EVEN

The boy—the unassuming boy. The unsuspecting, confiding, unsophisticated boy, is rapidly learning where to come and hand over his confidence and have his Suit or Overcoat made by dealers who have a reputation built by meritorious trading. The boy is learning his lesson by comparison with those WE'VE been serving, and they're pining their faith to people with a favorable history.

The more mature in years are not so susceptable, and having the advantage of past experiences, have learned our way of trading some time ago. This class have been coming to us from the beginning.

Our trade is increasing daily from the fact—we have shown a large percentage the superior qualties in fabrics and workmanship.

No large upkeep is the reason. Think this over and come see for yourselves.

Letter of Appreciation For Prompt Payment of $15,000 Insurance.

Chestertown, Md., Dec. 10, 1914.
MR. JAS. G. BECK, Agent,
Continental Fire Ins. Co,
Chestertown, Md.

DEAR SIR:

I beg to acknowledge the receipt of four drafts, aggregating fifteen thousand dollars, drawn on the Continental Fire Ins. Co., of New York, which is in full payment of all Continental policies on my home, which was destroyed by fire on the morning of Nov. 25th.

I also wish to thank you and the adjuster of the Continental Ins. Co. for the prompt and satisfactory manner in which you have handled this insurance, adjusted same and paid the loss.

Just two days after the fire you had the Continental adjuster, Mr. Rogers, on the scene, and just fifteen days after the fire, I received the full insurance of fifteen thousand dollars held by the Continental Fire Insurance Company of New York.

It is very evident to me that where you can cause to be adjusted and paid so promptly a loss of this size, that the insuring public may feel more than satisfied when the insurance is placed in your hands and the property covered by Continental Policies.

Yours very truly,
(Signed) MRS. E. F. S. JARRELL.

To Drive Ten Wells and Erect Tank.

The Chestertown Water Board has begun a movement which will not only furnish an abundant supply of fine water for the town but which will also afford adequate protection against fire. The board has been working upon the plan quietly for the past month or more, and they have recently obtained the consent of the State Board of Health to drive the wells and erect a 100,000-gallon elevated tank. The board has purchased Mr. Robert J. McWhorter's lot on Philosopher's Terrace, where it is at work driving the wells, and they have also purchased of Col. S. L. Wright his lot at the intersection of College and Washington avenues, where they will erect the tank on an elevation of 80 feet. An 8-inch main will be run from the pump house out Philosopher's Terrace to the road on the south of the property of Mr. C. L. Jarrell, out this road to Washington Avenue thence to the tank on the Wright lot. The tank will also be connected with eight and ten-inch piping to the 6-inch main on College avenue, thus furnishing two sources of outlet for the water in the tank in time of fire. The old reservoir, which has been the leech in the water system for years, will be abandoned. The 100,000-gallon tank on an elevation of 80 feet will furnish a pressure of 65 pounds in the business section of the town, which is regarded as adequate protection against any kind of a fire. Three wells have been dug on the McWhorter lot varying in capacity from 15 to 44 gallons per minute. It is estimated that the cost of digging the ten wells will be from $1000 to $1500. The entire improvement will cost about $15,000, and will be ready for service about April 1. The Water Board is to be commended upon this greatly needed improvement which should have been made three years ago, when the town was virtually compelled to waste $10,000 of the people's money with nothing to show for it.

OUR DEATH RECORD.

MRS. MOLLIE CARR.

Mrs. Mollie Carr, wife of Mr. Edward W. Carr, died at her home in South Rock Hall on Tuesday, Dec. 15, aged 54 years. She leaves besides her husband, two daughters, Mrs. Clara Downey, and Miss Grace W. Carr; and three sons, William, Medford and Raymond Carr. Funeral services were held from her late residence on Thursday, conducted by Rev. Mr. McGinnis, with interment in Chester Cemetery. The pall-bearers were members of Rebekah lodge as follows: Mrs. Benjamin Coburn, Mrs. Annie Carter, Mrs. Ella Thomas, Mrs. Emma Davis, Mrs. Blanche Davis and Mrs. Annie Toulson. A member of the lodge read the burial rights at the grave, assisted by Rev. J. W. Prettyman. Undertaker Charles L. Dodd had charge of funeral arrangements.

MRS. MARY CECELIA GIST.

Mrs. Mary Cecilia Gist, wife of Wm. H. Gist, died at her home in Bridgeton, Mo., on Saturday, Dec. 12, 1914. Mrs. Gist was a daughter of the late Joseph and Eleanor Gist, of Baltimore, and went to Missouri about 50 years ago. The family has been prominent in Maryland from Colonial times. Mrs. Gist leaves a son and daughter, both living in the West. Her remains were buried in Bridgeton. The deceased was by a former marriage Mrs. Joseph Turner, wife of the late Jos. Turner, of Chestertown. Their hospitable home is remembered here by many with much pleasure. She was a very active member of the P. E. Church, and a willing and capable worker in all that pertained to the good of the community.

MRS ERMER FORD.

Mrs. Ermer Ford, widow of the late Wm. B. Ford, died at the home of her daughter, Mrs. Herbert Moore, Baltimore, Thursday morning, Dec. 17, 1914, aged 60 years. Funeral service in Still Pond M. E. Church, Saturday morning, 11.30. Rev. F. X. Moore officiating, interment in Still Pond Cemetery. Bearers—Wallace, Clarence, William, Edwin, Norman and Herbert Ford, nephews of the deceased. Wm. H. Basket Ball Season.

The basket ball season at Washington College opened last Friday night with a one-sided game between Washington and Baltimore City College quints. It was Washington's game all the way, and after the first half, when the first team had put the game in the ice chest, Kibler sent in his subs and they had just about as easy a time as the first team had. The score was 56 to 19. On Saturday evening the Johns Hopkins team, with Wilkinson and Branham, last year's Washington men, in the lineup, Washington played rings around the Baltimore boys and won in a walk by the score of 45 to 6. To-night Washington's opponents will be the strong quint from the University of Pennsylvania. Washington has one the best teams in its history, and they are out for the championship. Manager Roe has arranged an excellent schedule, and Coach Kibler will see that the quint wins the majority of the games.
