The Transcript

R. H. COLLINS, T. D. BOWERS, EDITORS.

THAT combination of Preston and Lee is an invigorating one, and is too strong for Harrington.

THE friends of Mr. Charles H. Jefferson are urging him to become a candidate for judge of the Orphans' Court.

THE Organization ticket was announced last Saturday with Boss Beck leading the procession. And the Beck Organ says there is no Boss about that ticket. He is right on top.

THE announcement that the Baltimore city Organization will back Senator Blair Lee for Governor has taken all the puff out of the Harrington forces, and Senator Lee and his ticket will make a runaway race of the fight. The combination of Lee and Preston just can't be beat.

IN THEIR issue immediately succeeding the re-election of Mayor Preston, the Kent News proposed Mayor Preston for the United States Senate to succeed Senator Lee, and said: "PRESTON IS A MAN THAT DOES THINGS." Well, he's gone and done something to the Smith machine by tying up with Senator Lee, and the Kent News must be consistent and endorse the action of the Mayor, or eat crow. And they'll eat crow, because their Boss says they must.

MR. W. B. COPPER, candidate for State Comptroller on the Lee ticket, adds great strength on the Eastern Shore and throughout the State. Mr. Copper is widely known throughout banking circles, and he has many influential friends throughout the State who are interested in his campaign and who are working for his nomination. There is no better man in this State for that particular job, than Wm. B. Copper, and his candidacy is meeting with enthusiastic support everywhere.

THE State Tax Commission on Tuesday notified the Board of County Commissioners to submit five names from which to select a successor to the late Harry J. McWhorter, tax supervisor for Kent county. The position pays $1,000 a year. The Board recommended the following gentlemen, anyone of whom will make an acceptable assessor:
First District—Thomas J. Donahoe.
Second District—H. D. Hendrickson.
Third District—Clarence W. Crew.
Fourth District—J. Frank Connelly.
Fifth District—Hugh McKloskey.

THE city Organization, led by Mayor Preston, is for Lee for Governor, Copper for State Comptroller and Maloy for Attorney General. The city Organization knows the strength of Senator Lee with the people of the State, and they have displayed keen wisdom in accepting the Lee end. This endorsement means a severance of the alliance between the State and city organizations and means a new and more progressive alliance between the city Organization and those forces for the State which are in thorough sympathy with the policies of President Wilson. The endorsement of Lee by the city Organization makes absolutely certain the nomination of the Lee ticket, which will make sure the election of the Democratic ticket in November.

WHAT will the Organization faction have to offer the young men of Kent county in the State or county after the primaries? Not a thing. Lee will carry the State and the Antis will carry Kent county, and the Organization will be down and out. See if that is not true.

THE Beck Organ was whistling to keep up its courage last week when it said that the City Organization will be for Harrington for Governor. That is the same kind of a statement as the one they made some time ago about Senator Slay voting for Harrington.

THE announcement by the Beck organ last Saturday of the Beck ticket created no favorable comment whatever. It is regarded as one of the weakest tickets ever put up by the Organization, and with Emerson C. Harrington, Senator John Walter Smith's candidate for Governor, at it head, its can never win in Kent county.

THE Organization forces have given Mr. James T. Dixon a very raw deal. Mr. Dixon was anxious to have the support of the Organization faction for the clerkship, and he has an element of strength in, this county that must be reckoned with in any fight. Mr. Dixon claims that he has just as much claim upon the support of the Organization forces as has Mr. Dodd, who would have been clerk to the Board of County Commissioners yet, had it not been for the fact that the Organization lost control of the board in 1909, and he sees no reason why he should be cast aside to make a place for Mr. Dodd, when he (Mr. Dixon) has been just as loyal to the Organization as has Mr. Dodd.

SOME of the road workers in the Fifth District are employing colored laborers on the roads, and the taxpayers and white citizens are justly incensed at such action. The Organization faction has control of the roads of this county, and are Democrats. If there are not enough good and loyal Democrats in the Fifth District to be given employment on these roads, better let them go unworked. The idea of Democrats employing colored laborers to work our roads when there are hundreds of white men eager for such employment is a reflection upon the white people of thie county, especially in the Fifth District, where the oyster season has been any thing but profitable, and many a man down there would be glad to get such employment.

HON. JOSEPH A. WICKES.

The town, the county and the state have lost an eminent citizen in the death of former Judge Joseph A. Wickes. His name is so intimately associated with the judiciary of the state that his death has created a serious breach in the ranks of Maryland's distinguished jurists, and his association with the social and professional life of this judicial circuit are so close and intimate that his death has removed one of its most distinguished representatives. Few jurists occupied the esteem and respect both of the members of the bar and the laiety as did Judge Wickes, and he leaves behind him a reputation that should prove a source of profound pride to his children, relatives and friends. One of Maryland's leading legal lights has gone out, one of Chestertown's most notable men has died, and we give Judge Wickes to-day a most conspicuous place of honor among the men who have made Kent county what it is to-day.

MR. HURLOCK WITHDRAWS.

Owing to the serious condition of his health, Mr. Clarence S. Hurlock, who had announced his candidacy for Register of Wills on the Anti-Organization ticket, has been compelled to withdraw from active participation in the primaries. Mr. Hurlock had hoped to make a fight in the interest of the people of this county, and the people were with him in his efforts to improve political conditions here, but his health is such as to forbid him doing any active work. He nevertheless urges all of his friends to stand by the Anti ticket, and help the people to elect a class of men who will improve political conditions throughout the county and give the tax-payers an economical administration of their affairs. It is with a great deal of pleasure, however, that we announce that Mr. Samuel G. Caldwell, the farmer's friend, has consented to fill the vacancy on the ticket, and he will make a most acceptable substitute. It is useless for us to laud Sam. Caldwell. He is one of the very best men this county has in it to-day, and his relation with the business and farming interests of this county are such that make him well-known to every one. There is no fear in the world that Sam. Caldwell will not take care of himself and his friends on the ticket throughout the entire county. We need such men as Mr. Caldwell to administer the affairs of Kent county, and we have no fear of his nomination and election.

396.04 Acres of Land.

This tract has a house that is practically new, with bath and water throughout. It is equipped with modern conveniences and is a most comfortable home.

The residence is one of the most delightfully situated on the Eastern Shore of Maryland. It commands an excellent view of Chester and Corsica rivers. It faces on Chester river and has Corsica river as a side view. Every comfort and attraction can be found by those seeking water front property. The rivers afford fine bathing, boating, fishing. There is a splendid harbor for small crafts and a cove in which oysters can be bedded. The lawn is beautifully decorated with old shade trees, and is an ideal country water-front home.

Other improvements consist of THREE TENANT HOUSES, all in good repair; new stable for twenty horses; Large Granary, adjoining the stable, together with cow stables and other necessary farm buildings. All of these buildings are in excellent condition. The farm is well fenced and practically all of the fencing is new.

The above tracts will be offered separately and then as a whole and will be sold in the way that realizes the most money.

The Winton Farm is beautifully located on Chester and Corsica Rivers, where good bathing, fishing, oystering and crabbing, as well as ducking, can be had. The farm is located about six miles from Centreville and is an old family property that is being sold for the purpose of division. This farm is hard to beat as a beautiful water front home, and it will pay well as an investment. This farm would make a grand stock farm.

We Know You Like Good, Pure Ice Cream---And You Should!

Pure Ice Cream? Has the thought ever entered your mind, while enjoying a plate of cream, under what conditions it was manufactured? Did you ever investigate the plant in which the cream you have been in the habit of buying is made? Do you appreciate the fact that there are different qualities of Ice Cream sold at exactly the same price that good, pure cream can be obtained for?

To produce absolutely pure, wholesome Ice Cream, the manufacturing plant and general conditions must be sanitary from the foundation. Cleanliness must be the watchword. Good material the substance. Careful and clean in attendance.

Ice Cream is a Pure Food Product—a wholesome product—an appetizing product—if you know that it is manufactured under absolute conditions.

Ice Cream manufactured by the Chestertown Candy Kitchen at their establishment on the corner of High and Cross Sts., is made under strict sanitary conditions from the best products the markets afford, and costs you no more than the inferior grades sold elsewhere.

Chestertown Candy Kitchen solicits your business for home use. They serve the family trade as well as dispense their Pure Ice Cream and Fancy Ices in boxes or packed, Soda Waters, Fancy Sundaes, etc., at their store at High and Cross Sts.

A REALIZATION OF YOUR IDEAL!

A SUPERB TRACT OF LAND

IN A DESIRABLE SECTION IN ANY SIZE YOU WANT.

THE EXPERIENCE of the past is this: You have been forced to buy more or less land than you needed. And the result: You have been handicapped or burdened. No land owner cared, or could be induced to sell off a part of his farm. In recent years The Kent County Land Company has offered to the public, land in such areas or sizes, as the purchasing public wanted. Our success has been achieved mainly upon the principle that we don't by sharp practice, sell you what you had best be without. THE DECORSE FARM IS GOING TO BE SOLD IN WHOLE OR IN PART. It is located 3½ miles from Chestertown, the county seat with its Paper Mill, Basket Factory, and other industries. Its splendid Churches, College, High School, Libraries, places of amusement.

The below diagram shows the superior location of this farm. A neighborhood remarkable for its social features. Handy to Chestertown, Fairlee and Tolchester. On new macadam road, a road maintained by the State, in good order in muddy weather as well as in dry season. It affords pleasant and quick travel. No farm in the County possesses better soil. Reference to the soil map as prepared by the Goverment shows this a loam soil, equaling Kent's best land. It is nearly level. Inspection of the crops now there will convince you as to the extreme kindness and productiveness of the soil.

IN A WORD, WHERE CAN YOU BUY BETTER LAND? AGAIN, WHERE CAN YOU OBTAIN SIMILAR LAND AT SUCH REASONABLE PRICES AS WE QUOTE?

Write to any town around which good land is found, and see if you can buy at **$60.00** per acre, land as well situated. The land that we now offer produces the money crops—Wheat, Corn, Grass, Tomatoes, Potatoes. Send some of the soil to the Agricultural Department for analysis. This land produces 8 tons tomatoes per acre, which at **$8.00** per ton means **$64.00** per acre. Can you invest $60 or even $100 in bonds or stocks and get $64 the first year?

An acre of this land produces 30 bushels of wheat, at $1.50 per bushel totaling $45.00. Where can you invest $60.00 and get $45.00 the first year and still have your principal?

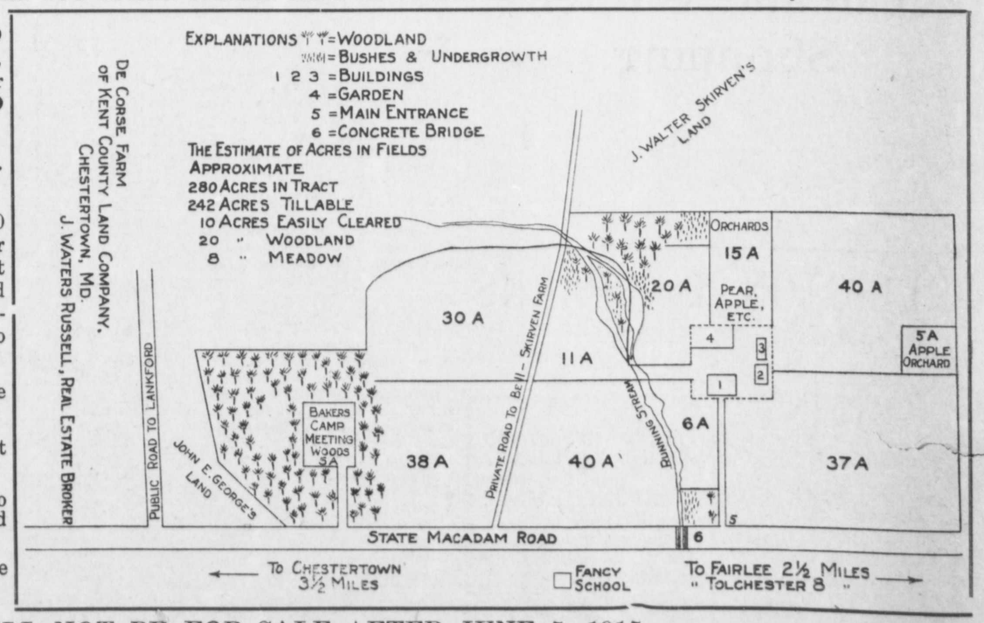

At the present price of milk, buy 60 acres at $60.00 per acre, making $3,600.00. Add $2000 for buildings, making your investment $5,600. Keep 12 good cows and see if with your other crops you can't easily put $500.00 in the bank and live as well as any other man? Can you invest $5,600 elsewhere and get not only happiness but healthful occupation, a "good living" and add $500.00 to your bank account? In Alfalfa, Potatoes, Fruit, in fact, any crop, this land is wonderfully suited. It is land that pays to own. It is the kind of land which has made the "well-to-do people" in every section more than "well-to-do."

Finally, THE KENT COUNTY LAND COMPAY'S POLICY is based upon the principle that we sell to please. We have no dissatisfied customers.

Where you invest in land by the acre and at farm land prices, you invest in the great essential of life, and you INVEST, you don't SPECULATE.

We offer any of this land at **$75.00** per acre without improvements, in tracts from 10 to 30 acres to be surveyed and laid down in a manner satisfactory to the Kent County Land Company.

We offer at **$58.50** per acre ANY of this land from 30 to 100 acres upon the above condition.

THIS LAND OR ANY PART OF IT WILL NOT BE FOR SALE AFTER JUNE 5, 1915.

The Kent County Land Company will make terms satisfactory to responsible parties.

THE KENT COUNTY LAND COMPANY,

J. WATERS RUSSELL, President.
