THE GREATEST DAY IN THE BOY'S AND GIRL'S LIFE

is Commencement Day at College. Not even his first pair of suspenders, or his first long trousers, make so big a day; and no day to come, except his wedding day, will seem *to him* so important.

IT COMES ONLY ONCE in his life. Christmas and his birthday come around every year; they are common in comparison with Graduation Day. . . Then why not commemorate the day by giving him a gift that is "really worth while"?

A FINE GOLD WATCH would be a constant reminder, in after years, that his parents appreciated the significance, to the son, of the son's greatest day. . . Let me show you the latest fashions in Gold Watches for Young Men.

Secretary Bryan Resigns.

Secretary of State Wm. Jennings Bryan resigned his portfolio on Tuesday and left President Wilson's cabinet on Wednesday because of a difference of opinion with the President on the character of the note sent to Germany regarding American ships and commerce. Secretary Bryan took his departure immediately upon the sending of the note, and the parting of the two men was affectionate and of the most friendly character. As Mr. Bryan was leaving the President after a conference with the latter in his study, both exclaimed simultaneously, "God bless you," and expressed regret at a severance of active relations. The action of the Secretary has greatly increased the terrible burden of the President, and has produced a crisis which only a great and courageous man like Wilson can face. But he will face it like the great, strong, Godly man that he is, and he will make the flag of his country respected from ocean to ocean, and he will see that America belongs to Americans.

LUNG MOTOR ON EXHIBITION AT STAM'S DRUG STORE.

All Public Spirited Citizens are Invited to call and Inspect Same.

Chester river has taken its toll of human lives each year for severa years. Last winter a threatened disaster of such proportions occurred, when a number ef children were immuned on a cake of ice in the river, that the ladies of the Federated Club feel that the time has come to act. It was only a matter of luck that those children were not all thrown into that icy water, and had this occurred there was nothing in the town or county to resuscitate them. In the recent cases of drowning, physicians in Chestertown have said, had there been a lung motor here, the lives of those boys might have been saved. A number of accidents have already occurred this spring. A Lung motor is an automatic device for resuscitation. It has become a neccesity in all hospital work. It is also used in cases of asphixiation and suffocation. lives have been saved after being in the water for several hours. The Federated Club started the fund with $25.00 and one gentlemen when he first heard of the project said immediately, "I will give $5.00 toward *that*". The lung motor will be on exhibiton at Stam's drug store the last of this week. The cost of this machine is $150.00. We appeal to you as public spirited citizens to help us save lives.

Committee—Mrs. C. W. Whaland, Chairman; Mrs. F. G. Usilton, Mrs. H. E. Perkins, and Mrs. W. W. Hubbard.

Kindly send all contributions to Mrs. Whaland or examine the lung motor at Stam's and place your contribution there.

Reopening Service of Union Methodist Episcopal Church.

Sunday, June 13th, the Union Methodist Episcopal Church, which has been closed for several weeks undergoing extensive repairs, will swing open wide her doors to the public.

Union is one of the oldest churches of Methodism in Queen Annes county. From her altar young and old have gone to crowded cities, growing towns and rural hamlets, everywhere adding strength to the strongest of militant churches. Casting aside her ancient apparel and donning the most becoming to her, this old mother of churches has assumed the air of a debutante.

With holy pride for the long years of training of a legion, Union opens wide her arms and vigorously invites with maternal affection her sons and daughters to come home for the day. It is hoped that friends of longer separation as well as those who enjoy the pleasure of meeting each other more often, will take advantage of the privilege and assemble early to exchange greetings. May June 13th be the greatest day in the history of this sacred shrine.

The following program has been arranged: 9.30 A. M., class meeting, Chas. H. Jefferson; 10.30 A. M., sermon, Rev. J. H. Beauchamp; 2 P. M., "Members I Formally Knew," Rev. J. H. Prettyman; 3 P. M. Rev. J. H. Beauchamp; 7.30 P. M., praise service; 8 P. M., sermon, Rev. J. H. Prettyman.

Everybody from everywhere is most cordially invited to attend Sunday, June 13th.

Federated Club Lunch.

The annual breakfast of the Woman's Federated Club was held in Fireman's Hall, Friday, June 4th. Mrs. Lewis Wood was chairman of the committee and with a corps of able assistants made the affair "a thing of beauty and joy forever." Roses were in profusion and the tables were most artistically decorated by Mrs. Robert Harris. The stage was banked with mountain laurel and daisies and the windows decorated with wild flowers. Beautiful young girls waited upon the tables. Mrs. W. W. Hubbard was toast mistress and gave a most interesting toast on the work of the club. She was followed by Mrs. Ermentrout with a toast on woman. Mrs. Fred Usilton then spoke of the Eastern Shore and Mrs. Brooks of the rest room.

After this Mrs. Andrews, of Washington, who is one of the Executive Board of the General Federated Club and the guest of honor, explained the work of the club all over the country. A course breakfast was then served and the delicious viands so daintily served were most thoroughly enjoyed. After breakfast was finished all the guests stood and sang "The Star Spangled Banner." The idea of the club breakfast was brought to us by Mrs. Wood, who has recently come here from Illinois, and all proclaimed it a most delightful way to bring the members of the club closer together and will look forward with much pleasure to the next one. About sixty-five guests were present.

Base-ball Notes.

Washington College and Gallaudet College played an interesting game on Washington Field last Saturday afternoon, the game ending in a victory for Gallaudet, score 6 to 5. It was a hard game for Washington to lose, but errors were costly and are responsible for the loss of the game.

Washington 18, Mt. St. Mary's 3.

Still Pond 8, Golts 4.

Chestertown team went to Easton on Thursday afternoon and before a great crowd of people defeated Easton by the score of 5 to 2. The mighty Baker played third base for Easton, but Jack Enright, the crack Washington College pitcher, was on the firing line for Chestertown, and he held the visitors at his mercy at all times. Chestertown played a great game, and are justly proud of their victry. The receipts were $128. An effort is being made to induce Baker to come to Chestertown on Monday for the Washington-All Stars game.
