The combined value of these exports was approximately $43,200,000 according to a report issued by the Department of Commerce. Practically every country on the globe bought American made autos last year. The exports to European countries were 13,357 cars, valued at $12,250,000; North American countries took 5,488 cars valued at $10,686,000; Oceania 4,996 autos, worth $4,485,000. The Revival meetings at Bond M. E. Church are in progress. Rev. E. T. Liddell, the noted singing evangelist, of Philadelphia, and assisted by Francis P. Bamber, of Norfolk, Va., are conducting this revival. Rev. Liddell is preaching fine sermons every night. He will preach three times on Sunday, Dec. 20th, at 10.30 a. m., at 2.00 p. m. He is to preach a special sermon to men only, and the evening service will be at 7.00 p. m. A cordial invitation is extended to everybody.

Field Sports.

When you keep a boy interested in foot-ball, base-ball, tennis, and the like, you lessen the chances that he will get interested in things not so good for him.

The Youth's Companion, since its enlargement, gives generous space to this matter of athletic training, and gets the best coaches in the country to write for it.

How to practice to become a first-rate pitcher, how to train for a race, how to learn the newest strokes in swimming—these and a hundred other topics of the greatest interest to boys—to girls, too, for that matter—are touched upon in this important department of the Companion.

And this is only a small part of the service which the Companion renders in any home which it enters. It has points of contract with a hundred interests.

If you do not know the Companion as it is to-day, let us send you one or two current issues free, that you may thoroughly test the paper's quality. We will send also the Forecast for 1915.

Every new subscriber who sends $2.00 for the fifty-two weekly issues of 1915 will receive free all the issues of the paper for the remaining weeks of 1914; also the Companion Home Calendar for 1915.
