### THE MILK OF THE COCOANUT.

City people see in Mr. Furst's candidacy an effort on the part of the friends of Senator Smith to get him out of a bad hole. Since Mr. Furst could have secured the support of the City if he had expressed a wish for it the city politicians believe that Senator Smith has run to him for assistance in his present trouble. They are disposed to regard the move simply as an admission of State Comptroller Harrington's weakness in the counties. When the Senator declared that the State Comptroller could be nominated in the counties without any aid in Baltimore the city politicians and others, too, thought either that the Senator was deceived or "bluffing." They accept the move by Mr. Furst as proof that the Senator was only "bluffing."

THE greatest element of weakness in the Harrington campaign is the attempt of Senator Smith and his friends to induce Mr. Frank Furst of Baltimore city, an ardent Smith man, to enter the gubernatorial contest; and the best evidence of the impending defeat of the Smith ticket is the threat that is being made by his friends that a hard primary fight will tear the Democratic party to pieces. The primary object in the passage of the Primary Election law is to give every man the chance to carry his fight to the people, and any man who will go into a primary contest and lose, and because he loses threaten to defeat the man who licks him is not worthy of the name of Democrat, because he would destroy the very foundation principle of Democracy.

### Especially For the Members of the Modern Woodmen.

The following is from the Head Clerk of the Modern Woodmen of America:

"This paragraph is written in the hope that it will reach the eye of the individual member of the local camp more particularly than that of the camp clerk. Every month the Head Clerk is called upon to mail out suspension notices to members who have failed to pay their assessments on time. Upon receipt of these notices it is no uncommon thing for the recipient to address a red-hot letter to the Head Clerk, protesting that his suspension was arbitrary and uncalled for because he had been given no notice either by the Society or the Camp Clerk that he was in arrears. It should be impressed upon the mind of every member that an assessment is due *every* month; that it is levied by the by-laws without requiring publication notices, and that the individual himself is responsible for knowing his exact standing as to the discharge of his obligations. The member should not expect to be told that his assessment is unpaid. It is up to him to keep track of his payments, and if he will do this there is little likelihood that he will ever be annoyed by the receipt of a suspension notice. A word to the wise is sufficient."

### Little Girl Hurt.

Evelyn, the twelve-year-old daughter of Mr. and Mrs. Harry Bennett, while attempting to cross Queen street last Saturday evening was knocked down by Dr. Metcalfe's automobile and received a broken jaw bone, lost several teeth and was seriously injured about the body. The little girl was wearing a shawl over her head to keep off the rain, and in attempting to get out of the way of another car, ran in front of Dr. Metcalfe's car with the above result. Dr. Metcalfe immediately stopped his car, got out and lifted the child and took her to Dr. H. G. Simpers' office where she received medical attention. Dr. Metcalfe went to the child's family and offered to defray the expenses of medical attention. He told them to spare no expense and forward the bill to him at his home in Sudlersville. The accident was a most unfortunate one. Dr. Metcalfe was in nowise to blame for the accident, and did everything that a gentleman could do. At the same time the accident should prove a warning to automobilists, as well as children, to be extremely careful on the streets of Chestertown.

### Says Lee Sounds Good to Him.

TO THE EDITOR OF THE SUN—*Sir:* Governor Lee sounds good to Marylanders, Virginians and "Tarheels."

Our country with our Woodrow Wilson.

Baltimore city with her ablest and best Mayor, the Hon. James H. Preston, and the great Commonwealth, State of Maryland, "My Maryland" will have for its next Governor the Hon. Blair Lee, whom every one admires and will sing the praise of happiness and contentment. Being a staunch admirer of the Hon. James H. Preston and the Hon. A. P. Gorman, their many sincere friends believe that they are with us in the nomination of the Hon. Blair Lee for our Governor, the people's choice.

### WHAT'S THE TROUBLE?

Mr. Frank Furst, as all Baltimoreans know, is an exceedingly kind-hearted man. After noting his willingness to enter the scrap for the Democratic nomination for Governor in order to avert a primary contest which, in the eyes of some people, has suddenly taken on the appearance of a great calamity hanging over us, one would almost suspect that he would not hesitate, if duty or friendship prompted, to interfere in a family quarrel at the usual risk to the peacemaker.

Mr. Harrington and Mr. Lee both have a right to submit their candidacies for this nomination to the voters of their party. The primary election was set up for the special purpose of determining such controversies. We do not know who or what is pulling the strings and endeavoring to "arrange" a candidate for the party as if a primary would tear it to pieces, but it has been a very illogical and bungling bit of interference with the natural course of events.

Not even the possibility of precipitating a situation in which a Republican such as Chairman Weller of the Good Roads Commission—who appears to have superintended the expenditure of a great many millions of the State's money honestly and efficiently—may walk off with the plum in the general election ought to frighten the public into willingness to see the primaries subordinated to the old methods of making and unmaking candidates which they fought against so long and so hopelessly.

There are plenty of issues for Mr. Lee and Mr. Harrington to discuss. The News to-day outlines some of them. And we can see no danger either to the State or to the Democratic party in a primary contest, even a bruising one in which the attitudes of the candidates upon such issues are clearly outlined.—Balto. City News.

THE FELLOW who signed himself "Patriot" to an article in the Beck organ last Saturday wound up by saying "as I don't know whether I am a Democrat or an Independent, I will just sign myself Patriot." If he had styled himself "Mugwump" it would be far more in keeping with the character of such a letter. There was nothing patriotic about it. A man who will make such an attack as that and refuse to sign his name is even worse than a mugwump, he is a coward.

## A WORD WITH WOMEN.

### Valuable Advice for Chestertown Readers.

Many a women endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidneys Pills have won the praise of thousands of women. They are endorsed at home—Read this Chestertown woman's convincing statement:

Mrs. A. A. Sparks, High St., Chestertown, says: "I have used Doan's Kidney Pills and they have given highly satisfactory results. I strongly recommend this remedy."

Mrs. Sparks is only one of many Chestertown people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask *distinctly for Doan's Kidney Pills*, the same that Mrs. Sparks had—the remedy backed by home testimony. 50c all stores.
