WHY

NOT THIS SEASON? You'll eventually come to us for your Suit.

Did you ever experience the comfort of a made-to-measure suit?

Look around, there's plenty of them turned out by our plant. It's no experiment. See the fit, quality of fabric trimmings and workmanship. Then ask the price paid. Get all this information from the man who wears them. This is our plan. The proof of the pudding, &c.

Don't tell me what you're doing, it's not so convincing, but show me. Special pattern cut for each suit, and guaranteed in every particular, made to your measurements, looks like it belongs to you, feels like it belongs to you, and you can occupy one for less money than you can now buy some fabrics in ready-mades. See for yourselves. Suits from $12.60 up.

Respectfully,

W. E. MOODY,

Special Representative for Kent and Queen Annes Counties of the International Tailorng Co. of New York, Chicago and London,

(Next to Robert McWhorter's)

CHESTERTOWN, MARYLAND.

CARD TO PUBLIC.

To My Friends in Kent County:
Owing to the continued ill state of my health I have determined to withdraw from the contest for Register of Wills, since in justice to myself and to my friends I do not believe it will be possible for me to make an active canvas for the office. I trust that my friends will secure some good active candidate in my place and I cordially endorse Mr. Samuel G. Caldwell, should he determine to run.
Sincerely yours,
CLARENCE S. HURLOCK.

A Big Meeting.

One hundred or more fishermen of the lower part of the county assembled in Mechanic's Hall, Rock Hall, on Saturday evening and organized a Watermen's Protective Association for the protection of the financial interests of the fishermen and oystermen of Kent county. Capt. Joseph Ashley presided and Mr. Taylor was secretary. Speeches commending the movement were made by Capt. James Wilson, Marion Coleman, Mr. Taylor, Mr. Blackiston and others, and L. Wethered Barroll, Esq., of Baltimore, explained the benefits of such an organization. A set of by-laws was adopted, and an opportunity was given for those present to join. Seventy-five or more men have already joined the association and an executive committee was appointed to effect a permanent organization and secure more members. We were present at the meeting and were delighted with the interest manifested by the people present. This movement should have been begun some years ago, but simply lacked an interested leader. Capt. Jos. Apsley was the man to see the importance of such a move, and getting such men as Capt. James Wilson, Marion Coleman, Mr. Blackiston, Will Camp, Mr. Taylor, Mr. Glenn, Capt. Apsley and others interested, the thing is now an assured success. The TRANSCRIPT will be glad to do everything in its power to aid these good men in their efforts to protect their interests.
