Miss Rebecca Davis, daughter of Mr. and Mrs. John C. Davis, has been appointed teacher of Janvier school.

Supt. of Schools L. J. Smyth quietly observed his 50th birthday on Sunday. He was the recipient of many remembrances from friends, including flowers, post cards, etc. We are glad to state that Prof. Smyth is improving. He was able to attend the races at Radcliffe Park on Monday afternoon.

Mr. and Mrs. John Farley and daughter, of Baltimore, spent the Fourth with Mr. and Mrs. Harry Burke.

Miss Julia Thompson, of Baltimore, spent the week-end with her brother, Mr. Jacob F. Thompson.

Miss Davies, of Philadelphia, has been visiting her counsin, Mrs. C. C. Jones, during the week.

Mrs. Effie McIlhenny, of Baltimore, has been visiting her aunt, Mrs. James W. Lambert, this week. We regret to state that Mrs. Lambert is but little improved.

Messrs. Holt and Hiram Eliason, of Philadelphia, were guests of relatives and friends here during the Fourth.

Mr. James Shinn, brother of Mr. Frank Shinn, of Quaker Neck, met with an accident recently, resulting in a broken wrist and a dislocated hand. He fell off his engine at Harrington while engaged in repair work. He has been the guest of his brother in Quaker Neck during the week, as has also Mr. Shinn's father, Mr. W. D. Shinn, of Wilmington, Del.

Mrs. Lola Bartley, of Philadelphia, is visiting relatives and friends here.

Mr. Hirons has been selected by the Postoffice Department as one of the railway mail officials to go to the Panama Exposition to demonstrate the work of the postal service. He will leave in September and spend two months—one in work and the other in recreation and sight-seeing returning by a most interesting route in November. This is a high compliment to Mr. Hirons, who is considered one of the best railway mail clerks in the service.

We Suggest A Direct Line

A party line telephone is better than no telephone at all and in many cases is satisfactory; but for the business man or family who would have the greatest telephone comfort and efficiency, we suggest a direct line to the central office.

The advantages: you can always get central when you want to make a call and a clear track for incoming calls.

Ask the Local Manager.

AT LAST

Here is a powerful little machine which does the work of five horses—never gets tired—costs less for fuel than horse feed AND STOPS EATING WHEN IT STOPS WORKING.

Because it travels continuously and faster than horses, ONE MAN with the BULL TRACTOR can plow more than TWO MEN with two three-horse teams. Pulls your Plows, Seeders, Harvesters, Mowers, Drills, Disks and then does any belt work requiring up to twelve-horse power. Guaranteed as long as you own it. Saves you money every day you use it.

Write at once for Descriptive Illustrated Booklet and special offer to farmers.

A Public Demonstration will be given upon the arrival of a carload lot now in transit. Full particulars as to time and place announced later.
