OUR DEATH RECORD.

HARRY J. MCWHORTER.

Mr. Harry J. McWhorter, son of the late George B. McWhorter, and Tax Supervisor for Kent county, died at the Maryland General Hospital, Baltimore, on Thursday morning at four o'clock, of a complication of diseases, aged 45 years. Mr. McWhorter had not been well for sometime, but no one realized the seriousness of his condition until about two weeks ago, when he went to Baltimore to consult a specialist. From that time his condition became alarming and he finally entered the hospital for an operation, but his condition was such that an operation was impossible. The deceased was a young man of wide popularity. There was not a precinct in the county where he was not well and favorably known, and his appointment as Tax Supervisor upon the recommendation of the Board of County Commissioners was a popular one. During the short period of his incumbency in office he had devoted his entire energy to its business, and was giving entire satisfaction in the discharge of its duties. His early demise is extremely sad and greatly regretted because he had reached that stage in life when his field of usefulness to his fellowmen had broadened and he was ever ready to assert his usefulness for the benefit of his fellows. He leaves a step-mother and a number of sisters and brothers. The remains were brought to Chestertown by way of Tolchester yesterday morning and rested in the home of his brother, Mr. George W.
