## NATIONAL AND STATE BANKS

ONE of the most vital and important regulations of the NATIONAL BANKING LAW is that which controls what is known as the "Legal Reserve." It requires that 15 per cent. of all Deposits shall be kept in the vaults of National Banks or in the hands of Approved Reserve Agents.

The following statement of the Deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, June 30th, 1914:

| | Deposits | 15% | Reserve Held | Per Cent. |
|---|---|---|---|---|
| Third National..... | $586,353.16 | $87,952.96 | $95,257.66 | 16% |
| Chestertown Bank.... | 394,188.67 | 59,128.30 | 23,887.34 | 6% |
| Kent Savings Bank... | 319,691.40 | 47,953.71 | 17,398.21 | 5 2-5% |

As you will see by the above statement, the Reserve held by the Third National Bank ($95,257.66) is more than twice as much as held by both of the other banks ($41,285.55). After reading the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The Third National Bank cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large reserve, but we KNOW it is better banking. Nearly $100,000.00 on hand with which to meet immediate demands. Think of the above while doing your banking.

NOW is the time the farmers realize on their season's work. As you sell your grain, stock or produce, place the money with a reliable bank. Pay your bills by check, which makes the best kind of a receipt, and avoid the worry and danger attending the carrying of large sums of money. Your business is carefully looked after in this bank. We pay 4 per cent. on all Savings Accounts.

Very respectfully,

**The Third National Bank**
**of Chestertown, Md.**

Do not forget Chautauqua week—August 31-Sept. 6.

## WE ARE

MAKING THEM! Compare quality, fit and workmanship with some of these guaranteed Suits we're turning out. See if you're treating yourself just right, then we'll make yours.

No large rent, no large stock to carry and carry over, no large up-keep is why we're making Suits to order for less money than you can NOW buy ready-mades. Same quality. Think this over.

In connection with my tailoring business, I've added a line of Alpaca and Mohair Coats, Dusters and Raincoats from a manufacturing plant in New York. I carry sample garments and can deliver in two days. Look them over. I'll save you 25 to 30 per cent. on this line also. Respectfully,

**W. E. MOODY,**
SPECIAL REPRESENTATIVE OF THE INTERNATIONAL TAILORING CO., OF NEW YORK, CHICAGO AND LONDON,
Office Under Voshell House, Next to Robert McWhorter's, CHESTERTOWN, MARYLAND.

### Dogs and Hogs Killing Poultry

Worthless dogs and valuable hogs have been slaying numerous of our farmers' turkeys and chickens during the past week or ten days. There is some comfort in the depredation of hogs, because the destruction of poultry by them is somewhat mitigated by the increase in the value of hog meat, but nothing short of a shotgun can furnish any satisfaction for the depredation of worthless dogs. One day last week dogs got into Mrs. Wm. T. Nicholson's flock of turkeys and killed 17; the next day or so dogs attacked the flock belonging to Mr. Kernan, living near Fairlee, and killed nearly all of the half-grown turkeys. One day or night this week Mrs. Alverta Beck's hogs got into her poultry and slayed about 200 of them. Such destruction as this means heavy losses to our farmers, and there should be some means of ridding the county of worthless dogs.

The old cannon, which for 16 years had been in the possession of Mr. John S. Vandegrift and used as a hitching post in front of his barber shop, has been removed to the home of Hope H. Barroll, Esq., where it has been made ready for use in the event of a war with Queen Annes. Mr. Barroll is a firm believer in the adage, "In time of peace, prepare for war," and if Queen Annes ever flaunts the red flag in our face, Mr. Barroll will destroy Chester bridge with shot from the cannon and prevent the enemy from landing on Kent soil. It required the services of Mr. Edward Robinson, seven colored men and four horses to remove the ancient firearm to its new fortress.

The public schools of the county will open on Monday, September 14th.
