BOSS BECK reached home on Saturday, and was at his office on Monday. The faithful from the districts were on hand Tuesday, and they got some political instruction.

THE Boss of the Organization has asked *five* men in the Fifth District to run for the Legisiature and not one would bite. They can't beat Jefferson D. Ayres down there, and to tell the truth the Organization is in disfavor in the Fifth.

Pomona Items.

Mrs. Bartus Trew and son, of Baltimore, spent the Easter holidays with relatives here.

Mrs. D. W. Ingersoll has returned home, after visiting her mother, in Chicago.

Mr. W. L. Faulkner, who has been quite sick with pneumonia, is much better at this writing.

Mr Ralph Shinn and sister, Miss Helen, spent the Easter holidays in Wilmington, Del.

Mr. C. C. Brown, Jr., of Philadelphia, was the guest over Sunday of his parents, Mr. and Mrs. C. C. Brown.

The community is very sorry to lose their popular and successful pastor, Rev. O. B. Rice, and wife, who was transferred to Delaware City. They left Wednesday for their new charge, all wishing them success.

Mr. George Townsend has purchased the blacksmith business from Mr. E. C. Stafford and will conduct the business at once. Mr. Stafford expects to remove from Pomona and engage in the oil business.

The number of sheep in the 36 farm states, which do not include any in the Western Division, could be increased by 150 per cent, it is estimated, without displacing other live stock. Some authorities believe that the increase could be even as much as 500 per cent without serious interference with the number of other animals. An increase of 150 per cent in these 36 states would mean in money $144,267,000. In a new publication of the Department of Agriculture, Farmers Bulletin 652, the responsibility for this loss to the country is laid upon the sheep-killing dog.

PAIGE

"The Standard of Value and Quality"

Why the Paige is Supreme

THE Paige Fairfield "Six-46" has everywhere proven the most popular six-cylinder motor car—of any price—on the market this season.

Many elements enter into that! The beauty, power, comfort, unequalled quality, riding-luxury and supreme value are obvious reasons. There is another reason, that is the public knowledge that the Paige "Six-46" means real economy. If you have seen the new Paige Six "46", you can readily understand why the item of Depreciation on this car is bound to be a small one. This car is one year ahead of the field. It is not an old model "dolled" up with a fictitious 1915 label and a fictitious price. It is refreshingly *new* in lines, design and equipment. It belongs to no "school" for it is rapidly establishing a school of its own—*the School of 1916.*

The Paige Glenwood "Four-36" has this season easily retained its supremacy—for value and service—among the medium-priced four-cylinder cars.

Whether buying a "Six" or a "Four", the Paige Purchaser is satisfied that he is buying the Supreme Value. There are five Cardinal Reasons for Paige Supremacy. They are:

FIRST—Paige Design. It is the popular comment everywhere that the Paige "Six" is the most distinctive looking car as well as the most beautiful car produced this year. Its lines are an adaptation of the best European designs. It looks distinguished aristocratic, "smart" and powerful. The Paige Glenwood has the same individuality. No matter where you see a Paige Car—bowling down the road or parked on the curb—you recognize Paige Character instantly.

SECOND—Paige Comfort. The Paige "Six" has a wheel base of 124 inches. It accommodates seven passengers luxuriously in its ample seats of soft leather upholstery. Its cantilever spring suspension gives it that marvel of easy riding over all kinds of roads. It is equipped with the Gray & Davis electric lighting and starting systems which means the fullest realization of luxurious motoring. It has the modish one-man top. The Glenwood "Four-36" seats its five passengers in comfort. It is also distinguished for its easy riding. It also has the Gray & Davis equipment. It is in every way to the "Fours" what the Fairfield is to the "Sixes"—Supreme.

THIRD—Paige Power. We believe that the Paige-Continental motor (3½x5¼) of the Paige "Six" is for this car the most ideally powerful and most flexible motor in the world. The Rayfield carburetor adds the highest factor of ease of control and reliability. But Paige "Six" or Paige "Four", when you sit behind the wheel you sense the tremendous power that flattens out hills and sweeps you buoyantly over any road conditions. Paige Cars are equipped, too, with the Bosch magneto—the world's standard ignition—the multiple disc cork-insert clutch.

FOURTH—Paige Economy. Whether it be a Paige "Six" or Paige "Four," you KNOW that the soundness of Paige Design and the Excellence of Paige Materials and Paige Workmanship mean Economy to YOU. That is Economy in Operation—which is gasoline and oil—and Economy in Maintenance—which means small repair bills and continuous, year-round Paige Service. A Paige Car is always and everywhere an asset.

FIFTH—Paige Value. Our answer to that is a question—two questions: Do you know of any six-cylinder, seven-passenger car offering any such high-grade features as detailed above that you can buy for a price within $200, yes, or $300, of the price of the Paige "Six"?

That price is $1395

Again, do you know of any four-cylinder, five-passenger car offering such high-grade features as detailed above that you can buy for a price within $200, yes, or $300, of the price of the Paige "Four"?

That price is $1075

See these Paige Cars. Make your own comparisons. If you do that, we know what your selection must be. You will say—as the whole country is saying—"I think I'll buy a Paige."
