Vast Exhibit Palaces Are Already Completed and Installation of World's Exhibits Begun

THIRTY-SIX GREAT FOREIGN POWERS TO DISPLAY THEIR PROGRESS IN CONCLAVE OF NATIONS UNRIVALED IN HISTORY—RAILROADS GRANT LOW ROUND TRIPS—PLAN TODAY TO VISIT HUGE EXPOSITION.

An education such as one could not receive in a lifetime will be afforded through the great Panama-Pacific International Exposition at San Francisco next year.

At this exposition the people of the United States, joined by the nations of the world, will celebrate the official opening of the Panama canal. Hundreds of years from now the world will recall the opening of the Panama canal as one of the greatest events in the history of the United States, and indeed of the whole world.

At the great exposition, which will excel any universal exposition in the history of the world, thirty-six great nations will make elaborate government exhibits. A single South American country, the Argentine, is expending $1,300,000 on its display, which will be the most comprehensive ever made by a South American country outside its own borders. Italy will show its priceless works of art; Canada will display its vast progress, and has already installed an elaborate exhibit in the huge Canadian Pavilion, built at a cost of $300,000.

The states of the Union will make wonderful displays and those who do not know this great country as well as they should know it will have the opportunity to learn more of its wealth and progress and great institutions under favoring conditions and circumstances that they could obtain in no other way.

Some of the marvels of the Panama-Pacific International Exposition are depicted upon this page. The exposition opens on February 20, 1915, and closes December 4, 1915, remaining open, therefore, almost ten months. The railroads will grant low round trips with extraordinary privileges of routing. Any railroad agent will furnish you the particulars as to the exposition. If you wish further information about the exposition, take advantage of the following offer:

ATTRACTIVE BOOK ON THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION AND PANAMA CANAL MAILED FREE OF CHARGE.

A handsome book of sixty pages, profusely illustrated in colors and giving detailed descriptions of the Panama-Pacific International Exposition to be held in San Francisco from February 20 to December 4, 1915, and of the Panama canal and canal region, will be mailed by the Exposition free of charge to all inquirers. The booklet is intended as a general guide to prospective visitors and will also contain information concerning the great engineering feat which the exposition is to celebrate. Write to the Manager, Bureau of Publications, Panama-Pacific International Exposition, Exposition Building, San Francisco, for booklet.

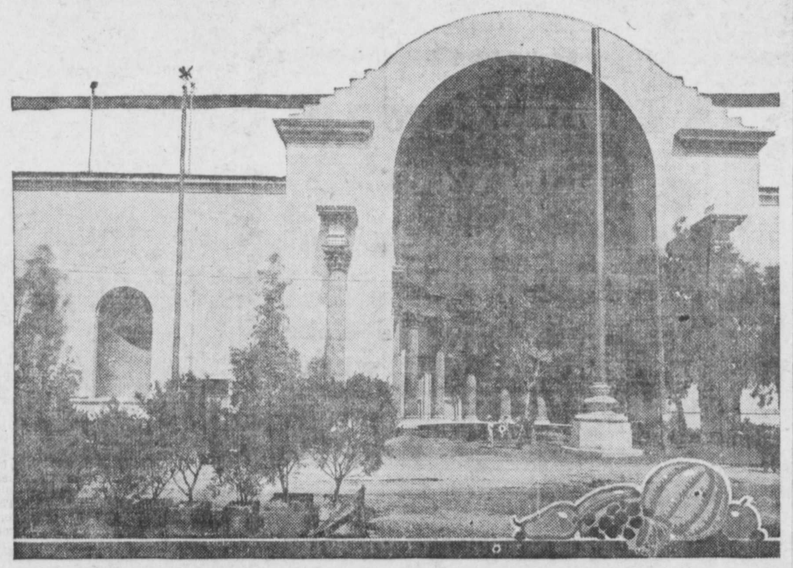

A GLIMPSE OF A FAIRYLAND IN THE GREAT SOUTH GARDENS.

Copyright, 1914, by Panama Pacific International Exposition Company.

Upon entering the main gates of the Panama-Pacific International Exposition from San Francisco the visitor will find he must traverse a vast stretch of landscaped grounds, wherein are set millions of beautiful flowers in bloom, where fountains play and groups of statuary are set at intervals. This is the great South Gardens. The photograph herewith shows the South Gardens as they are today and gives a glimpse of the fairyland which will delight exposition visitors. Thousands of rare trees, palms and shrubs have been brought from all parts of the world for the landscaping, which is carried on in that sumptuous way which the semi-tropical climate of California permits. There have been brought to San Francisco giant tree ferns from Australia, rhododendrons from England and West Virginia, tulips from Holland, banana plants from Hawaii and Central America. Large trees, some of them more than sixty feet in height and of great girth, have been transplanted to the grounds. The Panama-Pacific International Exposition opens in San Francisco in February, 1915.

ENTRANCE TO THE VAST EXHIBIT PALACE OF FOOD PRODUCTS.

Copyright, 1914, by Panama Pacific International Exposition Company.

This photograph shows the great western portal or entranceway of the huge Palace of Food Products. The half-dome is known as the Half-Dome of Vigor and is 113 feet in height. Brilliant, riotous colors are employed in the mosaic in the vault of the half-dome, which was designed by Mr. Jules Guerin, one of the most celebrated decorative artists in America. To the left are seen some of the ornamental shrubs that will be in bloom when the Panama-Pacific International Exposition opens at San Francisco in February, 1915.
