Forage Poisoning Killing Horses.

Dr. John S. Buckley, the celebrated pathologist of the United States Bureau of Animal Industry and Dr. C. Thorm, mycologist, of the same department, of Washington, D. C., were in Pocomoke City last week and investigated the horse disease that has been so prevalent in Worcester and lower Somerset counties recently. They visited several farmers who had lost horses with the disease and obtained all the information possible concerning their sickness and death. These gentleman gave the following statement which my prove of benefit to some of our people:

"The cases of disease among horses in this vicinity appear to be what is known as Forage Poisoning. Sometimes other names are applied to it but most of them are more or less misleading. The symptoms seen vary greatly in character and intensity. Among them are paralysis of throat, hence inabitity to swallow, staggering gait, moving in a circle to one side or the other, fever at first followed by normal or even subnormal temperature, more or less progressive paralysis with death in time varying from 24 hours to several days.

"The exact cause is not known. No reliable remedy has been found. The disease does not appear to be contagious hence, each case can be considered separately. The severe cases usually die. The milder cases sometimes get well without treatment, or following lines of treatment that have been tried. The best recommendation is prevention. In other localities this has been found possible by cutting out every form of mouldy, or spoiled or damaged feed. If there is any question of the condition of the feed, cut out the questionable kind."

The best thing to do is to give the horse a purgative at the beginning, and to give like treatment to every horse on the place, sick or well.

POSITIVE PROOF.

Should Convince the Greatest Skeptic in Chestertown.

Because it's the evidence of a well know Chestertown citizen.
Testimony easily investigated,
The strongest endorsement of merit.
The Best proof. Read it:

Harry Hodgkins, merchant, Mill St., Chestertown, says: "I had various symptoms of Kidney trouble. Pains throug my loins annoyed me and the kidney secretions were irregular in passage. My supply of Doan's Kidney Pills was procured at Toulson's Drug Store, and they made me feel better in every way."

Mr. Hodgkins is only one of many Chestertown people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask *distinctly for Doan's Kidney Pills*, the same that Mr. Hodgkins had—the remedy backed by home testimony. 50c all stores. Your Own Porch Better than a Country Cottage

You need not go into the country during the hot summer months if you have your porch equipped with

AEROLUX
NO-WHIP
PORCH SHADES

These water-proof shades come in a great variety of colors. They admit just the proper amount of good fresh air yet maintain perfect seclusion to those upon the porch.

They transform any porch into a perfect resting place. The NO-WHIP ATTACHMENT with which these shades are equipped prevent flapping of the shade. The shades successfully keep out the hot rays of the sun and while they maintain the porch cool and comfortable, admit just the proper amount of light.

Call and see our display or a telephone call will bring the "Aerolux" man who will show you color samples and then if you wish, take the measurements of your porch.
