THE Cecil County News said editorially on Wednesday: "We believe the Democratic voters of the State want Senator Blair Lee nominated for Governor, and he should be nominated and elected."

IF Senator Smith had any idea that Mr. Harrington can be nominated for Governor, he would never have made a desperate effort through the Baltimore Sun to pull Frank Ferst in the fight. The tide is against Harrington in the fight, and Senator Smith realizes it.

MR. J. ELWOOD MORRIS' candidacy for the Senate has met with great favor in all sections of the county. The voters recognize in Mr. Morris a man of the people, and not a politician, and he is just the kind of a man the people want in the Senate.

GET busy, Anti candidates, and see every voter in Kent county. They want you to come and talk matters over with them, and if you miss any the other fellow may get him. Get busy NOW, and keep busy day and night. Don't leave a stone unturned to win this fight.

SEVERAL weeks ago, when the TRANSCRIPT criticised the Organization for taking five of its candidates from Chestertown, the Beck Organ accused us of trying to array the county against the town, and lo, and behold, now that Mayor Preston has endorsed a county man, Senator Lee, for Governor, the Kent News is endeavoring to array the counties aggainst the city. Poor, old, Kent News, Mr. Harrington's candidacy for Governor has gotten it in such a hole it don't know how to crawl out.

A PROMINENT citizen of Wicomico county told us this week that it will not surprise him in the least if the Lee ticket carries Wicomico by a big majority, and he said it will give him great pleasure to vote for a man like Mr. Copper for Comptroller. He says that there are hundreds of others in Wicomico of the same opinion. And word comes from Talbot county that the Lee forces led by County Treasurer Joseph Harrington are very sanguine of carrying Talbot for the Lee ticket. And so it goes.

THE Baltimore Sun has got the same disease with reference to Mr. Copper that it had with regard to Senator Lee. It is taking medicine to ward off the attack of Baltimore city support for Copper. And now that Mayor Preston has endorsed Senator Lee for Governor, the Sun is endeavoring to keep up the courage of the Smith following by putting it out that Baltimore city prefers McMullen to Copper for Comptroller. Don't worry boys, Copper is going to be the next Comptroller of the State, just as certain as that Blair Lee is going to be the next Governor, and Baltimore city is just as solidly behind Copper as it behind Lee and Maloy.

THE Beck Organ gave Mayor Preston a ringing indorsement for United States Senator several weeks ago because as they put it—"he is a man who does things," and yet last Saturday they accused him of arraying the city against the counties because he has indorsed Senator Blair Lee for Governor. Now pray tell us, kind sirs, if Mayor Preston is good enough for United States Senator, why should you kick because he has endorsed Sanator Lee for Governor? He can get the United States Senatorship much more quickly by endorsing Lee than by favoring Harrington, and if you want Mayor Preston to be United States Senator to succeed Senator Lee, why in the world don't you endorse Lee for Governor and help the Mayor to get there? Stay where you put yourselves and don't bamboozle.

LOCAL OPTION VIOLATED IN TALBOT.

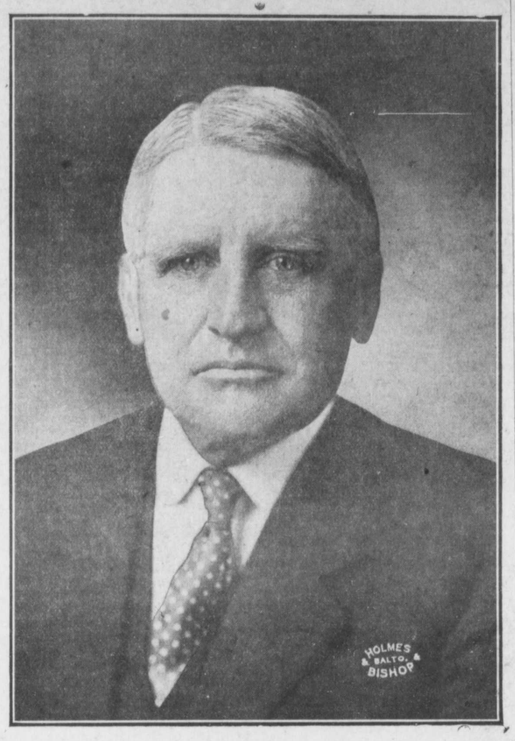

The grand jury for the May term of the circuit court for Talbot county was discharged on Friday. Sixteen cases were considered, and 11 presentments were returned. The charge was made that the local option law was being violated by the selling of imitation lemon flavoring and other concoctions containing a large percentage of alcohol. This is only another evidence of the manner in which the damnable gallon-a-month law works. What is true of Talbot, is true of every other county on the Eastern Shore. JUST THINK OF A WHOLE BARREL OF WHISKEY COMING TO CHESTERTOWN IN ONE TRAIN.

THE Talbot County School Board has asked the Board of County Commissioners of that county for $33,000 with which to run the schools of that county for the next scholastic year. There are 126 teachers and 72 schools in Talbot county. The school board of Kent county has asked the Board of County Commissioners of this county for $38,000 with which to run the schools in Kent county. There are 119 teachers and 67 schools in Kent county and the school board has been receiving $35,000 a year for some years, which is $2,000 a year more than Talbot county asks for with seven more teachers and five more schools for the next schoiastic year. If Talbot county can run its schools for $33,000 why cannot Kent county run less schools and pay fewer teachers on $35,000?

C. H. JEEFERSON FOR JUDGE.

The friends of Mr. Charles H. Jefferson in the Fourth District have induced him to become a candidate for Judge of the Orphans' Court on the Anti-Organization ticket. Mr. Jefferson has consented to serve, and will make an active canvass of the county in his own interest as well as that of the entire ticket. We know of no man in Kent county better qualified for the office of Judge of the Orphans' Court than Mr. Jefferson. He has been identified with the business interests of Kent and Queen Annes counties for a long number of years and his high character and sound business judgment make him a most acceptable candidate. With such running mates as William Thomas Jones in the Second and Charles S. Hill in the Third Districts, this part of the ticket is regarded as exceptionally strong, and it will add great strengh to the remainder of the ticket.

OUR NEXT GOVERNOR.

BLAIR LEE, THE MAN OF THE PEOPLE.

BAD ILLUSTRATION OF GOOD ADVICE.

As an example of the kind of christianity the editors of the Kent News exemplify in their paper from Saturday to Saturday we republish to-day two paragraphs which appeared side by side in their editorials last Saturday, one written by the editors, presumably, and the other written by "Patriot." Here they are:

EDITORIAL.

"We take this occasion also to state that it is high time for christian men to take greater interest in politics. The sunken condition of our modern politics are not chargeable to the bad element but to the good people who are largely in the majority, but are neglecting their civic duty when they fail to fight the bad element with their own weapon—the ballot."

PATRIOT.

"His time-worn, moss-covered, barnacle-coated, booze-begotten arguments are so out of date that they are laugable to thoughtful, well-posted people. However, the fact that any one in this good old county of Kent could stoop so low, even for a political purpose, as to appeal to the ignorant prejudices of a few by such methods is a surprise to me. If the rank and file of Kent county citizens are not disgusted with such methods, I will be greatly surprised."

The TRANSCRIPT would never recommend any man for Heaven who practices such a christian spirit as that.

ATTENTION, TAX-PAYERS.

We have been reliably informed that the county road engineer had exhausted the annual appropriation of $21,000 on the roads and bridges THREE MONTHS AGO. Section 167 E. of the road law states: "He (the Road Engineer) shall not work out or expend on the roads and bridges of said county a greater amount in any one fiscal year than the amount levied by the County Commissioners for the purpose, without obtaining the permission in writing of said commissioners."

We have been reliably informed that at the present rate at which the roads are being worked, we believe for political purposes, it will be safe to say that by the time the next primaries roll around, the Road Engineer will have exhausted almost two-thirds of the next year's appropriation. In view of this startling statement of conditions are the people of this county going to vote to send William W. Beck and Howard Turner back to the Legislature, when both of them promised to repeal this obnoxious law in the last Legislature and then failed to do it? This law will never be repealed so long as the Organization has control of the delegates and Senator. They promised once, why trust them again?

ATTENTION, TEMPERANCE FOLKS.

The Beck Organ last Saturday contained a great long editorial about the necessity for Christian men to mingle in politics for the purpose of improving political conditions. In another column appeared the picture of Mr. Robert Lewis, their candidate for the Legislature, and with it appeared a ringing endorsement from the editors of the Kent News, stamping Mr. Lewis as the kind of a man to send to the Legislature. The week before that the Rock Hall correspondent of the Kent News stated that an *oyster scald* had been held in Skinner's Neck on Saturday afternoon in honor of Mr. Robert Lewis, candidate for the Legislature. We have it from unquestioned authority that there were 16 GALLONS OF BEER AND 1 GALLON OF WHISKEY at that "oyster scald" and that about 25 or 30 people were present, with the recognized leaders in the Fifth District as the managers of the affair. Now we respectfully submit that it is high time the people of this county were being told of the deception that is being practiced upon them. We venture to say that when the representatives of the Anti-Saloon League come to Kent, that every candidate on the Organization ticket for the next Legislature, from the Senator down, will promise to support the local option measure. They did so two years ago, and yet the Kent News never opens its mouth about such "oyster scalds" being given in honor of a candidate for the Legislature, but will cover up such political methods and advises Christian men to get into politics. The TRANSCRIPT advises the same thing, but in the name of all that is right, we advise that Christian men get into politics quickly to keep the Gentians already in in the straight and narrow way.

Base-ball Notes.

A great crowd saw Chestertown defeat Easton on Washington field on Monday afternoon, score 5 to 4. [illegible] formerly of Millington, started to play for Chestertown, but was not in condition and gave way to Zay[illegible], a Chestertown boy, who pitched a fine game, and held the visitors down every session. It faces on Chester river and has Corsica river as a side view. Every comfort and attraction can be found by those seeking water front property. The rivers afford fine bathing, boating, fishing. There is a splendid harbor for small craft and a cove in which oysters can be bedded. The lawn is beautifully decorated with old shade trees, and is an ideal country water-front home.

Other improvements consist of THREE TENANT HOUSES, all in good repair; new stable for twenty horses; Large Granary, adjoining the stable, together with cow stables and other necessary farm buildings. BROWN'S 5 REGISTERED MARK MEANS QUALITY

Some of our friends have asked us why we handle the BROWN'S *5* TRADE MARK LINE in preference to others.

Well, we'll tell you.

In the first place the **BROWN'S** *5* TRADE MARK LINE is more complete than any other. For instance, we have for the Men WHITE HOUSE SHOES in *"Bench Work," "President"* and *"Nation's Quality"*—for the Women we have WHITE HOUSE *"Mansion"* and *"Usona"* Shoes; for the Boys and Girls we have the celebrated BUSTER BROWN LINE, and for the Little Tots we have the BABY BUSTER LINE.

If they are not **BROWN'S** *5* shoes a man may buy one brand of shoes for himself, another for his wife and still another for his children—what a task he would have to have them all made right if there should happen to be any flaws.

Now, you may say there are other brands just as good as **BROWN'S** *5* Shoes, which I question—but I know and I want you to know that there are none that are any better.

So I say to you, *Don't trust to luck in buying shoes, whether it is for the women or the children, you know they will be right if they bear the* *5* *Trade Mark in the Shank.*

The **BROWN'S** *5* TRADE MARK LINE looks a good proposition to me because there is no mistaking of the intent of the *5* guaratee of reliability. It means absolute satisfaction. On this fair and square basis we want your trade.

Come in and look the line over anyway.
