THE GREAT SALISBURY FAIR

HORSE RACES, MOTORCYCLE RACES, MIRANO BROTHERS SENSATIONAL ACT, WEBBER FAMILY, BRAGAAR BROTHERS.

AUGUST 18, 19, 20, 21

There are several ways of advertising. We believe in but one: that is, tell the people just what we have. We might misrepresent and get a crowd this year, but we know we would have to suffer next.

Those who have attended our Fair in the past know whether or not THE GREAT SALISBURY FAIR makes good its promises in the way of attractions. This year we have an unusually attractive program. Glance over the following program:

HORSE RACES

One Stake Race will be given each day. Something new for this section, and we expect the greatest racing between horses from various sections this year than has ever been witnessed on this Peninsula. There will be twelve races in all.

MOTORCYCLE RACES

This Association became a member of the Federation of American Motorcyclists last year with the result of racing that exceeded anything on a half mile race course in Delaware, Maryland and Virginia. We expect even greater races this year for the fact that we will bank our track and will have a larger entry list, hence larger classes and greater speed. Two races will be given the last three days of the Fair. We have already received entries from the greatest motorcycle riders in the East.

MIRANO BROTHERS SENSATIONAL ACTS

This act has just been imported from Winter Garden at Berlin, Germany, and consists of a huge metal tower in two colors. The two performers appear on this tower on a circular arrangement from the top of which revolves at the speed of one mile per minute, moving up and down at the same time. One preformer rides in an aeroplane and the other on a trapeze, hanging by his fingers and toes. This act is the greatest thriller in America to-day.

BRAGAAR BROTHERS

In addition to this, the Association has secured the services of Bragaar Brothers, whose humorous stunts have no equal of their kind on the road to-day. As comedy bar artists, burlesque wrestlers, this company is unexcelled.

WEBBER FAMILY

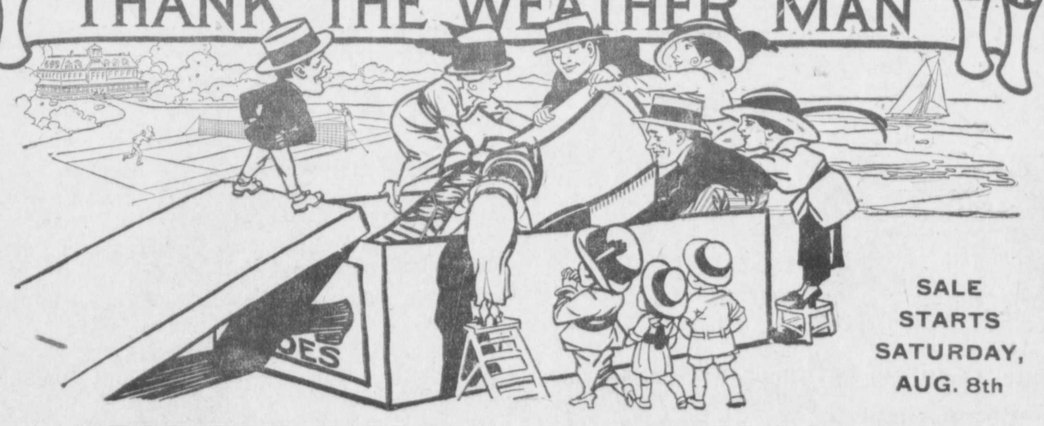

One of the cleverest groups of acrobats that ever performed on a stage is the Webber Family. In this act are three of the most beautiful American lady acrobats in the country. Two separate and distinct acts will be given each day as follows: Act No. 1—Society Acrobatic Act. Act No. 2—Russian Dancing Act by the Three Webber Sisters, all of them beautiful and accomplished girls. This is the best finished, fastest working, most beautifully costumed acrobatic troupe in America to-day.

The managers of THE GREAT SALISBURY FAIR are arranging for one of the best midways, if not the best, ever seen in Maryland. You will find on this midway, the "merry-go-round," "ferris-wheel," motordrome, other shows, etc., that go to make up a Fair.

ADMISSION PRICES: 25c Tuesday and Friday, 50c Wednesday and Thursday. Season tickets can be purchased for $1.00, good for each day of the Fair. Grandstand Tickets will be sold at 25c each day of the Fair.

NOTICE TO EXHIBITORS—The Salisbury Fair is looking for a good line of exhibits in every department. ENTRY BOOKS close Thursday, August 13th. Please make your entries early.

THANK THE WEATHER MAN

SALE STARTS SATURDAY, AUG. 8th

FOR THE BARGAINS LISTED BELOW

You can thank a backward season for these prices on our stock of new fresh, seasonable, up-to-the-minute shoes. The weather made sales slow for every retailer during the early Spring and, frankly, we find ourselves with more shoes than we should have. We are determined not to carry over these goods, and as a consequence have placed prices upon them which will surely cause them to "move" in quick step time. The real Summer wearing season is still ahead of you. Don't fail to take advantage of this opportunity to secure your vacation shoes at ridiculously low prices. Our loss is your gain. Come early while our range of styles sizes and widths are unbroken.
