AT LAST

Here is a powerful little machine which does the work of five horses—never gets tired—costs less for fuel than horse feed AND STOPS EATING WHEN IT STOPS WORKING.

Because it travels continuously and faster than horses, ONE MAN with the BULL TRACTOR can plow more than TWO MEN with two three-horse teams. Pulls your Plows, Seeders, Harvesters, Mowers, Drills, Disks and then does any belt work requiring up to twelve-horse power. Guaranteed as long as you own it. Saves you money every day you use it.

Write at once for Descriptive Illustrated Booklet and special offer to farmers.

A Public Demonstration will be given upon the arrival of a carload lot now in transit. Full particulars as to time and place announced later.

SPECIAL PRICE ON BOILER TUBES.
