MEN'S $18 GOLD WATCHES

With Elgin Movement at

$12.50

The name Elgin in itself is sufficient guarantee of the reliability of the mechanism, but to get a gold. dust-proof case—well, you would be justified in questioning the reason. The reason is simply this:

We want to offer a six-day-only special, and knowing how well this offer will be received, we allow you an opportunity to save $5.50 on a watch you know is all right.

LOCAL MATTERS

Conductor Welch's Bravery.—Mr. John D. Welch, passenger conductor on the Chestertown Branch Railroad, on Monday afternoon, saved a woman and her little daughter from being instantly killed by the Delaware Railroad express train No. 45, at Townsend, Del. The woman's name could not be learned. The woman and little girl came off of the Centreville branch train, and were crossing to the southbound track when the express came along, missing them by about 10 feet. The engine would have struck them had it not been for the quick work of Mr. Welch, who pulled them to safety. Passengers on the northbound side of the track were spell-bound with horror, and several women fainted from the severe shock.

¶A hurricane on Monday night prostrated Laurel, Del., and adjacent towns, doing damage estimaaed at $1,000,000. The local electric light plant, which lights ten other towns was wrecked, and it will require sometime to repair the damage.

¶A letter sent from Ketchikan, Alaska, at 10 A. M. on Tuesday, August 3rd, reached the Chestertown postoffice on Thursday morning, August 12th, at 11 o'clock—just nine days in transit. That is regaded as remakably quick traveling.

¶One of our lady residents who entertained a reverend gentleman last Saturday and Sunday was very much surprised upon going to his room to find that he had made his bed as neatly as a lady could do it, and that his room was as neat as a new pin. Upon finding the room in such condition she asked the parson "where he slept last night." He replied, "I slept in bed and had a delightful sleep." We are told that this preacher can sew, crochet and knit as well as a lady, and he is a very handy man for any woman to have around the house. But—he is married.

¶Mr. Frank H. Howard is living in the White House, having given his home a dressing of white paint.

¶The old trees in front of the Candy Kitchen and Mr. A. L. Sparks' store have been torn down during the week, they having died. There are a number of dead trees in the town. There is a reason for this, and the Forestry representative should investigate the matter.

¶Mr. Josiah Massey, of Queen Annes, near town, sold 100 bushels of wheat last week to Mr. Robert Crane, of Baltimore, for $200. Mr. Massey is one of the most successful wheat growers in this section and his seed wheat is always sold at high price, but this is exceptional at this time of the year. The wheat was the 'Bearded Purple Straw' variety.

¶Mr. and Mrs. Edward Newton formerly of Chestertown, now living near Earlville, Cecil county, had a narrow escape recently during an electrical storm. A bolt of lightning came while they were in the yard and killed five cows and stunned Mrs. Newton. She was blind for several hours, while he was slightly stunned. Mr. Newton is the son of Mr. and Mrs. J. E. Newton, of Chestertown.

¶Bertram McKenney, Mr. F. M. Harrison's fast colt, won the 2 30 pace at the Pocomoke fair on Tuesday. Twinkle March, Mr. Holt Woodall's fast youngster, won the second heat in 2 16¼, and was second and third in the third and fourth heats but was distanced in the last heat. We understand that Bertram McKenney has been sold, and that Twinkle March has been placed in the Stable of Biggs and Peacock.

Pamona Grange.

On Thursday, August 5th, Kent Pomona Grange was royaly entertained by Galena Grange. The meeting was held in the town hall, and the sumptuous dinner and supper with ices and cake were served in the public school building. Promptly at half past ten o'clock the business meeting was called to order by worthy master W. G. Smyth, when subjects of interest were discussed. Final plans were made for the State-wide picnic to be held at Betterton next Thursday, August 19, when all Kent County Grangers must consider themselves host and hostess, and be on hand to welcome the visiting grangers as they arrive from different parts of the State by boat and automobile.

Not only grangers, but all friends, whether farmers or not, are invited to be with us to enjoy the fine program arranged for the occasion, the principal feature of which will be the address by national master, Mr. Oliver Wilson, of Illinois. The grange voted to entertain the speakers at dinner and supper, but all others must provide for themselves, either in picnic style or at the hotels.

Damage at Tolchester.

Lightning played havoc at Tolchester late Monday afternoon just after the storm broke. One of the small grove-houses was struck. A Baltimore woman, with a child, was sitting in the house when the bolt caused it to crash. Falling timbers injured her so seriously that physicians who were called from a nearby township refused to allow her to return to the city. Falling trees caused damage to racer dips and badly damaged the bowling alleys.

Hail fell in large quantity, and window panes and glass were broken at Tolchester, while every pane of glass on one side of Mr. Charles D. Wood's residence on Tolchester farm was broken.

In Memoriam.

NEEDLES.—In sad and loving remembrance of wife and mother, Cathern H. Needles, who departed this life August 12, 1914.

'Tis not the tears at the moment shed,
When the cold earth has just been thrown o'er her,
That tells how beloved is the one who is dead,
Or how deep in our hearts we deplore her:
'Tis the tears through many a long day wept,
'Tis life's whole pathway shaded,
'Tis the one remembrance fondly kept,
When all lighter griefs have faded.
