PEOPLE'S COLUMN.

TO THE WATERMEN OF KENT COUNTY,

GENTLEMEN:

There have been a number of busy-bodies circulating reports among our people which it is proper for us to correct. These busy-bodies who are evidently more interested in the votes of the watermen than in the welfare of our people, seek to poison the minds of this community against men who have in the past stood by us as true friends.

For instance this "Whisperers' Club" says that Wethered Barroll and his friends did not take the slightest trouble to assist the fishermen in their case against the Federal Government last winter. We would like to state that to our certain knowledge he and a number of others appeared before the Board of Army Officers, of which Col. Lansing H. Beach is the Chairman, a number of times, both in the company of committees of fishermen and in private conferences with these officers, and urged that our people be given fair play and a square deal.

"Fame calls up calumny and spite,
So shadow owes its birth to light."

The shadow that we are thinking about is the suggestion that L. Wethered Barroll charged any fee at all for his services in our behalf last winter. In view of the immense amount of work that he did there is not the slightest question but that had we been able to pay it, a fee of $200.00 would not have been out of reason in our opinion. The amount that we paid over into Mr. Barroll's hands was simply to pay a part of the costs in the case in the United States Court and in the subsequent proceedings before the Board of Army Officers at Washington and we know that Mr. Barroll himself went in a hole in this matter and had to pay a part of those costs out of his own pocket over and above the amount we advanced to him.

Yours respectfully,
C. A. BLACKISTON,
T. HUBBARD.

THE EDITORS OF THE CHESTERTOWN TRANSCRIPT,

DEAR SIRS:

At a recent meeting of the Automobile Club of Kent county, the undersigned were appointed a committee to voice the judgment of the club with regard to automobilists who violate the law and endanger life by exceeding the speed limit in town, and who show a selfish disregard of the comfort of others by riding through the town with the cut-out open.

The law is very clear and specific as to both these matters. The speed limit in town is 10 miles an hour, and the open cut-out is forbidden within the town limits. Life is not so short, nor time so precious as to make it necessary for any one to exceed the speed limit in riding through town, and the open cut-out is an intolerable nuisance, especially at night.

The automobile Club of Kent County, through this committee, puts itself on record before the public as severely condemning these abuses, and as intending to use all its influence to have them discontinued. We believe that this notice of the attitude of the club will be sufficient to cause all club members to comply strictly with the law in the future; but we think that the Town Commissioners should see that the law is strictly enforced against all offenders, should any one be guilty of violation of it hereafter.

At the meeting of the club referred to above, another committee was appointed to appear before the Town Commissioners to invoke their assistance in having these two provisions of the law enforced. We feel confident that the Automobile Club will give its hearty support to the commissioners in whatever steps they may take to that end.

Trusting that, in the interest of public safety and comfort, you will give this communication the prominence in your news columns that the matter deserves, we are

Very respectfully yours,
J. H. SIDES,
THOMAS W. PERKINS,
P. M. BROOKS,
Committee of The Automobile Club of Kent county.
