WHAT ARE THE DUTIES OF AN OP-TOM-E-TRIST?

The duties of an Optometrist are first to make an external and internal examination of the EYES, and if any diseased condition exists, the patient should be sent to the family physician or the Oculist. If the EYES are in a healthy condition, we then proceed to correct the defects of vision by the latest and most up-to-date methods, and fit GLASSES to correct any defects.

Are you in "Kent County And Those Who Make It"?

DRESS WELL

Every Man Should Dress Well.

There's no reason why not, when a beautiful, smartly tailored suit made from fine quality wool, worsted or cassimere can be bought here as low as $12.60, $15.00, $16.00 and $18.00, made to your measure, made from your own choice of 500 patterns, cut to your own model and made to comply with your own individuality.

Have your suit look and feel as though it belonged to you, and for less money than you can buy same qualities in ready-mades.

No expense, comparatively, to do business, is why.

Respectfully,
W. E. MOODY,
Special Representative for Kent and Queen Annes Counties of the International Tailorng Co. of New York, Chicago and London,
(Next to Robert McWhorter's)

SENATOR LEE IN KENT.

Meets Many Voters and Gets Numerous Promises of Support.

Senator Blair Lee, candidate for Governor, in the approaching Democratic primaries, came to Chestertown on the Sunday evening train and registered at the Voshell House. He was the guest of Hope H. Barroll, Esq., in his office during the evening and met quite a number of the prominent citizens of the town. On Monday morning Senator Lee was up with the lark and bright and early he was in search of former acquaintances and new ones as well. He called on former Senator Wm. M. Slay, at his home on Maple avenue, and renewed a warm friendship which was formed in the Senate some years ago. Senator Slay accompanied the distinguished guest on a short tour of the town introducing him to many of the town's most distinguished citizens, among whom were many who had supported the Senator in his campaign for Governor four years ago. Senator Lee spent the remainder of the morning mingling among the crowd from the country which had assembled on the Court House green, prior to the convening of the April term of court. Senator Lee had with him that pleasant, genial smile, which has won him many a vote in former campaigns and wherever he went his warm hand grasp and pleasant word made a great impression upon the voters. Senator Lee has a warm spot in the affection of the voters of this county regardless of faction and there is not the slightest doubt that he will receive a big majority in Kent county. The Senator was much pleased with his reception in Chestertown, and stated that his visit this time was merely to feel the pulse of the people. He was so much encourged that he will come later and discuss with the people the campaign he proposes to wage. In the afternoon, accompanied by Mr. W. Bradford Copper, his running mate for State Comptroller, and W. H. Hadaway, candidate for clerk, and a representative of the TRANTCRIPT, the Senator made a short tour of the towns of the county. He returned to Chestertown in the evening and later left for Centreville, where he spent the next two days in a tour of Queen Annes county. Senator Lee states that he is in this fight to win the people's battle, and conditions are exceedingly favorable for a splendid victory in the September primaries.
