STATE OF MARYLAND, KENT COUNTY, SCT:

I Hereby Certify, That the within statement of expenses for Kent county is correct as per books of County Commissioners office for the year ending June 15th, 1915.

In Testimony Whereof, I hereto subscribe my name and affix the Seal of the County Commissioners for Kent county this 15th day of June, A. D., 1915.

SAMUEL HICKS,
Clerk to County Commissioners.

In justice to ourselves as County Commissioners and to the taxpayers of Kent county we are showing you below how the last Legislature increased the tax rate 10c on each $100, and where the rate is now $1.11, it would have been $1.01. We further think the sooner this matter of legislation is taken hold of by our citizens the better Kent county will be off. We as County Commissioners are powerless when our representatives go to Annapolis and make compulsory laws whereby we are compelled to obey.

Abatement on furniture	$3,000.00
Reduction on bank shares	1,212.12
Interest on extra bonds	2,700.00
Providing for extra bonds	1,000.00
Sup. to Tax Commission in certificates	809 35
Sup. to Tax Commission in cash levy	1,000.00
Total	$9,721.47

In the year 1910 the debt of the county was $110,757.21. We had devised plans where, in 1913 we had reduced that debt to $32,202.51 and to-day we find it back to $97,214.47.

W. F. MELVIN,
T. B. CREW,
THOS. C. ROE,
HARRY NICHOLS,
JOHN C. WOOD,
County Commissioners.
SAMUEL HICKS, Clerk.

GOVERNOR'S FRIENDS ALLEGE A WELLER DEAL

Claim That Chairman Weller, of The Roads Commission, Has Entered Into a Deal to Deliver Maryland's Delegates to The Repubican National Convention.

Will Governor Goldsborough enter the primaries in a contest for a renomination is a question that is not only troubling the Governor's friends but also his political enemies as well. Some of those close to him are emphatic in their statements that he will do so, while others are a little doubtful and think that after going carefully over the situation he will gracefully retire. Some of those, however, who are very close to the Governor confidently believe that it is his intention to enter the fight, and there are many who believe that the contest will be not only for the nomination, but for leadership of the party in the State. The announcement by Chairman O. E. Weller, of the State Roads Commission, of his candidacy for the Republican nomination, during the absence of the Governor undoubtedly aroused the ire of the Governor and his friends, and during the last few days has been in circulation a rumor to the effect that they are charging Chairman Weller with having entered into a deal with United States Senator John W. Weeks, of Massachusetts, whereby, in return for financial support, Chairman Weller is to turn over the Maryland delegation in the Republican National Convention to Senator Weeks, who is expected to be a candidate for the Presidency. The charge is as follows:

"According to Goldsborough's friends, who request that their name shall not be used in eonnection with the story, Mr. Weller, before announcing his candidacy, went to Washington and had a long conference with Senator Weeks. They go so far as to indicate that as a result of the understanding reached at this conference Senator Weeks is likely to be a liberal campaign contributor for Mr. Weller.

"In support of the report, it is stated that Mr. Weller was a former law partner of Senator Weeks when the former was a resident of Massachusetts."

When shown the Washington dispatch, Mr. Weller said:

"Any report that I have entered into a 'deal' with Senator Weeks is absolutely untrue. Senator Weeks is the best friend that I have in the world, and I would much rather see him President of the United States than be the Governor of Maryland myself. We graduated from the Naval Academy at Annapolis together in 1881, and I was associated with him in business for some years. We have always remained close friends.

"Senator Weeks' candidacy for the Republican nomination for President of the United States—if he should be a candidate—will have nothing to do with my candidacy for the Republican nomination for Governor of Maryland, and my candidacy has nothing to do with his possible candidacy. He wanted me to decide on my own responsibilty whether I should or should not be a candidate for Governor. I am a candidate on my own responsibility and I hope to be nominated by the Republican party, and elected Governor of Maryland by the people in November."
