A VOICE FROM CECIL.

Under the caption "A Wise Decision" the editor of the Cecil Whig, Senator Williams, who was in the last session of the Senate with Boss Beck, has the following comment upon Mr. Beck's decision not to run again:

"State Senator Beck, of Kent county, has announced that his mind is definitely made up not to be a candidate for re-election. Which decision is, under the circumstances, most judicious. Senator Beck's record in the last Legislature would hardly give him a chance to be returned, unless our good neighbors over in Kent are prepared to stand for most any old thing. We presume that record suited Senator Beck and doubtless it suited the Democratic machine with which he is identified. But it could hardly suit the people at large, either in his county or State. We congratulate Senator Beck on his decision 'not to run again.' However much we dislike Senator Beck's political performance, we are glad to give him credit for knowing enough to 'get in out of the wet.'"

The TRANSCRIPT has been accused of lying and all sorts of misrepresentations, and last Saturday we were accused of indulging in personalities and knocking. But here is a statement from a fellow senator—a gentleman who sat in the Senate chamber throughout the last session with Senator Beck, watched his every act, and had ample opportunity to know how ardently Boss Beck espoused the cause of the John Walter Smith machine against the people. Senator Williams says: "Senator Beck's record in the last Legislature would hardly give him a chance to be returned, UNLESS OUR GOOD NEIGHBORS OVER IN KENT ARE PREPARED TO STAND FOR MOST ANY OLD THING."

Now, Senator Williams, we thank you for your unintentional defense of the TRANSCRIPT. We are glad that a man outside of the county, who was there and saw all that went on, has spoken. We are glad that the people of Kent county have been given this opportunity to learn how the Kent News is seeking to destroy the character of honorable men by appealing to the ignorance of a certain class of our voters in its weak defense of an exceedingly bad political record of its Boss. Now then, if Boss Beck's record was such as a fellow Senator declares it was, the record of the two delegates, Howard Turner and Robert A. Shallcross, was equally as bad, for Boss Beck had absolute control of their actions, and since it is practically certain that Mr. Turner will be the Organization candidate for the State Senate, he will not only be compelled to explain *his* bad record in the last Legislature, but he will be forced to swear his allegiance to Boss Beck in order to receive his support in this campaign. Now if that ain't a case of the pot calling the kettle black, what is? Beck is Turner and Turner is Beck.

Worton Grange Notes.

Worton Grange held a most profitable and enjoyable business and social meeting at the grange hall on last Monday night. The regular order of business was made quick work of so as to devote more time to obligating two candidates who had been voted on favorably for membership. Reports from the various committees were received and everything is in apple pie order in this grange. The lecturer then took charge of the meeting, and as usual had prepared an interesting programme to which several grangers from Fairlee and Kennedyville took part; and this part of our meeting being open to outsiders, quite a good many of our friends enjoyed this social feature with us. The programme opened with singing "Stay on the Farm," followed by roll call, responded to by each member having some recitation, either humorous or otherwise. This was quite a pleasing part of our meeting, as some were quite worthy of mention, but time and space do not permit. Sister Jewell then read a beautiful selection of community work and what can be accomplished in that way. Sister Fletcher, of Fairlee, being always willing and ready, read a very amusing piece on the sermon of a darky preacher. Music by Bro. Theo. Jewell on the violin, accompanied by Sister Florence Jewell on the organ, entertained us delightfully, while the committee on refreshments, Sister Turner, Sister Clark and Sister Mary Parsons, assisted by a few others, sumptuously served us with ice cream and cake. The hour was then getting late, but none seemed in a hurry to go, so we chatted until the wee small hours, and then all wended their way to their homes, after having spent a very enjoyable evening. Meeting next Monday night as usual at 8 P. M.

KENNEDYNILLE GRANGE NOTES.

The Kennedyville Grange held an interesting meeting last Monday evening. One new member received the third and fourth degrees. During the lecture hour the Worthy Lecturer called on nearly all present for views on the topic for the evening, namely: "The Feeding and Caring for Poultry." First the different breeds were discussed. Buff Rock and Rhode Island Red chickens seemed to have the preference, as they are large, dress well, lay well, are gentle with young chicks and make good mothers. The most approved food for turkeys seemed to be cooked and raw oat meal, pone and eggs. It was stated that grease would kill turkeys if used to destroy vermin, and that fish berries and alcohol should be used. As a disinfectant crenoid was recommended. The roosts should be sprayed about an hour before roosting time. A crooked breast bone was an evidence of weakness. Ducks were considered but little trouble and not the expense some thought. One successful duck raiser said that at first she fed them on scalded clabber only, and later varied it with bran mixed with water. She keeps the ducks in coops until they are large enough to drive in hen house. Next Monday evening there will be a social meeting for the young people.

A Word With Women.

Valuable Advice for Chestertown Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's kidney Pills have won the praise of thousands of women. They are endorsed at home—Read this Chestertown woman's convincing statement.

Mrs. A. A. Spark, High street, Chestertown, says: "I have used Doan's Kidney Pills and they have given highly satisfactory results. I strongly recommend this remedy."

Mrs. Sparks is only one of many Chestertown people who have gratefully endorsed Doan's Kidney Pills. If your back ashes—if your kidneys bother you, don't simply ask for a kidney remedy—ask *distinctly for Doan's Kidney Pills*, the same that Mrs. Sparks had—the remedy backed by home testimony. 50c all stores.
