TWO SENATORS CONTRASTED.

"Some years ago I sat in the Senate Gallery at Washington and heard a white haired Senator from one of the Middle Atlantic States, John Walter Smith, arguing in behalf of a high tariff on lumber—leaving his own party and standing with the Republicans upon this measure—declare that he had been in the lumber business for thirty nine years; and this gentleman whose private fortune had been made in this business which was at stake was acting as judge in the case of the Lumber Trust vs. the People."

"While the question of the tariff upon lead and zinc was being discussed another Senator arose and said that years before he had invested in lands upon which deposits of lead and zinc in paying quantities had later been found and he was directly interested in the matter, he asked to be excused from voting upon the question. This Senator was Robert M. LaFollette, of Wisconsin."

"Which of these gentlemen was representing his own interest, and which was representing the People?"

Rev. Frank Dixon, of Washington, in a lecture before a Chautauqau in Cambridge, Maryland.

Worton Grange Notes.

Don't you know we are still holding our weekly grange meetings? Those who are missing these meetings are surely missing a great treat. Try to be on hand next Monday night and then our meetings will be every two weeks until further notice.

Owing to July 16 being such a busy season with all farmers, it was thought advisable to postpone the Pomona grange meeting until Thursday, Aug. 6. So all grangers please bear this in mind.

Don't forget the Better Babies contest to be held in the school building next Tuesday morning at 9 o'clock. Several doctors have consented to be on hand, and quite a large number of babies are already on the list with more to be added all the time. All interested, whether grangers or not, are most cordially invited to attend. An interesting programme of music, recitations and addresses will be the feature in connection with the contest.

It is understood that Mr. Thomas D. Bowers, of the CHESTERTOWN TRANSCRITT, is expected to be on hand next Monday with an interesting poultry talk and offerings for the poultry exhibit for the fair. So come out.

May Win Trip to Holy Land.—The last counting of votes in a subscription contest, which is being conducted by the "Washington Post" places Rev. W. A. Melvin, pastor of the First Methodist Protestant Church, Washington, D. C., first in the list with 520,650 votes to his credit. This contest, which is known as the Holy Land contest, gives 15 trips to the Holy Land to the 15 ministers who lead. In addition to the free trips, the church of the leading minister will receive $500 with other sums of money to the next three. Four days remain before the contest closes, but the friends and relatives here of Mr. Melvin are hoping that he will continue to lead.

HOW CHILDREN GROW
Children grow by nourishment—not overloaded stomachs or rich foods but qualities that are readily converted into life-sustaining blood; too often their digestive powers cannot procure these qualities from ordinary foods which results in weakness, dullness and sickness.

If your children are under-size, underweight, catch cold easily, are languid, backward, pale or frail, give them Scott's Emulsion which is pure medicinal nourishment. It sharpens the appetite, builds healthy flesh, firm muscles and active brains. Scott's is growing-food for children. Refuse alcoholic substitutes.

Your Own Porch Better than a Country Cottage

You need not go into the country during the hot summer months if you have your porch equipped with

AEROLUX NO-WHIP PORCH SHADES

These water-proof shades come in a great variety of colors. They admit just the proper amount of good fresh air yet maintain perfect seclusion to those upon the porch.

They transform any porch into a perfect resting place. The NO-WHIP ATTACHMENT with which these shades are equipped prevent flapping of the shade. The shades successfully keep out the hot rays of the sun and while they maintain the porch cool and comfortable, admit just the proper amount of light.

Call and see our display or a telephone call will bring the "Aerolux" man who will show you color samples and then if you wish, take the measurements of your porch.
