VOL. LIII—NO. 19. CHESTERTOWN, MARYLAND, SATURDAY, OCTOBER 3, 1914 $1.00 PER ANNUM

NATIONAL AND STATE BANKS

ONE of the most vital and important regulations of the NATIONAL BANKING LAW is that which controls what is known as the "Legal Reserve." It requires that 15 per cent. of all Deposits shall be kept in the vaults of National Banks or in the hands of Approved Reserve Agents.

The following statement of the Deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, June 30th, 1914 :

	Deposits	15%	Reserve Held	Per Cent.
Third National	$586,353.16	$87,952.96	$95,257.66	16%
Chestertown Bank	394,188.67	59,128.30	23,887.34	6%
Kent Savings Bank	319,691.40	47,953.71	17,398.21	5 2-5%

As you will see by the above statement, the Reserve held by the Third National Bank ($95,257.66) is more than twice as much as held by both of the other banks ($41,285.55). After reading the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The Third National Bank cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large reserve, but we KNOW it is better banking. Nearly $100,000.00 on hand with which to meet immediate demands. Think of the above while doing your banking.

NOW is the time the farmers realize on their season's work. As you sell your grain, stock or produce, place the money with a reliable bank. Pay your bills by check, which makes the best kind of a receipt, and avoid the worry and danger attending the carrying of large sums of money. Your business is carefully looked after in this bank. We pay 4 per cent. on all Savings Accounts.

Very respectfully,

The Third National Bank
of Chestertown, Md.
