Kennedyville Items.

The beautiful custom of observing Mothers' Day was held in both of our Churches on Sunday last, at the Methodist Protestant at both morning and evening service and at the Presbyterian in the afternoon.

The digging of the foundation and cellar for the new school building is now about completed and a part of the material for the foundation is now awating the workmen, who are expected in a few days, and we hope the building will be ready for occupancy when the fall school term shall open.

Rev. Mr. Clews is in Wilmington at this writing where he is being attended by a specialist for the heart trouble brought on by grippe; we are glad to note he is much improved.

Miss Margaret Harris, of Still Pond Neck, spent several days as the guest of her aunt, Mrs. Lulu Dukes.

Dr. and Mrs. James W. Urle are sojourning in New York city for a few days.

Miss Grace Sylvester was the guest of Rev. and Mrs. Frank S. Cain for the week-end.

Mr. and Mrs. L. A. Pennington are entertaining his mother at this time.

Rev. Frank S. Cain visited his mother the past week, who is quite ill at her home near Cockeysville, Md. Owing to her age and the complication of diseases, the Dr. gives no hopes of her recovery.

Mrs. Frank Miller is visiting relatives and friends at her former home, Thurmont, Md.

Miss Lillian Hicks and Mr. Charles Clendaniel were guests at the home of Miss Nellie Jones on Sunday last.

The following will be the order of service in the Methodist Protestant Church here on Sunday next: Sunday school, 9.30 A. M., preaching, 10.30 A. M. and 8 P. M. by Rev. Frank S. Cain, pastor. Christian Endeavor 7.30 P. M.

Mrs. John R. H. Price and sons, Leland and Hazel, of Warwick, and Mrs. G. J. Hill, wife of Rev. G. J. Hill, of Centreville, Md., were guests of Rev. and Mrs. Cain on Sunday last.

NOTICE TO THE PUBLIC.

Having accepted a State position, I have arranged with Mr. Edgar P. Beck, to take care of my Insurance business during my absence from Chestertown. Mr. Beck is an experienced Insurance man, and I am confident he will look after the interest of my patrons faithfully and well. All my business and the companies I represented have been transferred to his agency. Thanking you for past favors and hoping to retain your business, I am,

Very truly yours,

9-tf J. ARTHUR BRADLEY.

SUMMING UP THE EVIDENCE

Many Chestertown People Have Been Called As Witnesses.

Week after week has been published the testimony of Chestertown people—people who have endorsed many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 30,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Chestertown Case.

Mrs. I. M. Blyman, High St., Chestertown, says: "One of our family had backache and other symptoms of weak kidneys. Doan's Kidney Pills were finally procured from Toulson's Drug Store and they gave relief."

Mrs. Blyman is only one of many Chestertown people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask *distinctly for Doan's Kidney Pills*, the same that Mrs. Blyman recommends the remedy backed by home testimony. 50c all stores. THE JOHNS HOPKINS UNIVERSITY

ENTRANCE EXAMINATIONS

STATE SCHOLARSHIPS IN ENGINEERING COURSES.

Entrance examinations for all departments will be held in McCoy Hall, the Johns Hopkins University, Baltimore, June 1-4, and September 21-24, 1914, beginning at 9 A. M. Applicants for scholarships are urged to take the examinations in June.

Application for scholarship in the Department of Engineering established in the Johns Hopkins University under the provisions of the Laws of Maryland, Chapter 90, 1912, should now be made. If there is more than one applicant for a particular scholarship a competitive examination will be held at the University on the day following the September entrance examinations.

Each County of the State and each Legislative District of Baltimore city will be entitled to one or more scholarships in the Department of Engineering for the year 1915-16, in addition to those which have already been filled. There will be vacancies in the scholarships awarded to the graduates of Loyola College, Maryland Agricultural College, Mount St. Mary's College, Rock Hill College, St. John's College, Washington College and Western Maryland College, and in the scholarships "At Large," which may be filled in October, 1915.

Applicants should address the Registrar, the Johns Hopkins University for blank form of application and for further information as to the examinations, award of scholarships, and courses of instruction. m8-4t.

"No Clutch on the Drill Shaft"

OF THE J. I. CASE PLANTER.

On all Planters other than the J. I. CASE Power Drive the action of the plates is controlled by a clutch on the running drill shaft.

The clutch soon wears out and may fail to work when you need it most. Avoid this danger by buying a J. I. CASE Power Drive Planter where the parts performing the function of the drill shift clutch are found on the slow moving MAIN axle. They are made heavy and strong. Don't buy until you see this accurate and reliable planter.
