WHY

NOT THIS SEASON? You'll eventually come to us for your Suit.

Did you ever experience the comfort of a made-to-measure suit?

Look around, there's plenty of them turned out by our plant. It's no experiment. See the fit, quality of fabric trimmings and workmanship. Then ask the price paid. Get all this information from the man who wears them. This is our plan. The proof of the pudding, &c.

Don't tell me what you're doing, it's not so convincing, but show me. Special pattern cut for each suit, and guaranteed in every particular, made to your measurements, looks like it belongs to you, feels like it belongs to you, and you can occupy one for less money than you can now buy some fabrics in ready-mades. See for yourselves. Suits from $12.60 up.

Respectfully,

W. E. MOODY,

Special Representative for Kent and Queen Annes Counties of the International Tailoring Co. of New York, Chicago and London,

(Next to Robert McWhorter's)

CHESTERTOWN, MARYLAND.

SENATOR SLAY MAKES DENIAL.

We understand that Senator Wm. M. Slay has denied during the week that he wrote a letter to Senator Blair Lee recently stating that he would not support him in the present gubernatorial contest. Senator Slay and Senator Lee have been the strongest personal and political friends ever since Senator Slay served in the Senate, and Senator Slay managed Senator Lee's campaign in Kent four years ago. There are others mentioned in that editorial last Saturday who won't be with Harrington, either, when voting time rolls around. Senator Slay states, we understand, that Mr. Harrington came to see him in his office and he received him cordially, but that he never once intimated to Mr. Harrington that he would vote for him for he does not intend to be for Harrington, but is and always has been for Senator Lee. Senator Slay also stated that the subject of politics was scarcely discussed.
