WHY

NOT THIS SEASON? You'll eventually come to us for your Suit.

Did you ever experience the comfort of a made-to-measure suit?

Look around, there's plenty of them turned out by our plant. It's no experiment. See the fit, quality of fabric trimmings and workmanship. Then ask the price paid. Get all this information from the man who wears them. This is our plan. The proof of the pudding, &c.

Don't tell me what you're doing, it's not so convincing, but show me. Special pattern cut for each suit, and guaranteed in every particular, made to your measurements, looks like it belongs to you, feels like it belongs to you, and you can occupy one for less money than you can now buy some fabrics in ready-mades. See for yourselves. Suits from $12.60 up.

Respectfully,

W. E. MOODY,

Special Representative for Kent and Queen Annes Counties of the International Tailoring Co. of New York, Chicago and London.

(Next to Robert McWhorter's)

CHESTERTOWN, MARYLAND.

Stockholders' Annual Meeting

The annual meeting of The Hubbard Fertilizer Company was held on Tuesday, August 10th, at their office in the Keyser Building, Baltimore, Md. The following directors were elected: Wilbur W. Hubbard, William L. Hubbard, Jr., Walter P. Summers, Judge H. C. Conrad, Judge Morris A. Soper, George Numsen, Martin B. Burris, C. W. Holland. Mr. Wilbur W. Hubbard, who has been vice-president since the incorporation of the company, was elected president to succeed the late William L. Hubbard. Mr. William L. Hubbard, Jr., was not only elected a director of the company, but was also elected vice-president. Mr. Walter P. Summers, was re-elected treasurer and also general manager. Mr. W. D. Wilson, formerly auditor of the company, was the newly elected secretary. The stockholders seemed to be very much gratified at the past year's showing, and the new organization starts out with an encouraging outlook for the future.

A. CARD.

The industrial history of Kent county now being prepared by me, is rapidly nearing completion, and promises to be the most graphic and complete historical work ever prepared on this county.

Conditions have been such that I have not been able to see and interview everybody as yet, and would appreciate a line from any who are interested.

Having gone to much expense and trouble in the compilation of data on Kent and its people, I feel justified in saying that those of import in Kent's past, present and future, should feel an interest in a work of this kind.

All communications will be treated confidentially. Because of the scope, character and general makeup of this book, it is necessary that I request you not to confound this with any other project.

DEARBORNS

Tomato Season is now here and you look over the old Dearborn and think it will not hold out for the season, you naturally think of buying a new one and wonder where to get it. Now we want you, before you buy, to come and look our Dearborn over. When we say it is better this year than ever before, we do not say so without due consideration. Our wheels are better than they were a few years ago. We use a better shaft than ever, and the material in the bodies is the best Gulf Cypress. We have them already to hook a horse to and take home with you. The price is no higher than last year.

DISK HARROWS.

The best oiled, most even running Harrow we have ever seen. Press grease cups take the place of the old open pipe boxes on this Harrow and make the oiling positive. Our large buying of these Harrows has made it possible for us to sell them at about the same prices as formerly. If you are interested in Disk Harrows don't fail to look this one ever.

Yours to serve
