The Transcript

MR. COPPER "April fooled" the Kent News in the announcement of his candidacy for State Comptroller.

SENATOR BLAIR LEE'S candidacy for Governor is gaining ground every day. The Organization is up in the air over his candidacy.

LOOK out, Willie, the comptrollership "feelers" are about to hit solid ground, and they will make you think a thunder storm has struck you before they are through with you.

WE ARE TOLD that the Organization faction will defer the selection of a candidate for State Senator until after the April term of court. It is possible that some case in court or some flaming bursts of victory from the trial table is going to develop the Moses who is to lead the children of Israel out of the wilderness of extravagant law making?

THE Organization has been blowing its head off about what it has done for the interests of the oystermen, and to-day oysters are selling for 6 and 12 cents a bushel in the bay and river. If the Organization keeps on doing things for the benefit of the oystermen they wont be able to make half a living in a year or two. That's the truth, Mr. Oysterman, and you know it.

WHEN you see a man on a newspaper trying to destroy the character and reputation of a man who is politically opposed to him by appealing to the ignorance of men, beware of him, he is a suspicious character. But when you know that a man or a newspaper is indulging in a fair and honest criticism of the political record of a man or a newspaper, encourage it, for it is only by such criticism that the people can be educated to the real condition of affairs in their body politic.

EVERY newspaper in the State of Maryland not bound hand and foot to the State machine by the ties of a political office, or other selfish considerations is urging the voters of their respective counties to free the people of the slavery of machine rule, and place in control of the county governments men who have the real interests of the people at heart. Wake up, Mr. Farmer and business man. Let's get at the man who has fought your interests in the next primary.

Two of the Anti candidates took a spin through one of the districts last week, and they report conditions fine for a great victory for the Antis in the primaries in September. They say the bad record of the Organization representatives in the last Legislature is what has put the people against the Organization. They are too extravagant. They make the people pay all they can rake and scrape in taxes, and then take all the good fat jobs for themselves and give the rank and file of their faction nothing but high taxes.

WE FEEL quite sure that the announcement of Mr. W. Bradford Copper for State Comptroller, which appears in another column, will reach the heart of every Democrat in Kent county and the State of Maryland who wants to see the offices of the State in the hands of competent and efficient officials. The TRANSCRIPT wants every voter in Kent county to read Mr. Copper's announcement, and we shall give good and sufficient reasons for Mr. Copper's candidacy in our next issue. Read the announcement and get posted.

THE friends of Mr. Harry Davis in the Second District, and elsewhere throughout the county, are urging him to become a candidate for the State Senate. Mr. Davis is one of the best business men in this county and his association with the farming interests of the county is such that he would make a most acceptable representative in the State Senate. Mr. Davis has never held but one political office, that of County Commissioner, and he gave the county one of the best administrations it has ever had in that office. He is intelligent and a man of excellent judgment, and his many friends throughout the county hope he will consent to be a candidate.

A VERY WEAK DEFENSE.

In its mad and dishonorable purpose to seek to destroy the character of Mr. Barroll, and the reputation of the TRANSCTIPT, the Beck organ last Saturday published the weakest defense of Boss Beck we ever read. It accused the TRANSCRIPT of saying that Mr. Beck is a *thief*, referring of course to the interview given by Hope H. Barroll, Esq., to the Baltimore Sun, which interview was reprinted by the TRANTCSIPT, in an issue of two weeks ago. The TRANSCRIPT, is no more guilty of indulging in personalities than is the Sun, for the language was the language of neither paper. But since the question of Mr. Beck's nomination has been reopened by the Beck organ in an unwarranted charge against the TRANSCRIPT, we want to state the words of ONE OF THEIR OWN JUDGES OF ELECTION, which he made in a store in a certain town in this county, *after he had read the interview published in the* TRANSCRIPT. This judge of election stated in the presence of a number of witnesses, among whom was his associate judge of election, whose names we can furnish if necessary, and who heard every word he said of the following statement: "IF WE HADN'T COUNTED THOSE VOTES IN THIS PRECINCT FOR BECK, HE WOULD NOT HAVE BEEN NOMINATED."

Evidently the TRANSCRIPT is not the only one in Kent county who believes that there was something awfully suspicious about Boss Beck's nomination, FOR WHEN ONE OF THEIR OWN JUDGES OF ELECTION MAKES A STATEMENT LIKE THE ABOVE, WHAT ARE YOU GOING TO DO ABOUT IT? It is not at all strange that this thing should bob up in this campaign, for when the Organization is encountering such a difficult task to find a candidate for the State Senate, it is very natural that the people should endeavor to seek a reason for that difficulty.

THE name of Mr. Fred G. Usilton has been frequently mentioned during the last several days in connection with the State Senate. Mr. Usilton is one of the editors of the Kent News and the claim is made that he will make a strong candidate.

PEOPLE'S COLUMN.

Galena, Md., March 27, 1915.

MESSRS. EDITORS OF THE TRANSCRIPT: I would like for the editors of the Kent News to explain to the public some of their personal attacks upon Mr. E. C. Walters, also the difference in accusing Senator Beck of theft and accusing Mr. Walters of the same; although no one has accused Senator Beck of theft, and no self-respecting gentleman would accuse Senator Beck or Mr. Walters, either. But the editors of the Kent News did accuse Mr. Walters of pocketing $1,135 of the people's money. They were not satisfied with accusing him through the columns of the Kent News, but they struck off circulars and filled the private mails full of these misleading and untrue statements. Mr. Walters has called the editors' attention to these attacks upon him several months ago, and asked them to place him in the right light before the public. But, no; they leave Mr. Walters stand branded as a thief before the public. Oh, what a christian spirit! Please tell the public what opportunity did Mr. Walters have to pocket the public's money. He was simply a hireling, or clerk to the assessors with no opportunity whatever to get one cent only as it was paid him for his services rendered.

Now, if every man had to return to the State or county treasury the money he received, directly or indirectly, for his services, I am sure some of our editors would be left very poor; just as poor as Mr. Walters, who pocketed $1,135, as the editors put it.

Now, I do not wish to engage in any controversy whatever; nor do I propose to accuse any one of theft, because such is beneath the notice of respectable people. I simply want to freshen the memories of the editors. Hoping they will practice their own advice by plucking the beam from their own eye before trying to find the mote in the brother's, I am,

Very truly yours,
FIRST DIST. DEMOCRAT.

Date of Athletic Meeting.—The date fixed by the Public Athletic League for the county school athletic meets has been released for publication. Kent county's date is April 16, 1915.

WEARING BROWN'S STAR 5 STAR LINE THIS SEASON.

Merchants only of established reputation handle the Brown Star 5 Star line of Shoes. Fashion leaders recognize them as being correct in styles always. They are made in the 16 largest factories in the world devoted exclusively to making Men's, Women's and Children's Shoes.

White House Oxfords

ARE MADE FOR BOTH MEN AND WOMEN

The same scrupulous care, the finest of leathers and other material, the same good taste in the styles, are to be found in both the Men's and Women's White House Shoes. You will also find the same fine shoe-making—the careful painstaking attention given to the little points about the shoes that make them so different. That is why we can recommend them to you, knowing you will be satisfied.

These oxfords and shoes are made in a wide variety of styles and leathers by Brown Shoe Co., Inc., one of the greatest manufacturing institutions in the World.

A POINT
WHY YOU SHOULD WEAR THE BROWN STAR 5 STAR LINE EXCLUSIVELY:

My friends have asked me why I do not deal with the Baltimore markets. To be frank I will tell you. In the first place the Brown Star 5 Star trade-mark line is more comfortable than any others. For instance, we have for the men White House Shoes in bench work, "President and nation's quality." For the women we have White House "Mansion and Usona Shoes;" for the boys and girls we have the Celebrated Buster Brown line, and for the little tots we have the Baby Buster line.

Now, if they are not Brown Star 5 Star line, a man may buy one brand of shoes for himself, another for his wife and still another for his children. What a task he would have to have them all made right if there should happen to be any flaws. Now, that's the reason why I handle the Brown's Star 5 Star line exclusively.
