HOW TO GET STRENGTH

after any sickness is purely a matter of nourishment, whether the attack was an ordinary cold or severe illness; the weakened forces cannot repulse disease germs, and this is why a relapse is so often fatal or why chronic weakness often follows sickness.

Restoring strength to millions of people for forty years has proven the real need for taking Scott's Emulsion after any sickness; nothing equals it—nothing compares with it. Its pure, medicinal nourishment, free from alcohol or opiates, promptly creates rich blood, strengthens the nerves and lungs to avert tuberculosis.

Your Own Porch
Better than
a Country Cottage

You need not go into the country during the hot summer months if you have your porch equipped with

AEROLUX
NO-WHIP
PORCH SHADES

These water-proof shades come in a great variety of colors. They admit just the proper amount of good fresh air yet maintain perfect seclusion to those upon the porch.

They transform any porch into a perfect resting place. The NO-WHIP ATTACHMENT with which these shades are equipped prevent flapping of the shade. The shades successfully keep out the hot rays of the sun and while they maintain the porch cool and comfortable, admit just the proper amount of light.

Call and see our display or a telephone call will bring the "Aerolux" man who will show you color samples and then if you wish, take the measurements of your porch.
