Received notice from the American Steel and Wire Company that all kinds of wire has advanced, but if you come now you can get it at the old price.

NOTICE!

We have been giving our customers 2 cents above market price for EGGS on Wednesday, but have not been able to wait on them properly and promptly, some getting waited on and some not, just getting a due bill and saying that they will be back later in the week. So we have decided to allow 1c above market price for eggs the whole week.

SA BOTTOM DEPARTMENT STORE!

DRASTIC DRUG LAW NOW IN EFFECT

National In Its Scope And Directed Against Use of Narcotics.

The drastic law enacted by Congress to prohibit the sale of narcotic drugs became effective on March 1st. It is aimed against the sale of all injurious drugs, and imposes heavy penalties upon druggists and others found guilty of violations.

The new statute relates specifically to the handling of opium and cocoa leaves, or any compound, manufacture, salt, deriva ive or preparation thereof. It therefore, includes morphine, codein, heroin, cocaine, eucaine, etc.

Under this law physicians prescribing and druggists selling these preparations must register with the collector of internal revenue and pay a special tax of $1 per year. It is unlawful for any person to produce, deal in, dispense, sell, give way, or have in his possession any drugs coming under the law without registering.

Druggists, or any other dealer must purchase from the collector of internal revenue order blanks, in lots of ten or more, at the rate of $1 per 100. Whenever they wish to purchase narcotic drugs coming under this law, they must make out their orders in duplicate, retaining one on file. Druggists must make a correct inventory of all stock of narcotic drugs and preparations coming under the law on March 1, and must verify same under oath not later than March 5.

Druggists must also keep an account of all purchases and sales of these drugs thereafter. These drugs cannot be sold by druggists or other dealers except upon the regulation form, and duly signed by a person properly registered. All prescriptions must be dated and signed with the full name of the physician, stating his registry number, the location of his office, and the name and address of the person for whom prescribed. Druggists must refuse to fill prescriptions unless so signed.

The new act prescribes that no medicine may be dispensed without a doctor's prescription where the preparation contains more than 2 per cent. of the narcotic to the fluid or liquid ounce. It applies to opium or lesser known narcotics—heroin, cocaine and codein. All prescriptions must be kept for two years by the druggists, and their records are subject at all times to inspection by the government in an effort to detect frauds and forgeries.

A fine of $2,000 and five years' imprisonment are penalties for violations of the act.

Kennedyville Items.

The regular meeting of the Kennedyville Grange, No. 244, held a special meeting in Weer's Hall, on Saturday last, when three candidates were given the third and fourth degrees. Our Worthy Lecturer had prepared a splendid program, to which quite a few visitors came and enjoyed. At the close of the program a splendid supper was served to all present, which was greatly enjoyed. The next meeting will be held in the hall on Monday next, at 7.30 P. M.

We are sorry to report Dr. James W. Urie on the sick list at this time, and hope he will soon be quite well again.

Mrs. Towney Crew and Mrs. George M. D. Glenn spent Sunday with their sister, Miss Lulu VanDyke.

The entertainment will be given in Weer's hall on Saturday, March 27th, and not the 20th, the change in the date being made on account of sickness.

Mr. and Mrs. E. L. Redmile and Mr. and Mrs. H. S. Redmile and family motored to Wilmington, Del., and back on Sunday last.

Mrs. John D. McCabe left on Monday for a short visit to her parents, Mr. and Mrs. Hall, of Whaleyville, Md.

Miss Mabel Hague, who has been on the sick list for the past few days, is able to be out again.

Master Arthur Cleaver met with an accident one day last week. While playing on the school yard he fell and one of the boys fell on him and broke his collar bone. We are glad to know he is getting along as well as can be expected.

Mrs. E. T. Othoson spent Wednesday last a guest of Rev. and Mrs. Frank S. Cain, at their home.

Miss Alice Walter, of Middletown, Del., is spending sometime a guest of Miss Nellie Othoson.

Mr. Baldwin Weer is still suffering with a gathered ear.

The following will be the order of service in the Methodist Protestant Church on Sunday next, March 21st: Sunday school 9.30 A. M.; preaching 10.30 A. M. and 7.45 P. M., by the pastor, Rev. Frank S. Cain; Christian Endeavor 7.45 P. M.

The program opened with a reading by Miss Mabel Cleaver, entitled: "The Ever Faithful Few," which was very much appreciated, followed by a solo by Miss Nellie Othoson, "It's a Long, Long Way to Tipperary," which was followed by a humorous selection by Miss Anna Melvin, entitled: "The Blessings of a Forgittery," which was most delightfully rendered. Miss Lillian Cornelius read very entertainingly. The lecturer asked of a number present, "Who would you rather be if you were not yourself?" and the answer given implied a blissful content with their own individuality, which seems to prove that Kent is the proverbial "garden spot" to produce such a satisfied state of mind

The remainder of the afternoon and the early evening were spent in most enjoyable social intercourse, and in serving a most tempting and bountiful supper, of which about ninety persons partook.

The master and lecturer have undertaken their work with much earnestness and we should have a most profitable and interesting year in our grange work. The lecturer is planning some interesting and helpful programs for the near future.

What Your Neighbors Say

If you are in doubt about telephone service for your home take a local telephone book and run your eye down the list of subscribers. Note the names of your friends, acquaintances and neighbors.

Do you suppose they would have telephone service in their homes if they did not find it decidedly worth while? Call on a few of these neighbors. Ask them what use they find for a telephone. They will tell you of things that can be done by telephone that perhaps you do not realize.

Ask the Local Manager
