Democratic Mass Meeting

in Chestertown,

ON WEDNESDAY, OCTOBER 21st,

Afternoon and Evening, 2 and 7.30.

SPEAKERS:

First Asst. Postmaster-General Roper.
Congressman J. Charles Linthicum.
Hon. L. Irving Handy.
Senator Carville D. Benson.
Senator Jesse D. Price, Candidate for Congress for Short and Long Terms.

The Chestertown Band will discourse music.

Come out and hear the issues of the campaign discussed by able speakers.

PRESIDENT H. J. PATTERSON has tendered his resignation to the Board of Trustees of Maryland Agricultural College to take effect July 1, 1915, in order that a commission form of government for the college may be established. This is a suggestion from Prof. Patterson himself.

CONGRESS may adjourn next week if the law-makers can satisfy the cotton belt with legislation that will aid the cotton growers of the south.

MR. VOTER, when you go to the polls to cast your ballot on November 3rd, remember that you must mark your ballot TWICE for Jesse D. Price for Congress. Senator Price is a candidate for both the LONG and SHORT terms, and that is the reason you must vote TWICE for Price. Now remember that, Mr. Voter.

NOW that the registration is out of the way, the State Central Committee should organize each precinct and district in the county for effective work in getting the voters to the polls in November. Every negro voter in Kent county will go to the polls and vote on November the 3rd, and the longer the Democrats of the county fail to do their duty as citizens and exercise the right of franchise, the greater will become the danger of negro domination in the politics of the State, and the less reliable will be the quality of labor. If the Democrats think they have a walkover in this contest they are sadly mistaken. The Republicans are going to put up a hard fight to elect Bob Duer to Congress, as well as for Carrington for United States Senator, and the State Central Committee should get busy and keep busy from now until the day after election.

FOR BETTER MAIL SERVICE.

Now that a quick automobile schedule between Chestertown and Centreville, and Easton has been established by Mr. Wm. H. Waddell and his son, Randolph, which route connects on schedule time with a similar route operated by Mr. P. E. Cordean between Easton, Cambridge, Hurlock and Salisbury, it would be a capital idea if the banking, legal and business interests of this town should endeavor to divert Eastern Shore mail service to this route. Such a scheme would secure quicker mail service than we now enjoy between these towns, especially in the afternoon, and we see no reason why such a service cannot be established. This is a novel idea, yet it is a meritorious one, and since we are living in a progressive age, such a plan is thoroughly in harmony with the spirit of progress. Let Mr. Waddell and the business interests of the town and Shore push this matter.

TO VOTE SEPERATELY.

Voters at the coming election will not only have the pleasure of voting for a Congressman and United States Senator, but it will be their privilege also to vote a separate ballot for or against the SCHOOL HOUSE BONDS. Separate ballots and ballot boxes have been provided for the bond issue votes, and no tax-payer in the county should fail to vote his ballot on the bond issue. This is an exceedingly important matter to the tax-payers at this time of increasing county expenses and an ever-increasin State tax rate, as well as a more than probable increase in the town tax rate in 1916. These bond issues call for the expenditure of more than $70,000 of the tax-payers' money, with interest added to date of maturity, as well as other expenses attached to said bond issue. Beginning with 1916, $1,000 plus the interest on the entire bond issue, is to be added to the county expenses every year for the next 70 years and more, and this added expense, together with other expenses being heaped upon the tax-payers by Organization representatives in the legislature from time to time, will mean forever an increasing tax burden unless the people do something to put a stop to the absolute waste of the tax-payers' money. We urge our tax-payers to remember their duty when they go to vote in November. DO NOT FAIL TO VOTE YOUR SENTIMENTS ON THIS SCHOOL HOUSE BOND ISSUE. If you think these fine school buildings are *needed* in Kent county, which spends more money for schools every year than any other county on the Eastern Shore of approximate taxable basis, vote for the bond issue. If you think that the county is in no position to incur such an additional indebtedness at this time, vote against the bond issue. We have stated the facts. It is up to the tax-payers to do the rest.

Result of Registration.

The result of the recent registration in Kent county is very gratifying to the Democrats, the total affiliated vote showing an increase over the affiliated Republican vote of 805. It is also interesting to note that but nine voters registered as Prohibitionist, while there are 16 Bull Moosers, 6 Independents and 49 declined to give their party affiliation. The tabulated vote is as follows:

Braves Win Great Victory.

The Boston National League base ball team performed the remarkable feat of defeating the Athletics in four straight games for the world's championship in the recent world's series. The first two games were played in Philadelphia on Friday and Saturday. The scores were 7 to 1 and 1 to 0 in favor of Boston. Bender, Wycoff and Rudolph were the opposing pitchers. The last two games were played in Boston on Monday and Tuesday resulting in victories for the Braves by the scores of 5 to 4 and 3 to 1. Monday's game was a heartbreaker for the Athletics, who had won three successive world's championships. The game went 12 innings, and Bush, after pitching a great game for the Athletics lost the game by a wild throw to first to catch a batter. The four straight games mark a record in the base ball world and stamps the Boston Braves as the greatest base ball machine of modern times.

The attendance, total receipts, each players share, etc., is as follows:

GRAND TOTAL (FOUR GAMES).

Attendance	111,009
Total receipts	$225,739.00
National Commission's share	$22,573.00
Player's share	$121,900.94
Each club's share	$40,632 58

DIVISION TO PLAYERS.

Boston (26 men), each	$2,813.13
Athletics (24 men), each	2,031.68

UMPIRES.

Byron and Klem (N. L.), each	$1,000
Dineen and Hildebrand (A. L.) each	1,000

And manager Stallings, of the Boston Braves, gets a lifetime of glory out of it.

A Message From the State President of the Woman's Christian Temperance Union.

My Dear Boys and Girls: We are reading a great deal just now about campaigns, and some of these are of a kind that we do not feel very happy about them. War is a terrible thing, and we of the Woman's Christian Temperance Union are hoping and praying that this European war, of which we read so much in the press, may soon be ended, and that men may learn to settle their differences without the destruction of human life.

But there are other campaigns that we are glad to read about, because they are being planned and executed that the homes of the country may be made happier and safe, that lives may be saved and little children protected. This is what the campaign against the liquor traffic means, and because we need the help of every boy and girl, we are asking you to enlist as young campaigners. I believe there are thousands of boys and girls in Maryland who want to see the saloons closed, who would like to have the breweries and distilleries converted into factories that would make something to bless and comfort people, instead of something which hurts and destroys.

Come with us, dear boys and girls, help us fight this battle to redeem our State and our nation from the curse of strong drink. Let us lift our banners, sing our songs and "forward march" until the glorious victory is won.

Lovingly yours,
MARY R. HASLUP.

W. C. N. U. NOTICE.

Mrs. Carrie V. Ray, Field Secretary of the Maryland Loyal Temperance Legion, made instructive and interesting addresses at Galena and Fairlee Churches last Sunday. On Monday and Tuesday she visited the schools at Fairlee, Worton, Chestertown, Kennedyville, Still Pond, Locust Grove, Galena and Millington. At all of those she was graciously received by teachers and pupils. Her talks replete with excellent morals, held the undivided attention of all. During the school year it is hoped that Mrs. Ray may visit all the schools in the county. She is greatly interested in the work of the young campaigners for prohibition.

One of our local grain buyers told the editors this week that he thought corn would start off in price at about 70 cents a bushel for shelled.

A Good Thing for the Farmer.

L. Wethered Barroll, Esq., is doing the farmers and householders of this and Queen Annes counties a splendid service in securing reliable German laborers for the farm and family. Mr. Barroll has supplied more than fifty laborers. In some instances whole families have found employment here, and since the publication of Mr. Barrol's letter in the TRANSCRIPT he has received numerous applications for help from all parts of Kent and Queen Annes, and is supplying the labor as fast as he can make his selections. Mr. Barroll is supplying only the most reliable class of labor. They have given entire satisfaction wherever sent, and if any one wants to know anything about the quality and character of the labor, they may consult Mr. John H. Clendaniel, of Kennedyville; Mrs. Hope H. Barroll, of Chestertown, who has an entire family, or Mr. Wilbur H. Morris, of near Worton Station, each of whom has a number of laborers. This is a most commendable thing on the part of Mr. Barroll. He is doing the work for the farmer and the house-holders absolutely free of charge, and because he knows the difficulty in securing reliable farm and house labor. The TRANSCRIPT is glad to acknowlege Mr. Barroll's kindness to our people in helping them to solve a very perplexing problem, and we believe the method Mr. Barroll has adopted will go a long way towards solving the labor problem. Write to him about it. His address is Keyser Building, Baltimore, Md.

Bright Young Lawyers.

Mr. Edgar L. Dunnock, who is well-known to the people of Kent county, from the fact that he was private secretary to Hope H. Barroll, Esq., from 1899 to 1902, has entered the law offices of Messrs. Barroll & Gill, in the Keyser Building, in Baltimore. Mr. Dunnock came to Chestertown from Easton. When he left Mr. Barroll's office he settled in Baltimore where, during the day, he was employed by Edgerton Bros., and read law at night. His previous experience has fully equipped him for the practice of his chosen profession. He graduated some three years ago at the Law School of the Maryland University, and since then has been employed by the Maryland Casualty Company as its legal representative in New York State and in Canada. He recently associated himself with Messrs. Barroll & Gill in their Baltimore office, and we bespeak for him much success in the future.

Mr. Robert J. Gill is also well-known throughout Kent as the son of the Rev. John M. Gill, who for many years was stationed at the M. P. Church in Chestertown. Mr. Gill is a graduate of Western Maryland College and of the University of Virginia. He has many friends not only in Chestertown, but throughout Kent and all over Maryland. His father is one of the best-known members of the M. P. Conference. Mr. Gill is especially devoting himself to corporate law, and we bespeak for him a brilliant future.

KRIT $950

WITH ELECTRIC STARTER $1050 F.O.B. Detroit

Why Pay for Useless Weight?

KRIT lightness comes from correct design—not from skimping. 120 pounds in weight is saved by using aluminum for our crank case and transmission case. The sturdy, powerful KRIT motor weighs only 283 pounds, as against 400 to 550 pounds for motors in cars the same size and power of the KRIT. And so on—throughout the car.

Engineers tell us that the KRIT is two years ahead of its field, for it possesses, at $950, the quality features you find in cars at double the price. The sensational sales records made by the new KRIT is an endorsement by critical motorists that proves these experts right.

So, we ask you, what more can you get in a higher priced car? More weight, perhaps, but weight only adds to the expense of upkeep. More *rated* horsepower, but much of the extra horse power is used up in carrying around the extra weight—and the rest of the excess power you do not need. For the KRIT will take you anywhere you want to go. It will take you there speedily, safe and comfortably.

Learn more about the economical, dependable KRIT—the moderate priced car with the high priced features. A ride will demonstrate to you the rare quality of this car—value you can't get elsewhere at the price.
