AND

The smoke goes up the chimney just the same.

Every big tailor in America takes a crack at the International, but none can touch them in point of value.

It can't be done.

They quote the International prices, but they can't duplicate the styles, the fabrics and the workmanship that goes with our made-to-measure clothes.

Just now we're running a special sale on Suits and Overcoats—eighty-five good styles from last season, and quite a number from the new line at a saving to you of $2 to $6 on a suit or overcoat. Come see.

Rivals may talk big, run sales, cut prices and brag about their values, but you'll always notice that so far as we are concerned the smoke goes up the chimney just the same.

Respectfully,

W. E. MOODY,

Special Representative for Kent and Queen Annes Counties of the International Tailorng Co. of New York, Chicago and London, : : : : :
