Rev. Ransom P. Nichols, of Still Pond, is attending the 20th year reunion of his class in Amherst College, Amherst, Massachusetts, and enjoying the commencement exercises of the college. While on this trip he will visit his wife's parents, Mr. and Mrs. Truman E. Brigham, of Amherst, and his father, the Rev. Alpheus R. Nichols, of Brookfield, Massachusetts.

The entertainment given by the young folks of Worton last Saturday evening, in the new Hall, was a decided success. The hall cost $500 and is one of the most conveniently arranged in the county. The young folks have raised $400 of the cost and the balance is provided for. The people of the church deserve great credit for their enterprise and devotion.

Not Paint

The worst mistake in painting is not putting-off. That costs about 10 percent; you keep your money a year and pay 10 percent for it.

Paint would have to come-down 25 percent to make 10 percent on the job, for wages do not go-down.

The worst mistake is "cheap" paint. It costs from 50 percent too 100 first cost, and another in wear.

What a liar "cheap" is! "Put-off" is bad-enough; "cheap" is ten times worse.

Insurance Men Warned.—State Insurance Commissioner W. Mason Shehan this week served notice upon all insurance agents and brokers in the city and State, who do business for out-of-State companies, to the effect that any agent or solicitor who writes insurance, either life, fire or casualty for any company for which he is not specifically licensed is violating the law, and that the law will be enforced. The notice is calculated to cause a decided stir in insurance circles.

Because it travels continuously and faster than horses, ONE MAN with the BULL TRACTOR can plow more than TWO MEN with two three-horse teams. Pulls your Plows, Seeders, Harvesters, Mowers, Drills, Disks and then does any belt work requiring up to twelve-horse power. Guaranteed as long as you own it. Saves you money every day you use it.
