The State Grange will meet in annual session sometime in December of this year in Salisbury.

Mr. Harry Myer, of Pennsylvania, a graduate optician, has accepted a position with Jeweler J. S. Kreeger.

The Chestertown Gas Co. is a growing institution. Mr. John Lowener tells us that they now have about 350 users of gas and that the company is growing rapidly.

Spring Lambs sold on the wharf in Baltimore last Monday morning for $5 and $5.50 with 17 cents freight to be deducted. They could have been sold right home here to local buyers for $5.50.

Mr. Arlington L. Sparks has exchanged his old car with Mr. Reynolds, of Townsend, Del., agent, for a fine 1915 model Studebaker. It arrived this week and is a dandy.

April is the month for getting out your chicks for fall layers. Our advertising columns contain information relative to the best laying strains of chickens in the country. Look them up on page 5 and take your pick.

Mr. J. H. Sides, agent, delivered to Miss Ella Thomas, of Rock Hall, and Mr. A. N. Stavely, of Lynch, fine 1915 Maxwel touring cars this week. Mr. Sides has just received a carload of these fine cars, which he will shortly deliver.

The Woman's Club will hold a special meeting in the office room of the Imperial Hotel known now as the "Rest Room," at 2.30 P. M. on Easter Monday, April 5th. At 4 o'clock, tea will be served to all county and town friends who may wish to visit the room. A hearty welcome is extended to all.

Mr. Harrison Cornelius has sold to Messrs. Chas. O'Neil, John H. Moffett, Mrs. E. C. Bowers and Thomas B. Newcomb, four building lots from the M. P. Church lot to Lych corner, upon which three new residences are being erected by the hustling firm of Stavely & Bowers. Mrs. Bowers will build on her lot in the fall. Hurrah! for Lynch. She is enjoying a building boom.

Mr. Powell Peacock, the well-known trainer, of Middletown, Del., arrived at Radcliffe Park track this week, with the advance guard of a splendid string of horses which he will train for the spring and summer races. Mr. Peacock had a most successful year on the turf last year, and you can just bet that he will be heard from the present season. Among the horses are Princess March, 2.14¼; May Bird, 2.12; June Bug, 2.14¼; No. 2, 2.19; Lady Dewey, no record, and a green colt, by Director General, from which great things are expected at the track. PAIGE

"The Standard of Value and Quality"

Be Sure It's a Paige

IT makes no difference whether it be the Glenwood Four "36" or the Fairfield Six-"46."

They are both Paige cars—both "the standard of value and quality."

You, alone, must decide whether your needs call for a seven passenger, six-cylinder car of 124 inch wheel base, or a four-cylinder car of 116 inch wheel base seating five people.

A choice between these two cars should be governed entirely by your requirements.

But—whether four or six cylinders—be sure it's a *Paige*. That name is the most important thing you can buy.

If it's a Paige it means that you are buying more dollar for dollar value than can be found anywhere else in the automobile market.

If it's a Paige it means that "you can't buy more—you won't be satisfied with less."

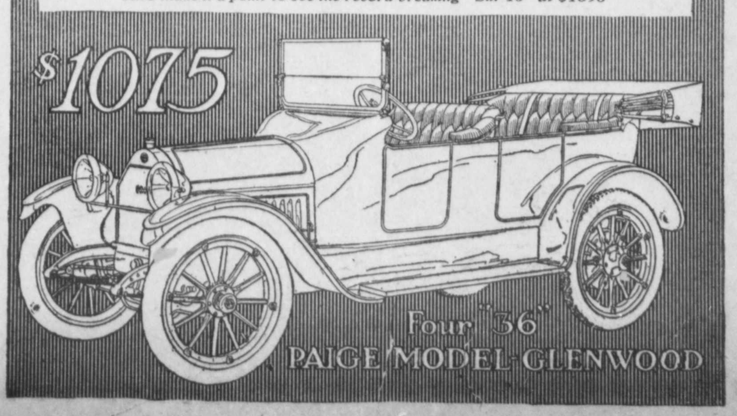

Pride of ownership—Satisfaction—Service. These are the really important things that you can buy in a Paige car.

So, make your choice—but be sure it's a Paige.
