

CUT THE CORDS

that bind you to your kitchen

Come down to-day and see a graphic picture of conditions that apply in kitchens that lack Hoosier convenience. The whole story is in our window.

THE NEW HOOSIER CABINET

Puts your whole kitchen at fingers' ends, and cuts your work in two. We'll put one in your home to-day **FOR A SINGLE DOLLAR.**

We start to-day to explain the new HOOSIER PLAN by which we are permitted to sell a few of these famous cabinets on surprising terms.

MOST OF THEM ARE ALREADY TAKEN

This plan differs from any other on which furniture was ever sold. Note the details.

1. One dollar puts any Hoosier you select in your home.
2. One dollar weekly dues quickly pay for it.
3. The low cash price fixed by the factory prevails absolutely.
4. The is under the direct supervision of the Hoosier Company.
5. When this allotment is taken, the sale closes.
6. If you are not *delighted* with your cabinet we will gladly refund your money.

When you think of the miles of steps this cabinet saves you *every day*, can you daily postpone looking at these cabinets *until it is too late to enroll?* The time is getting short. Come in to-day and look at these Hoosiers. You place yourself under no obligation.

You will not be asked to buy.

unless you realize yourself the need of this cabinet in your home. But if you do not enroll, remember, some other woman will enjoy the privilege that is now yours if you enroll to-day.

Nothing you have seen will save you so much labor in your kitchen, if you act to-day.

The Light-Running New Home Sewing Machines at very low prices. Also Needles, Shuttles and Bobbins for all makes Sewing Machines.

Married on Bridge at Night.

Friends here of Miss Emma Hessey, of Kent county, and Joseph Walls, of Crumpton, were surprised on Sunday to learn of their marriage last Sunday night week on the Chester river bridge at Crumpton. While chilling north wind hummed a wedding tune not as musical as Mendelessohn's march and pelting sheets of hail fell upon them like rice showers from merry well wishers, the Rev. T. E. George, pastor of Crumpton Church, read the marriage ceremony.

Instead of beautifully gowned attendants, the couple stood surrounded by lantern bearers. No flowers were there and the bridal party walked to an impromptu altar over a slippery, treacherous glaze of ice. And all this was due to the need of solving quickly a legal tangle, Miss Hessey and Mr. Walls really having planned a quiet, homelike ceremony.

As the bride was a resident of Kent, Mr. Walls procured the marriage license in Chestertown. It was decided to have the wedding take place in the parsonage of the Crumpton Church, and Miss Hessey and Mr. Walls journeyed there from her home. But the minister, the Rev. Mr. George, informed them that it would not be legal for them to tie the nuptial knot in Queen Anne's on the authority of a Kent license. He offered, however, to walk across to the Kent side of the bridge, so several lantern bearers were summoned and the bridal party proceeded to the bridge, where, to the tattoo of pelting hail, the pair were pronounced man and wife.

Mr. Walls is the son of Edward Walls, of Crumpton, and his bride is a daughter of Benjamin Hessey, of Kent county.

Profit Sharing Making Men.

Henry Ford, of Detroit, automobile manufacturer, detailed the working of the wage system he introduced at his plant at which no employe receives less than $5 a day. Mr. Ford said that since the plan had been introduced, the following benefits has accrued to the employes:—

Bank doposits had increased more than 130 per cent.

The number of life insurance policies taken out by employes and the number of homes bought by them had greatly increased.

Intoxication among the employes had decreased.

It was a rare thing, Mr. Ford said, for an employe at his plant to be arrested. The plan, he added, was based on the belief that work well done should be rewarded.

Mr. Ford said in his statement that under his plan as in operation "men were made men."
