NATIONAL AND STATE BANKS

ONE of the most vital and important regulations of the NATIONAL BANKING LAW is that which controls what is known as the "Legal Reserve." It requires that 15 per cent. of all Deposits shall be kept in the vaults of National Banks or in the hands of Approved Reserve Agents.

The following statement of the Deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, June 30th, 1914:

	Deposits	15%	Reserve Held	Per Cent.
Third National	$586,353.16	$87,952.96	$95,257.66	16%
Chestertown Bank	394,188.67	59,128.30	23,887.34	6%
Kent Savings Bank	319,691.40	47,953.71	17,398.21	5 2-5%

As you will see by the above statement, the Reserve held by the Third National Bank ($95,257.66) is more than twice as much as held by both of the other banks ($41,285.55). After reading the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The Third National Bank cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large reserve, but we KNOW it is better banking. Nearly $100,000.00 on hand with which to meet immediate demands. Think of the above while doing your banking.

NOW is the time the farmers realize on their season's work. As you sell your grain, stock or produce, place the money with a reliable bank. Pay your bills by check, which makes the best kind of a receipt, and avoid the worry and danger attending the carrying of large sums of money. Your business is carefully looked after in this bank. We pay 4 per cent. on all Savings Accounts.

Very respectfully,

The Third National Bank
of Chestertown, Md.

Do not forget Chautauqua week—August 31-Sept. 6.

SENATOR JESSE D. PRICE, Democratic Candidate for Congress.

ANNOUNCEMENT OF CANDIDACY, JULY 9, 1914.

To The Democracy of The First Congressional District:—

Disregarding my personal inclination, but bowing to what appears to be a very general demand, so insistent as to become a party duty, I have determined to become a candidate to succeed the Hon. J. Harry Covington for his unexpired term in the 63rd Congress of the United States, according to his announced intention to resign therefrom, and also as a candidate for the 64th Congress of the United States, beginning March 4th, 1915, subject to the will and pleasure of the Democratic voters of the first District of Maryland in the approaching Congressional Primaries.

Vulcanizer Explodes.

The explosion of a vulcanizer in the dental parlor of Dr. Charles R. Twilley on Sunday morning did about $75 worth of damage to the parlor. It is not Dr. Twilley's custom to do any work on Sunday, but he had been so busy of late that he was compelled to do some work on Sunday morning. He was cooking a set of teeth and the vulcanizer became overheated and exploded. Every pane of glass in the room was shattered, two wash bowls were torn from their places and one was blown through the ceiling and the other through the side wall, and there was considerable damage to his instruments. Fortunately Dr. Twilley had been called out of the room by his wife just prior to the explosion or he may have been fatally injured.

Red Men's Tournament!

Old "Jupe Pluvius," after loafing on the job for three or four months, suddenly awakened on Friday last, and by his activity succeeded in squelching the Red Men's Carnival scheduled for Saturday last at Massey.

The Red Men are determined to have their annual shindy, however, and have decided to give Jupe two weeks in which to disport himself and have set the day for

Saturday, September 12, '14.

The tournament, in which knights from Cecil and Kent will compete, promises to be an innovation, while the parade of Indians and other attractions will repay anyone who journeys to the pretty little junction at Massey. The original program will be carried out even to the dance in the evening. s5-2t.
