CUT THE CORDS

that bind you to your kitchen

Come down to-day and see a graphic picture of conditions that apply in kitchens that lack Hoosier convenience. The whole story is in our window.

THE NEW HOOSIER CABINET

Puts your whole kitchen at fingers' ends, and cuts your work in two. We'll put one in your home to-day **FOR A SINGLE DOLLAR.**

We start to-day to explain the new HOOSIER PLAN by which we are permitted to sell a few of these famous cabinets on surprising terms.

MOST OF THEM ARE ALREADY TAKEN

This plan differs from any other on which furniture was ever sold. Note the details.

1. One dollar puts any Hoosier you select in your home.
2. One dollar weekly does quickly pay for it.
3. The low cash price fixed by the factory prevails absolutely.
4. The is under the direct supervision of the Hoosier Company.
5. When this allotment is taken, the sale closes.
6. If you are not *delighted* with your cabinet we will gladly refund your money.

When you think of the miles of steps this cabinet saves you *every day*, can you daily postpone looking at these cabinets *until it is too late to enroll?* The time is getting short. Come in today and look at these Hoosiers. You place yourself under no obligation.

You will not be asked to buy.

unless you realize yourself the need of this cabinet in your home. But if you do not enroll, remember, some other woman will enjoy the privilege that is now yours if you enroll to-day.

Nothing you have seen will save you so much labor in your kitchen, if you act to-day.

GREAT RECORD FOR TYSON STABLES.

Newark Trainer Closes Season With 46 Wins Out of 88 Starts.

With 46 wins out of 88 starts to his credit Herman R. Tyson, the well-known local trainer and driver, has just returned home with his string of horses from the Southern circuit. This is not only the best year that Mr. Tyson has ever had on the tracks, but, in winning first money in 46 races, it is believed that he has established the record for the United States for 1914. No other driver, as far as is known, has won first money in that many races in a season.

Out of the 88 starts the Delaware driver was first or second in 70 of them, having secured second money in 24 races. His horses finished third in six of the starts, fourth in four and were out of the money in but eight of the 88 starts. This really makes the third year that Mr. Tyson has established a record for winning first money. In both 1910 and 1912 he won 41 races, which was slightly better than any other driver in the country did in those particular years. Last season he won 33 firsts.

Of the eleven horses that Mr. Tyson had out with him the past season, eight were trotters and three pacers. Every one of the eleven was marked this year, most of them clipping several seconds off their previous marks since joining the Tyson string. The trotters were: Rosebud McKenney, 2.12¼; Dick Watts, 2.14¼; Sadie Penn, 2.16¼; Miller Boy, 2.14¼; Karonie, 2.19¼; Zombro Rex, 2.19¼; Josephine the Great, 2.19¼; and Mackinaw, 2.29¼. The three pacers were: Joseph K.S., owned by Harry J. Stoeckle, of Wilmington, 2.12¼; Joe Promise, 2.15¼; and Grace Michael, 2.14¼.

Mr. Tyson opened the season at Wilmington July 15 and raced horses at the following places during the season: Wilmington, Del., Chestertown, Md., Tasley, Va., Pocomoke City, Salisbury, Cambridge, Easton, Md., Pottstown, Pa., Wilmington, Nazareth, Pa., Lynchburg, Richmond, Va., Greensboro, Raleigh, Charlotte and Tasboro, N. C., where he finished last week. The complete record for the stable for the season follows:

	Starts.	1	2	3	Unplaced
Rosebud McKenney, 1.12¼	11	10	1	0	0
Dick Watts (3), 1.14¼	7	6	1	0	0
Sadie Penn, 2.16¼	8	6	2	0	0
Miller Boy, 2.14¼	10	4	5	1	0
Karonie, 2.19¼	9	4	3	0	2
Zombro Rex, 2.19¼	9	3	3	1	1
Josephine the Great, 2.19¼	6	2	0	2	1
Mackinaw, 2.19¼	3	1	0	0	2
Joseph K. S., 2.12¼	11	3	5	1	0
Joe Promise, 2.15¼	6	3	1	1	1
Grace Michael, 2.14¼	8	4	3	0	1
Totals	88	46	24	6	4

Rosebud McKenney, which won 10 starts and was second in the other one, was a pacer up until this year and last season had a pacing record of 2 13¼. Under Mr. Tyson's management it changed its style this season and was given a trotting mark of 2 12¼. It will be entered in some of the large stake races next season.

Sadie Penn, recognized as an exceptionally good trotter, was raced carefully all season, with a view of not getting a fast record, as she was being saved for the stake races next season and was sent home early. She was second in 2.09¼, at Pottstown, Pa., and after this race her owner refused an offer of $5,000 for her.

Dick Watts, another one of the Tyson string, was raced with a view of establishing a fast record and he will go to the New York sale this fall.

As usual Mr. Tyson will have a fairly large string during the winter at the Huber stables, near Newark. He has only recentiy received several additions to his string, including Direct Spy, who is owned by a man living in North Carolina, and Search Last, 2.10¼, a pacer. Direct Spy is a trotter and he won his only start this year in 2.20¼.

How to Detect Foot-and-Mouth Disease and How to Handle it.

This disease begins with a very red and angry-looking sore between the two toes. This soon becomes ulcerated and then incrusted with dirt.

Drooling from the mouth follows. On lifting up the lips the mucous membrane will be found to be ulcerated in irregular lines, running often up into the nostrils.

The animal frequently smacks its lips. There is a falling off in weight and in the amount of milk the animal gives.

TREATMENT.

Isolate at once the animals in which the disease appears and those who have been anywhere near them.

Establish an absolute quarantine of the farm.

Do not go near or touch the cow unless you are wearing a rubber coat, rubber boots and rubber gloves. Disinfect these as soon as you leave with a 5 per cent. solution of carbolic acid.

Communicate by telegraph or telephone with the State Bureau of Animal Industry.

If the disease is found, the anima must be killed at once, as well as those which have been exposed to it. The ones that have not contracted the disease may be used for food.

Everything that has been near the cow or may have been a possible source of infection must be disinfected.
