SPRING
Fashion Display
OF J&K SHOES

THE FIRST PEEP

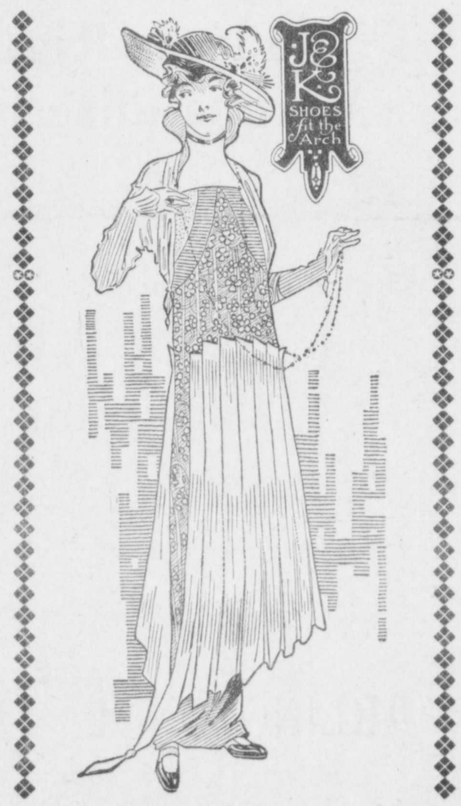

Even though you are not ready to purchase, we invite you to come just for a peep at our spring fashion shew of dainty footwear.

Chic models of the famous J. & K. Pumps are pictured here. Many more—all fairly sparkling with the budding springtime spirit—grace our display.

You will find a distinctive style to suit your individual taste, at the price you wish to pay. An early visit insures a wide selection.

SPRING MILLINERY

Without a formal opening we wish to announce to the public that our spring millinery is ready for your inspection. We assure you that a most pleasing exhibit of the newest and best will greet you.

But we suggest that you make your selections early, so that beautiful Eastertide will arrive with the hat question satisfactorily disposed of.

What Are the New Spring Materials for Dresses?

The answer to this burning question can be found by an inspection of the goods at this store.

The most favored fabrics are Taffeta, Faille, Crepe de chine, Voile, Covert Cloth, Serge and Gabardine.

White leads, but black-and-white mannish mixtures, and sand, putty, Dutch blue, battleship grey, golden brown and navy are also good.

You will be able to get a comprehensive idea from our complete display.

CHESTERTOWN, MARYLAND.

THE J&K SHOE FITS THE ARCH

Millington Items.

The sound of the fish horn is again heard in the land, a sure harbinger of spring.

We have a real live council of the Daughters of America in town, thoroughly organized and working finely. This patriotic and fraternal order deserves the consideration and patronage of the ladies of the community. Besides the support it gives the flag of our country and standing for the best in our free school system, it carries a weekly sick and death benefit, at a nominal cost, which is worth consideration. Ladies and members of the Jr. O. U. A. M. investigate.

Elder Baer, of Baltimore, representing the Seventh Day Adventist Church, visited Millington last week and delivered three very interesting and instructive addresses. He expects to come again in the near future, when he hopes to receive several candidates for baptism.

A town election for one commissioner to serve for three years, was held in Millington on March 13th, and Benjamin W. Duling, the retiring member of the board, was re-elected, thirteen votes in all being cast. The citizens of Millington were too busy to bother with a town election.

Little Norman Cox Higman, son of Mr. and Mrs. Norman Higman, of near town, who has been quite sick, we are glad to report improving. Mrs. Annie Cox, his grandmother, of Barclay, has been with him during his illness.

Mrs. James Bryan, widow of the late John Bryan, of Millington, died at her home on West Cypress street, Wednesday morning, March 17th, after a serious illness of a few weeks. Mrs. Bryan has been an invalid for several years. About ten years ago she fell and injured herself, after which she was obliged to use crutches and a wheel chair. During all these years she has had the faithful and loving attention of her niece, Clara. Mrs. Bryan leaves a host of friends, who regret her demise. Funeral arrangements are incomplete at the time of writing.

Mr. H. M. Hynson, of Church Hill, has succeeded Mr. Julian T. Power in the drug business, who will shortly remove to Chestertown, where he will practice optometry, in which he is an expert, and the grinding of all kinds of optical goods. Mr. Hynson will retain Mr. Earl A. Stafford, who has been with Mr. Power for several years as his clerk. Mr. Hynson will carry a full line of drugs, toilet articles and stationery. Stop in and meet him. The community at large and many personal friends regret to lose Mr. Power as a citizen. He goes with the best wishes of all.
