VOL. LIII—NO. 18. CHESTERTOWN, MARYLAND, SATURDAY, SEPTEMBER 26, 1914 $1.00 PER ANNU

NATIONAL AND STATE BANKS

ONE of the most vital and important regulations of the NATIONAL BANKING LAW is that which controls what is known as the "Legal Reserve." It requires that 15 per cent. of all Deposits shall be kept in the vaults of National Banks or in the hands of Approved Reserve Agents.

The following statement of the Deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, June 30th, 1914:

	Deposits	15%	Reserve Held	Per Cent.
Third National.....	$586,353.16	$87,952.96	$95,257.66	16%
Chestertown Bank....	394,188.67	59,128.30	23,887.34	6%
Kent Savings Bank...	319,691.40	47,953.71	17,398.21	5 2-5%

As you will see by the above statement, the Reserve held by the Third National Bank ($95,257.66) is more than twice as much as held by both of the other banks ($41,285.55). After reading the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The Third National Bank cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large reserve, but we KNOW it is better banking. Nearly $100,000.00 on hand with which to meet immediate demands. Think of the above while doing your banking.

NOW is the time the farmers realize on their season's work. As you sell your grain, stock or produce, place the money with a reliable bank. Pay your bills by check, which makes the best kind of a receipt, and avoid the worry and danger attending the carrying of large sums of money. Your business is carefully looked after in this bank. We pay 4 per cent. on all Savings Accounts.

Very respectfully,

The Third National Bank
of Chestertown, Md.

Editors in Luck.

When the Bentztown Bard sees this, it will furnish an inspiration for another of his beautiful poems, or else give him a case of the "Mullygrub," because he is shut up in a dingy old editorial sanctum reeking his brain for more songs to sing:

We are indebted to Mr. E. Rumsey Anthony, the "truck king" of Queen Annes, for a box of luscious strawberries, known as the "Progressive." The Progressive is a fall strawberry, and Mr. Anthony is experimenting with it in the hope of developing a paying crop. The berry is about the size of a big acorn, is rich in color, and delicious in flavor. It furnished a splendid dessert.

We are also greatly indebted to Mr. Benj. F. Rash for a peach basket full of the finest Katawba grapes we have ever seen. Mr. Rash has had a record crop this year, and his fine vinyard has been a source of great profit, he having shipped between 4,000 and 5,000 crates. And Mr. Bentztown Bard, the grape juice that now decorates our pantry shelves has got your mint julep beat to a frazzle. Come over to taste it.
