle with the weeds.

Out of respect to the memory of the late Mrs. Wood, whose funeral took place last Sunday, the 7th, the Sunday School of Union M. E. Church postponed their Children's Day service, which was to have been held that date, until the coming Sunday, the 14th.

The average shipment of the milk station is now about 6500 lbs. daily.

Mr. A. S. Turner has three of the most beautiful cherry trees in Kent county. Boys take notice.

Mrs. Howard Carter, of Wilmington, is the guest of her father, Mr. B. F. Rash.

Rev. and Mrs. Habbert, of Ridgely, were visitors in Worton last Saturday and Sunday. Mr. Habbert preached the funeral service of Mrs. Wood on Sunday.

Mr. Sydney Turner entertained Misses Carroll and Gooding of the High School faculty, at supper last Thursday evening.

Quite a number of people from Worton attended the funeral of Mrs. Wood, near Still Pond, on Sunday.

Little Dorothy Ivens is seen quite often in front of her grandfather's store these warm days, and amuses the people by showing them her "dirty" hands and how tall she is.

Mr. Frank Turner received one hundred white leghorn chicks from a chicken farm near Ridgely one day last week.

The farmers in this vicinity are very busy setting out tomato plants.

While going through Worton on her way to Chestertown, Miss Ida Mench, of Smithville, was thrown from her dearborn and very badly shaken up last Thursday. The horse became frightened at an automobile and started to run away. The wheels of the wagon caught in the telephone pole in front of the postoffice and the horse pulled Miss Mench from the dearborn as he broke loose from the shafts. Her brother, who was with her, was not thrown out, as she was driving. The trip was discontinued and Miss Mench was carried to her home by her uncle.

Mrs. A. S. Turner and son, Sydney, were guests in Phiadelphia last Saturday.

Betterton Notes.

The hotels, cottages, ice cream parlors and amusement buildings will be opened June 13th, for the summer season.

Mr. Greenwood, of the Home Cottage, is having ten rooms added to his house. Mr. L. Hickman is also having an addition built to Belmont Cottage. Extensive improvements are also being made at Elwood Cottage on Idlewhile avenue, which has recently been sold by Mr. Wm. Bronwell. It will be occupied before the summer season.

The Children's Day service of the M. E. Church was held last Sunday evening and the interesting program was well rendered. The church was very prettily decorated with laurel and pink roses. The collections of the evening amounted to $40.

Mrs. Arthur Brice is entertaining Miss Jones, her sister, of Calvert county.

Mrs. J. H. Crew has returned to her home very much improved in health.

Miss Mary K. Gooding, who has been at Fort Bayard, New Mexico, the past winter, is spending sometime with her sister, Mrs. Harvey B. Moore.

Mr. Clifton Owens, of Washington, D. C., is visiting his parents, Mr. and Mrs. Wm. Owens.

Mrs. Carlton Moore and Mrs. A. P. Emerson spent part of the week in Baltimore.

Misses Myrtle Tull and Mable Raisin, who have been attending a business college in Baltimore, are at home for the summer vacation.

Mr. and Mrs. Wm. Turner have been entertaining their niece, Miss Sarah Turner the past week.
