## CHESTERTOWN CANDY KITCHEN

**And Ice Cream Parlor The Right Place to Eat.**

**ANNOUNCEMENT**

We take this occasion to announce to our friends that we are prepared to deliver Ice Cream now packed at 25 cents a quart, 50 cents ½ gallon and $1.00 a gallon. Water Ices also at same price, all made from fresh fruits.

Harlequin Blocks with crushed fruits in center 40 cents per quart; $1.50 per gallon. Our Ice Cream, Ices and Blocks cannot be surpassed.

Ice Cream manufactured by the Chestertown Candy Kitchen at their establishment on the corner of High and Cross Sts.; is made under strict sanitary conditions, from the best products the markets afford, and costs you no more than the inferior grades sold elsewhere.

Those who have used our Ice Cream are our best advertisement. The largest and best assortment on the shore. Orders left with us for Sunday delivery will have our very careful attention.

If you have never visited our beautiful parlors, why not call? Prompt and efficient service. Absolute cleanliness. Everything of the very best quality. Comfortable seating for all. Music at all times and electric fans.

**Chestertown Candy Kitchen Company**

## From Coast to Coast

**A Remarkable Chain of Home Testimony. And Chestertown Adds Its Voice to the Grand Chorus of Local Praise.**

From north to south, from east to west;
In every city, every community;
In every state in the Union.
Rings out the grateful praise for Doan's Kidney Pills.
30,000 representative people in every walk of life
Publicly testify to quick relief and lasting results.
And it's all for the benefit of fellow sufferers.
In this grand chorus of local praise Chestertown is well represented.
Well-known Chestertown people,
Tell of personal experiences.
Who can ask for better proof of merit?

Mrs. A. A. Sparks, High St., Chestertown, says: "I have used Doan's Kidney Pills and they have given highly satisfactory results. I strongly recommend this medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sparks had. Foster-Milburn Co., Props., Buffalo, N. Y.

# TYPHOID FEVER

## HOW TO PREVENT ITS SPREAD

ISSUED BY THE

**State Board of Health**

OF MARYLAND.

When TYPHOID FEVER appears in a family the source of the infection must be looked for in drinking water or food taken within the preceding twenty days. The patient may not have been infected at home, but if a second case occurs this second infection will in all probability be traceable to the first patient. In a majority of instances the drinking water has become infected. Your first business, therefore, is to find out the quality of your drinking water.

You can do this by asking your local health officer for instructions about shipping us samples of your drinking water. *The daily supply of drinking water should be boiled.*

The infectious material of typhoid fever is produced in but one way. It grows always in the bowels and sometimes in the bladder. It, therefore, escapes from the sick person in the stools and urine. If we kill the germs in the stools and urine as soon as they are passed, there can be no spread of typhoid fever. These discharges should, therefore, be disinfected as soon as possible. You will need a large quantity of a good disinfecting solution.

RECEIPT FOR A GOOD DISINFECTANT.

To four gallons of water add enough salt to make a strong brine. Put this in a five gallon demijohn or jug and add a quart of crude carbolic acid. Shake it up well and you will have a good disinfectant for stools and urine.

The crude carbolic acid, known as U. S. P. 90 per cent., is very good, and a quart will cost about 50 cents. There is a cheaper grade, known as a 36 per cent. acid, which is nearly as affective.

About a pint of this solution should be put in the chamber or bed pan before it is used, so that the discharges will begin to be disinfected as soon as they leave the body. There must always be at least as much of the disinfecting solution as there is of the discharges, so that more of the disinfecting solution may need to be added after the discharges are passed. If the stools are thin and watery their disinfection will be accomplished in half an hour or so, but if the stools are thick or formed very much more time will be required. On that account it is best to have a covered jar or bucket into which the bed pan can be emptied, and to empty this jar only once in 24 hours. If the discharges cannot be finally thrown into a sewer, they should be buried in the soil at a convenient spot where there is no chance of their fouling a water supply. The discharges should never be thrown on the surface of the ground, for you will hardly be successful in killing all the typhoid bacilli, and you must not place them where those not killed by the acid may be blown about in the dust or carried away by flies to infect other people.

In spite of every precaution, those who wait on the sick person will get their hands infected, and it is, therefore, necessary to wash the hands every time one does any service about the patient's bed or body. Whoever waits on the patient must not prepare food or drink for other persons in the house, or if it is impossible to mind this rule one must most carefully and thoroughly cleanse the hands before performing any household duty outside the sick room. Good scrubbing with soap, water and a brush, and then rinsing well in fresh water will suffice for cleansing the hands.

If anyone else in the house falls sick within two weeks after the first patient, the probability is that the infection was lodged before the precautions were taken in regard to drinking water and the disposal of discharges. But if the second case occurs more than 20 days after the first case that will signify that we have made a mistake somewhere in our precautions.

DR. GEO. H. JONES,
Secretary Local Board of Health of Kent Co.,
jy17-tf. Galena, Maryland.

## SENATOR LEE'S TOUR.

Senator Blair Lee, Democratic candidate for Governor, accompanied by his running mates, Mr. W. B. Copper, candidate for State Comptroller and Senator Wm. Milnes Maloy, candidate for Attorney General, made a two days tour of Kent county last week, starting at Betterton on Thursday evening with largely attended and enthusiastic meetings. The State candidates, accompanied by L. Wethered Barroll, candidate for States Attorney, J. Elwood Morris, candidate for the State Senate, Walter H. Hadaway candidate for Clerk of the Court and other candidates visited every town in the county from Kennedyville to Rock Hall, and wherever they went they were met by enthusiastic voters, in many places amounting to large crowds in the very busiest part of the day and the hottest July weather on record. At Sandy Bottom, Mr. A. Cohen had his big store beautifully decorated with American flags, bunting, etc. and the candidates addressed a good crowd from the porch store. Mr. Cohen says that Senator Lee's visit has made him so busy during the week that he has not had time to change his ads. and he hopes the Senator and Mr. Copper and Mr. Maloy will come again for the people down that way are mighty sweet on them.

The meetings at Betterton, Chestertown and Rock Hall of course were the most largely attended. At each of these meetings L. Wethered Barroll, Esq., presided and introduced the speakers in well chosen words. Senator Lee and his running mates received a most cordial reception and their speeches were listened to with marked attention. They were the recipients of numerous voluntary offers of support and their effective campaign methods and speeches made them hosts of friends in Kent. At Rock Hall on Saturday evening the crowd was estimated at between 400 and 500. Senator Lee made a forceful address showing the fishermen and oystermen how greatly he is interested in their welfare, and how he and his friends supported their interests in the last and preceeding legislatures. He paid his respects to Capt. Tom Howard of the Oyster Navy and stated that the Board of Public Works in the event of his election would make many changes in the oyster Navy force especially with ragard to the Commander. Mr. Copper's speech was received with especial favor wherever he spoke. He gave the people figures to show the wastefulness of the last Legislature, and advanced forceful arguments for the systematizing of the state's finances and he convinced his hearers that he understands his business and will make an ideal head of the state's finances. At Betterton and Rock Hall, Hope H. Barroll, Esq., made splendid speeches which have been received with marked effect by the people. Mr. Barroll discussed the local issues involved in this campaign with telling effect, and his arraignment of those who are responsible for the present county indebtedness produced a profound impression. The tour was a most successful one. It convinced the state and local candidates that the people are with them in this county and left no doubt in their minds that Kent will give Lee and his running mates a fine majority on September 14th, and the anti-local ticket, which is Senator Lee's representative and sponsor in Kent, will achieve a splendid victory.

---

## Millington Items.

Miss Mary Phillips, of Sudlersville, was the guest last Saturday of friends in town.

Mrs. J. R. Howze and little son, John, of Waycross, Ga., and Miss Doris Hazel, of Baltimore, are visiting the latter's grand-parents, Mr. and Mrs. B. M. Hazel.
