PERSONAL AND SOCIAL.

Mrs. Annie Rickey, of Baltimore, is visiting Mrs. Fannie Wheatley.

The Misses Toulson entertained the Ladies' Embroidery Club very pleasantly at their home on High street Monday evening.

Mr. Lemon, manager of the Stam Drug Company, was quite sick for several days early in the week, but he is greatly improved and able to be at his post.

Dr. Horace W. Nicholson, of Salisbury, spent the week-end with his father, Mr. Robert G. Nicholson, at Little Grove.

Mr. James H. Shuster and father, of Wilmington, Del., visited his sister, Mrs. Wm. F. Russell, here this week, and enjoyed several days' gunning.

Miss Mary Frances Sommerville, of Washington, D. C., and Mr. Wallace Daniels, a prominent young farmer of near Middletown, Del., were married on Thursday in Rhode Island Avenue M. P. Church, Washington. They will reside near Middletown.

Mr. Willis Oneill Price and Mrs. Mary E. Hartley were married Saturday at the home of the bride in Crumpton.

Miss Dorothy Knight, daughter of Mr. Charles C Knight, of Philadelphia, and Mr. Wood Robinson, of the same city, were married in Spring Garden Methodist Church, Nov. 11. The bride is a niece of Misses Emma and Mary Knight, and of Mr. William Knight, of Chestertown.

Miss Reba Joiner, daughter of Mr. Robert Joiner, of near Melitota, and Mr. Lester Bowers were quietly married on Tuesday evening of last week at St. James M. P. parsonage by the pastor, Rev. H. B. Jester.

Miss Jannie Massey Ward and Mr. Edward W. Rice were married at Sacred Heart rectory on Tuesday morning at 8.30 o'clock by Father Ener.

Mr. and Mrs. Joseph W. Lewis, Jr., son, Henry, and Mr. Harvey G. Blyman are visiting relatives and friends in Baltimore.

We regret to state that Mrs. Frank Baxter, of Morgnec, is quite sick. She was removed to a city hospital this week for special treatment.

Mrs. J. W. Kirby and Mrs. J. W. Starr have been visiting friends in Wilmington and Delaware City.

Mr. and Mrs. Thomas W. Perkins and Dr. and Mrs. James W. Cain attended the Yale-Princeton foot-ball game at Princeton, N. J., last Saturday, making the trip in Mr. Perkins' car.

CONGRESSMAN J. Charles Linthicum has announced his candidacy for Governor, and has already begun a campaign among the people for the honor. Congressman Linthicum is the first to throw his hat in the ring, and has the support of Frank Kelley, a powerful factor in the Baltimore city Organization. Others spoken of as probable candidates are Judge N. Charles Burke, Col. Buchanan Schley, Comptroller Emerson C. Harrington and Mayor Preston. Some go so far as to say that Senator Blair Lee would like to be Governor, and may get into the fight. The race is extremely young yet, and the woods will be full of gubernatorial timber before next summer's breezes blow.

Foot-and-Mouth Disease.

The State and Federal Governments are doing everything in their power to stamp out the foot-and-mouth disease. The State Live Stock Sanitary Board is investigating every suspicious case, and yet notwithstanding the extreme vigilance of the board the disease has made its appearance on the Eastern Shore in Caroline and Talbot counties. The plague has been discovered on the farm of Thomas L. Day, at Ridgely, where there are 22 head of cattle in one herd.

It was found that 35 head of cattle had been bought at the Sixtieth street yards in New York city and shipped to the Eastern Shore. They were mixed with 18 head of other cattle and then of the whole lot 33 head were sold at auction at Queen Anne among 14 different farmers in Talbot and Caroline counties. These are all now being traced down, as it is possible that all may now have developed the foot-and-mouth disease. It is probable that these two counties will have to be placed under State quarantine.

The investigations so far made demonstrate that infected cattle have come into Maryland from three different points—the stockyards at Chicago, at Buffalo and at New York. Delaware is said to have gotten some of the New York cattle, and there is so much alarm over it that, according to a dispatch from Wilmington, the militia are being used to guard the bridges so as to make the local quarantine effective.

On the theory that hunters and their dogs may be carrying the disease from farm to farm, Governor Goldsborough has, at the request of the Live Stock Board, issued a proclamation "prohibiting the running at large of dogs, either accompanied by hunters or otherwise," in the areas affected by the foot-and-mouth disease in Allegany, Washington, Frederick, Carroll, Harford, Cecil, Howard, Montgomery, Prince George's and Anne Arundel counties.

The copeous rain of Saturday night and Sunday will go far towards filling wells, and starting late wheat to growing. It was the first good rain for more three months.

How To Use The Telephone

Did it ever occur to you that you might not be using the telephone in the right way?

Do you speak sideways, above, below, or six inches away from the transmitter of your telephone?

You should talk directly into the transmitter—not simply at it. Keep your lips about one inch from the mouthpiece. Speak in an even tone. It is not necessary to shout.

There is much that can be said about the proper way to telephone, but these little rules will help.
