THE State Tax Commission is raking the State as with a fine-tooth comb to find money enough to pay the salaries of the members of the commission, their clerks and their counsel, as well as the salaries of the members of other boards which Senator John Walter Smith's Legislature put over on the people of the State in the last session. And to cap the climax another assessment has been ordered for next year, as if the people are not already taxed to death.

TIRED OF SMITH.

The Evening Sun on Monday in a news item said: "The narrow margin by which Jesse D. Price was elected to Congress from the Eastern Shore is taken to mean by shrewd political observers that the people are tired of John Walter Smith's control, and they mean to lock horns with him in the coming primaries." Isn't that a funny statement for a paper that is favorable to Smith to make?

THE Beck bossed organ said editorially on Saturday:

"Hon. Emerson C. Harrington, Democratic candidate for Governor, has visited every county on the Eastern Shore recently. He finds the situation in every county splendid, and he will carry every county on the Shore."

Now, boys, you endeavored to put one over on the TRANSCRIPT in another squib of your paper last Saturday because we claimed that Senator Lee will carry five counties on the Eastern Shore, and win Kent by 500 or more. And lo, and behold, you have gone and hogged the *whole* business by saying that Harrington will carry *every* county on the Eastern Shore. Now, boys, you know you don't believe anything like that. You know you are saying that only to keep as many of your voters from going to Lee as possible. But let us remind the Beck organ that it's an *awful* long, long way to Tipperary.

HARRINGTON NOT STRONG.

The traveling salesmen are a pretty good "thermometer" of public opinion They travel up and down the shore, meet thousands of people, and hear them discuss public questions at will. One of the most popular salesmen who visits Chestertown was here last week He is a native of Dorchester county. He knows a thing or two about politics and takes a keen interest in public affairs. He was "talking politics" with one of our prominent business men while here, and in the course of his conversation he said that IT IS EXTREMELY DOUBTFUL IF HARRINGTON CAN CARRY HIS OWN COUNTY AGAINST LEE, and that Harrington is very weak in the lower shore counties especially. He stated that judging from the way in which he hears the people talking Lee will unquestionably beat Harrington. This is the second statement of this character made by traveling salesmen in two weeks, and it shows the absolute absurdity of the claim that Harrington will carry every county on the shore.

HURRAH! for the Delaware State News of Dover, which came out last week in a splendid industrial issue of 24 pages, printed on fine book paper with half-tone cuts, attractive advertisements and well-edited reading matter. Col. Jim Wickes is the hustling editor of this progressive paper, and that bigness of the success of the issue shows the calibre of the man.

A SPECIAL dispatch to the Sun, from Frederick on Thursday, says that Senator Blair Lee will carry Frederick county in the coming primaries by a large majority. All of the prominent men of the county who were with Senator Lee in his fight four years ago, when he carried the county by 1500 majority, are with him in this fight, and Lee sentiment predominates all over the county. And that's the way she goes, you see.

A DISGRACEFUL LAW.

There were received at the Chestertown express office last Saturday night 50 gallons of whiskey for distribution among the people of this town and community, to say nothing of the quantity that came here by way of the steamboat. We are told by those in a position to know that since the gallon-a-month law went into effect, THREE TIMES as much liquor finds its way into Kent county than before the passage of the law, and those who are unable to send away and get it are using essence of lemon and Jamaica ginger as substitutes. This is the kind of temperance legislation which the Organization forces put over on the people of this town and the entire Eastern Shore in the last Legislature. We are told by those in a position to know that conditions are a great deal worse than ever, and the law is a disgrace to the honor and integrity of our people. It makes law violators of those who would be law abiding and makes it humiliating, and a great inconvenience to those who will have it to go through with the procedure necessary to secure it. In our judgment, the greatest curse that has ever been placed upon any community is this gallon-a-month law. It is the tool which the liquor interests of the State have used to kill the effectiveness of the local option law, and those Senators and delegates who voted for it in the last Legislature should be marked for slaughter when they come before the people again.

THE HOME CANDIDATE.

The Beck bossed organ said last Saturday—"Mr. Harrington is the 'home' candidate and will get the united endorsement of his home folks." Of course the wish is father to the thought in that statement. But how about Mr. W. B. Copper, the candidate for State Comptroller? Isn't he the "home" candidate, and won't he get the united endorsement of the home folks? But, Oh! no, the Beck bossed organ has endorsed a western shoreman, Hugh Mc Mullen, a merchant of Cumberland, for Comptroller, a man whose fitness for the office they know absolutely nothing about, and they are asking the home folks to support Mr. McMullen over a man like Mr. Copper, whom they grew up with and with whom they have been associated in a business and social manner from boyhood. The "home" folks are "winking the other eye" at the Beck bossed organ, for if they are appealing to the voters to support Harrington because he is a "home" man, why can they not be consistent and support Mr. Copper for State Comptroller, who is a hundred times more of a "home" man than is Mr. Harrington so far as Kent county is concerned.

AND BEAUTIFUL

WATER FRONT PROPERTY

In Queen Annes County, Md.

BY virtue of a decree of the Circuit Court for Queen Annes county, Maryland, in equity, passed April 14th, 1915, in Cause No. 2117, wherein Richard E. Davidson, et al, are plaintiffs, and Samuel T. Earle, et al, are defendants, the undersigned, as trustees named in said decree, will sell at public sale to the highest bidders, in front of the Court House door, in the town of Centreville, Queen Annes county, Maryland, on

TUESDAY, JUNE 8th, 1915,

between the hours of one and two o'clock P. M.,

All That Farm or Tract of Land

KNOWN AS

"WINTON,"

situate near Centreville, Queen Annes county, Maryland, and containing

644.41 Acres of Land.

This farm will first be offered in the following sub-divisions and then as a whole:

PARCEL NO. 1.

All that tract of land containing the

Mansion House

and other buildings, whereon Albert Story now lives, and being a part of the entire tract known as Winton, and containing, according to a recent survey which will be exhibited at the time of the sale,

396.04 Acres of Land.

This tract has a house that is practically new, with bath and water throughout. It is equipped with modern conveniences and is a most comfortable home.

The residence is one of the most delightfully situated on the Eastern Shore of Maryland. It commands an excellent view of Chester and Corsica rivers. It faces on Chester river and has Corsica river as a side view. Every comfort and attraction can be found by those seeking water front property. The rivers afford fine bathing, boating, fishing. There is a splendid harbor for small craft and a cove in which oysters can be bedded. The lawn is beautifully decorated with old shade trees, and is an ideal country water-front home.

Other improvements consist of THREE TENANT HOUSES, all in good repair; new stable for twenty horses; Large Granary, adjoining the stable, together with cow stables and other necessary farm buildings. All of these buildings are in excellent condition. The farm is well fenced and practically all of the fencing is new.

This tract also has some fine timber. The land is of excellent quality and there are good orchards of bearing peach and pear trees. There is also a good assortment of other fruit trees on the farm.

PARCEL NO. 2

151.31 Acres of Land

This tract contains some of the finest land in Queen Annes county, some nice timber and is located at the head of Grove Creek and lays directly on the public road as you enter the entire tract known as Winton. This farm would make an ideal home, the land being adapted to the growing of grass and fruits, and would make a nice dairy farm.

PARCEL NO. 3

97.06 Acres of Land

This is an unimproved tract on the right side of the public road as you enter the Winton property. It has a short water frontage on Corsica river and backs up to a small cove.

There is a Small Tenant House on this tract that is in fair condition.

The above tracts will be offered separately and then as a whole and will be sold in the way that realizes the most money.

The Winton Farm is beautifully located on Chester and Corsica Rivers, where good bathing, fishing, oystering and crabbing, as well as ducking, can be had. The farm is located about six miles from Centreville and is an old family property that is being sold for the purpose of division. This farm is hard to beat as a beautiful water front home, and it will pay well as an investment. This farm would make a grand stock farm.

A plat of this property showing divisions of same may be had on application to the Trustees and there will be a plat fully describing this property shown on the day of sale.

We Know You Like Good, Pure Ice Cream---And You Should!

Pure Ice Cream? Has the thought ever entered your mind, while enjoying a plate of cream, under what conditions it was manufactured? Did you ever investigate the plant in which the cream you have been in the habit of buying is made? Do you appreciate the fact that there are different qualities of Ice Cream sold at exactly the same price that good, pure cream can be obtained for?

To produce absolutely pure, wholesome Ice Cream, the manufacturing plant and general conditions must be sanitary from the foundation. Cleanliness must be the watchword. Good material the substance. Careful and clean in attendance.

Ice Cream is a Pure Food Product—a wholesome product—an appetizing product—if you know that it is manufactured under absolute conditions.

Ice Cream manufactured by the Chestertown Candy Kitchen at their establishment on the corner of High and Cross Sts., is made under strict sanitary conditions from the best products the markets afford, and costs you no more than the inferior grades sold elsewhere.

Chestertown Candy Kitchen solicits your business for home use. They serve the family trade as well as dispense their Pure Ice Cream and Fancy Ices in boxes or packed, Soda Waters, Fancy Sundaes, etc., at their store at High and Cross Sts.

A REALIZATION OF YOUR IDEAL!

A SUPERB TRACT OF LAND

IN A DESIRABLE SECTION IN ANY SIZE YOU WANT.

THE EXPERIENCE of the past is this: You have been forced to buy more or less land than you needed. And the result: You have been handicapped or burdened. No land owner cared, or could be induced to sell off a part of his farm. In recent years The Kent County Land Company has offered to the public, land in such areas or sizes, as the purchasing public wanted. Our success has been achieved mainly upon the principle that we don't by sharp practice, sell you what you had best be without. THE DECORSE FARM IS GOING TO BE SOLD IN WHOLE OR IN PART. It is located 3½ miles from Chestertown, the county seat with its Paper Mill, Basket Factory, and other industries. Its splendid Churches, College, High School, Libraries, places of amusement.

The below diagram shows the superior location of this farm. A neighborhood remarkable for its social features. Handy to Chestertown, Fairlee and Tolchester. On new macadam road, a road maintained by the State, in good order in muddy weather as well as in dry season. It affords pleasant and quick travel. No farm in the County possesses better soil. Reference to the soil map as prepared by the Goverment shows this a loam soil, equaling Kent's best land. It is nearly level. Inspection of the crops now there will convince you as to the extreme kindness and productiveness of the soil.

IN A WORD, WHERE CAN YOU BUY BETTER LAND? AGAIN, WHERE CAN YOU OBTAIN SIMILAR LAND AT SUCH REASONABLE PRICES AS WE QUOTE?

Write to any town around which good land is found, and see if you can buy at **$60.00** per acre, land as well situated. The land that we now offer produces the money crops—Wheat, Corn, Grass, Tomatoes, Potatoes. Send some of the soil to the Agricultural Department for analysis. This land produces 8 tons tomatoes per acre, which at **$8.00** per ton means **$64.00** per acre. Can you invest $60 or even $100 in bonds or stocks and get $64 the first year?

An acre of this land produces 30 bushels of wheat, at $1.50 per bushel totaling $45.00. Where can you invest $60.00 and get $45.00 the first year and still have your principal?

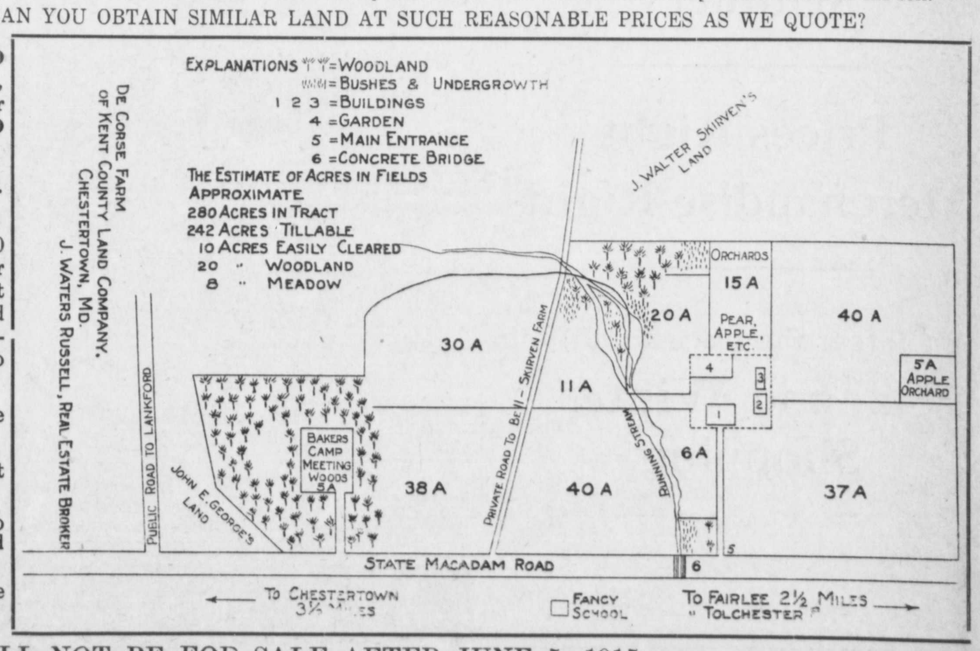

At the present price of milk, buy 60 acres at $60.00 per acre, making $3,600.00. Add $2000 for buildings, making your investment $5,600. Keep 12 good cows and see if with your other crops you can't easily put $500.00 in the bank and live as well as any other man? Can you invest $5,600 elsewhere and get not only happiness but healthful occupation, a "good living" and add $500.00 to your bank account? In Alfalfa, Potatoes, Fruit, in fact, any crop, this land is wonderfully suited. It is land that pays to own. It is the kind of land which has made the "well-to-do people" in every section more than "well-to-do."

Finally, THE KENT COUNTY LAND COMPAY'S POLICY is based upon the principle that we sell to please. We have no dissatisfied customers.

Where you invest in land by the acre and at farm land prices, you invest in the great essential of life, and you INVEST, you don't SPECULATE.

We offer any of this land at **$75.00** per acre without improvements, in tracts from 10 to 30 acres to be surveyed and laid down in a manner satisfactory to the Kent County Land Company.

We offer at **$58.50** per acre ANY of this land from 30 to 100 acres upon the above condition.

THIS LAND OR ANY PART OF IT WILL NOT BE FOR SALE AFTER JUNE 5, 1915.

The Kent County Land Company will make terms satisfactory to responsible parties.

THE KENT COUNTY LAND COMPANY,

J. WATERS RUSSELL, President
