THE HUB, ::: MILLINGTON, MD.

THE Baltimore City News says the best indication that Senator Lee's candidacy for Governor is making great headway is the frightened feeling which the John Walter Smith element of the party is showing to an alarming extent. This feeling will become much more acute as the campaign progresses, and the forces begin to line up for the fray.

AUTOMOBILE Commissioner H. A. Roe has announced another drastic rule for the prevention of automobile accidents. Hereafter the taking of a single drink by the operator of a motor car during the time that he has the car out for use will be held sufficient reason for the revocation of the operator's license. That is a splendid rule on the part of Commissioner Roe. The greatest menance to the traveling public is a drunken chauffer.

AT LAST

Here is a powerful little machine which does the work of five horses—never gets tired—costs less for fuel than horse feed AND STOPS EATING WHEN IT STOPS WORKING.

Because it travels continuously and faster than horses, ONE MAN with the BULL TRACTOR can plow more than TWO MEN with two three-horse teams. Pulls your Plows, Seeders, Harvesters, Mowers Drills, Disks and then does any belt work requiring up to twelve-horse power. Guaranteed as long as you own it. Saves you money every day you use it.

Write at once for Descriptive Illustrated Booklet and special offer to farmers.

A Public Demonstration will be given upon the arrival of a carload lot now in transit. Full particulars as to time and place announced later.
