ARTICLE XI-A. LOCAL LEGISLATION.

Section 1. On demand of the Mayor of Baltimore and City Council of the City of Baltimore, or on petition bearing the signatures of not less than 20 per cent. of the registered voters of said city or any county (provided, however, that in any case 10,000 signatures shall be sufficient to complete a petition), the Board of Election Supervisors of said city or county shall provide at the next general or Congressional election, occurring after such demand or the filing of such petition, for the election of a charter board of eleven registered voters of said city or five registered voters in any such counties. Nomination for members for said charter board may be made not less than forty days prior to said election by the Mayor of Baltimore and City Council of the City of Baltimore or the County Commissioners of such county, or not less than twenty days prior to said election by petition bearing the signature written in their own handwriting (and not by their mark) of not less than 5 per cent. of the registered voters of the said City of Baltimore or said county; provided, that in any case two thousand signatures of registered voters shall be sufficient to complete any such nominating petition, and if not more than eleven registered voters of the City of Baltimore or not more than five registered voters in any such county are so nominated their names shall not be printed on the ballot, but said eleven registered voters in the City of Baltimore or five in such county shall constitute said charter board from and after the date of said election. At said election the ballot shall contain the names of said nominees in alphabetical order without any indication of the source of their nomination, and shall also be so arranged as to permit the voter to vote for or against the creation of said charter board, but the vote cast against said creation shall not be held to bar the voter from expressing his choice among the nominees for said board and if the majority of the votes cast for and against the creation of said charter board shall be against said creation the election of the members of said charter board shall be void; but if such majority shall be in favor of the creation of said charter board, then and in that event the eleven nominees of the City of Baltimore or five nominees in the county receiving the largest number of votes shall constitute the charter board, and said charter board, or a majority thereof, shall prepare within six months from the date of said election a charter or form of government for said city or such county and present the same to the Mayor of Baltimore or President of the Board of County Commissioners of such county, who shall publish the same in at least two newspapers of general circulation published in said the City of Baltimore or county within thirty days after it shall be reported to him. Such charter shall be submitted to the voters of said city or county at the next general or Congressional election after the report of said charter to said Mayor of Baltimore or President of the Board of County Commissioners; and if a majority of the votes cast for and against the adoption of said charter shall be in favor of such adoption the said charter from and after the thirtieth day from the date of such election shall become the law of said city or county, subject only to the Constitution and Public General Laws of this State, and any Public Local Laws inconsistent with the provisions of said charter and former charter of said the City of Baltimore or county shall be thereby repealed.

Sec. 2. The General Assembly at its first session after the adoption of this amendment shall, by Public General Law, provide a grant of express powers for such county or counties as may thereafter form a charter under the provisions of this Article. Such express powers granted to the counties and the powers heretofore granted to the City of Baltimore, as set forth in Article 4, Section 6, Public Local Laws of Maryland, shall not be enlarged or extended by any charter formed under the provisions of this Article, but such powers may be extended, modified, amended or repealed by the General Assembly.

Sec. 3. Every charter so formed shall provide for an elective legislative body in which shall be vested the law-making power of said city or county. Such legislative body in the City of Baltimore shall be known as the City Council of the City of Baltimore, and in any county shall be known as the County Council of the county. The chief executive officer, if any such charter shall provide for the election of such executive officer, or the presiding officer of said legislative body, if such charter shall not provide for the election of a chief executive officer, shall be known in the City of Baltimore as Mayor of Baltimore, and in any county as the President of the County Council of the county, and all references in the Constitution and laws of this State to the Mayor of Baltimore and City Council of the City of Baltimore or to the County Commissioners of the counties shall be construed to refer to the Mayor of Baltimore and City Council of the City of Baltimore and to the President and County Council herein provided for, whenever such construction would be reasonable. From and after the adoption of a charter by the City of Baltimore, or any county of this State, as hereinbefore provided, the Mayor of Baltimore and City Council of the City of Baltimore or the County Council of said county, subject to the Constitution and Public General Laws of this State, shall have full power to enact local laws of said city or county, including the power to repeal or amend Local Laws of said city or county enacted by the General Assembly, upon all matters covered by the express powers granted as above provided; provided that nothing herein contained shall be construed to authorize or empower the County Council of any county in this State to enact laws or regulations for any incorporated town, village, or municipality in said county, on any matter covered by the powers granted to said town, village, or municipality by the Act incorporating it, or any subsequent Act or Acts amendatory thereto. Provided, however, that the charters for the various counties shall provide that the County Council of the counties shall not sit more than one month in each year for the purpose of enacting legislation for such counties, and all legislation shall be enacted during the month so designated for that purpose in the charter, and all laws and ordinances so enacted shall be published once a week for three successive weeks in at least one newspaper published in such counties, so that the taxpayers and citizens may have notice thereof. This provision shall not apply to Baltimore city. All such local laws enacted by the Mayor of Baltimore and City Council of the City of Baltimore or the Council of the counties, as hereinbefore provided shall be subject to the same rules of interpretation as those now applicable to the Public Local Laws of this State, except that in case of any conflict between said Local Law and any Public General Law now or hereafter enacted, the Public General Law shall control.

Sec. 4. From and after the adoption of a chapter under the provisions of this Article by the City of Baltimore or any county of this State, no Public Local Law shall be enacted by the General Assembly for said city or county on any subject covered by the express powers granted as above provided. Any law so drawn as to apply to two or more of the geographical sub-divisions of this State shall not be deemed a Local Law, within the meaning of this Act. The term "geographical sub-division" herein used shall be taken to mean the City of Baltimore or any of the counties of this State.

Sec. 5. Amendments to any charter adopted by the City of Baltimore or by any county of this State under the provisions of this Article may be proposed by a resolution of the Mayor of Baltimore and the City Council of said City of Baltimore or the Council of said county, or by a petition signed by not less than 20 per cent. of the registered voters of said city or county, provided, however, that in any case 10,000 signatures shall be sufficient to complete a petition, and filed with the Mayor of Baltimore or the President of the County Council, and when so proposed shall be submitted to the voters of said city or county at the next General or Congressional election occurring after the passage of said resolution, or the filing of said petition, and if at said election the majority of the votes cast for and against said amendment shall be in favor thereof, said amendment shall be adopted and become a part of the charter of said city or county from and after the thirtieth day after said election. Said amendments shall be published by said Mayor of Baltimore or President of the County Council once a week for five successive weeks prior to said election in at least one newspaper published in said city or county.

Sec. 6. The power heretofore conferred upon the General Assembly to prescribe the number, compensation, powers and duties of the County Commissioners in each county, and the power to make changes in Sections 1 to 6 inclusive, Article XI of this Constitution, when expressly granted as hereinbefore provided, are hereby transferred to the voters of each county and the voters of City of Baltimore, respectively, provided that said powers so transferred shall be exercised only by the adoption or amendment of a charter as hereinbefore provided; and provided further, that this Article shall not be construed to authorize the exercise of any powers in excess of those conferred by the Legislature upon said counties or city as this Article sets forth.

Sec. 7. The word "Petition," as used in this Article, means one or more sheets written or printed, or partly written and partly printed; "Signature" means the signature of a registered voter written by himself in his own handwriting (and not by his mark), together with the ward or district and precinct in which he is registered. The authenticity of such signatures and the fact that the persons so signing are registered voters shall be evidenced by the affidavit of one or more registered voters of the city or county in which said voters so signing are registered, and one affidavit may apply to or cover any number of signatures to such petition. The false signing of any name, or the signing of any fictitious name to said petition shall be forgery, and the making of any false affidavit in connection with said petition shall be perjury.

Sec. 2. And be it further enacted by the authority aforesaid, That the aforesaid Article hereby proposed as an amendment to the Constitution shall be at the next General Election for Members of the General Assembly held in this State, submitted to the legal and qualified voters thereof, for their adoption or rejection in pursuance of the directions contained in Article XVI of the Constitution of this State, and at the said general election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now provided by law, and immediately after said election due return shall be made to the Governor of the vote for and against said proposed amendment as directed by the said Fourteenth Article of the Constitution.

Section 1. Be it enacted by the General Assembly of Maryland (three-fifths of all the Members of each of the two Houses concurring), That the following new Section be and the same is hereby proposed as an amendment to Article III, title, "Legislative Department" of the Constitution of the State of Maryland, the same to be inserted after Section 59 and to be known as Section 60; and if adopted by the legally qualified voters thereof, as herein provided said Section shall become a part of Article III of the Constitution of Maryland.

CHAPTER 673.

An Act to amend the Constitution of Maryland by adding thereto a new Article to be entitled, "Article XVI" providing for "The Referendum," and to provide for the submission of said amendment to the qualified voters of the State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all the Members elected to each of the two Houses concurring), That the following new and additional Article, to be known as Article XVI, title, "The Referendum," be, and the same is hereby proposed as an amendment to the Constitution of Maryland, and if adopted by the legal and qualified voters thereof, as herein provided, it shall stand as part and as a new and additional Article of said Constitution, to be known and entitled as aforesaid:

* * *

ARTICLE XVI. THE REFERENDUM.

Section 1 (a). The people reserve to themselves power known as The Referendum, by petition to have submitted to the registered voters of the State, to approve or reject at the polls, any Act, or part of any Act of the General Assembly, if approved by the Governor, or, if passed by the General Assembly over the veto of the Governor:

(b) The provisions of this Article shall be self-executing; provided that additional legislation in furtherance thereof and not in conflict therewith may be enacted.

Sec. 2. No law enacted by the General Assembly shall take effect until the first day of June next after the session at which it may be passed, unless it contain a Section declaring such law an emergency law and necessary for the immediate preservation of the public health or safety, and passed upon a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly; provided, however, that said period of suspension may be extended as provided in Section 3 (b) hereof. If before said first day of June there shall have been filed with the Secretary of the State a petition to refer to a vote of the people any law or part of a law capable of referendum, as in this Article provided, the same shall be referred by the Secretary of State to such vote, and shall not become a law or take effect until thirty days after its approval by a majority of the electors voting thereon at the next ensuing election held throughout the State for Members of the House of Representatives of the United States. An emergency law shall remain in force notwithstanding such petition, but shall stand repealed thirty days after having been rejected by a majority of the qualified electors voting thereon; provided, however, that no measure creating or abolishing any office, or changing the salary, term or duty of any officer, or granting any franchise or special privilege, or creating any vested right or interest, shall be enacted as an emergency law. No law making any appropriation for maintaining the State Government, or for maintaining or aiding any public institution, not exceeding the next previous appropriation for the same purpose, shall be subject to rejection or repeal under this section. The increase in any such appropriation for maintaining or aiding any public institution shall only take effect as in the case of other laws, and such increase or any part thereof specified in the petition, may be referred to a vote of the people upon petition.

Sec. 3 (a). The referendum petition against an Act or part of an Act passed by the General Assembly, shall be sufficient if signed by ten thousand qualified voters of the State of Maryland, of whom not more than half shall be residents of Baltimore City, or of any one county; provided that any public local law for any one county or the City of Baltimore shall be referred by the Secretary of State only to the people of said county or City of Baltimore, upon a referendum petition of 10 per cent. of the qualified voters of said county or City of Baltimore as the case may be, calculated upon the whole number of votes cast therein respectively for Governor at the last preceding Gubernatorial election.

(b) If more than one-half, but less than the full number of signatures required to complete any referendum petition against any law passed by the General Assembly, be filed with Secretary of State before the first day of June, the time for the law to take effect, and for filing the remainder of signatures to complete the petition shall be extended to the thirtieth day of the same month with like effect.

Sec. 4. A petition may consist of several papers, but each paper shall contain the full text of the Act or part of Act petitioned upon; and there shall be attached to each such paper an affidavit of the person procuring the signatures thereon that of the said person's own personal knowledge every signature thereon is genuine and bona fide, and that the signers are registered voters of the State of Maryland, and of the City of Baltimore, or county, as the case may be, as set opposite their names, and no other verification shall be required.

Sec. 5 (a). The General Assembly shall provide for furnishing the voters of the State the text of all measures to be voted upon by the people; provided, that until otherwise provided by law the same shall be published in the manner prescribed by Article XIV of the Constitution for the publication of proposed Constitutional Amendments.

(b) All laws referred under the provisions of this Article shall be submitted separately on the ballots to the voters of the people, but if containing more than two hundred words, the full text shall not be printed on the official ballots, but the Secretary of State shall prepare and submit a ballot title of each such measure in such form as to present the purpose of said measure concisely and intelligently. The ballot title may be distinct from the legislative title, but in any case the legislative title shall be sufficient. Upon each of the ballots, following the ballot title or text, as the case may be, of each such measure, there shall be printed the words "For the referred law" and "Against the referred law," as the case may be. The votes cast for and against any such referred law shall be returned to the Governor in the manner prescribed with respect to proposed amendments to the Constitution under Article XIV of this Constitution, and the Governor shall proclaim the result of the election, and, if it shall appear that the majority of the votes cast on any such measure were cast in favor thereof, the Governor shall by his proclamation declare the same having received a majority of the votes to have been adopted by the people of Maryland a part of the laws of the State, to take effect thirty days after such election, and in like manner and with like effect the Governor shall proclaim the result of the local election as to any Public Local Law which shall have been submitted to the voters of any county or the City of Baltimore.

Sec. 6. No law or Constitutional Amendment, licensing, regulating, prohibiting, or submitting to local option, the manufacture or sale of malt or spirituous liquors, shall be referred or repealed under any Act of the provisions of this Article.

Sec. 2. And be it enacted by the General Assembly of Maryland, That the foregoing Article hereby proposed as an amendment to the Constitution of this State, at the next General Election for Members of the General Assembly to be held in this State, shall be submitted to the legal and qualified voters thereof, for their adoption or rejection in pursuance of the directions contained in Article XIV of the Constitution of this State, and that at such general election the vote upon said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as prescribed by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said amendment as directed by the said Article XIV of the Constitution.

Approved April 16th, 1914.

GIVEN UNDER MY HAND AND THE GREAT SEAL OF THE STATE.

PHILLIPS LEE GOLDSBOROUGH.

By the Governor:

ROBERT P. GRAHAM,
Secretary of State.

LEE FORCES HAD BEST AT COMMITTEE MEETING.

Crowd in Baltimore was Saturated With Blair Lee Sentiment.

HARRINGTON AND SMITH FOLLOWERS IN MINORITY.

Careful Survey of Representatives From Various Counties Showed Conclusively That Blair Lee Will be the Winner in the Primaries.

There is no better place or time to gauge political sentiment in Maryland than at the meeting of the Democratic State Central Committee which always assembles a few weeks before the primaries to map out the plans for the party primaries. This meeting was held in Baltimore at the Hotel Rennert, recently. The gathering was composed of the leading Democrats from every section of Maryland and from Baltimore city. It was the occasion when the friends of both the candidates for Governor and the other State offices met for the purpose of displaying the strength of their respectives favorites. It was a time when public sentiment could be gauged as to which of the State candidates for Governor really had the call on the other fellow. A time for taking stock and finding out who was really going to be nominated as gauged by the sentiment among the Democrats gathered.

The crowd around the Rennert at the meeting was a big one. In fact it was one of the largest attended meetings the committee has had for several years. There were leading Democrats present from the mountains of Allegany to the "sand washed shores of Worcester," and it was a fine opportunity to find out who had the most friends among the leaders and among the rank and file of the people in his fight for the Governorship. There is no doubt that the Smith-Harrington forces made every effort possible to have as big a representation of their friends present as could be gotten, but it was distinctly a Blair Lee gathering. Blair Lee's friends were everywhere, in the corridors of the hotel, in the reading rooms, in the dining rooms, out in front on the streets. It was easy to distinguish that the sentiment among the crowd was very largely in favor of Blair Lee for Governer, and Copper and Maloy for Comptroller and Attorney-General.

It was very noticeable that the usual defiant attitude of the Organization forces was distinctly lacking on this occasion. That air of ownership which has always been a distinctive feature of the Organization forces at all meetings of the State Central Committee was absent on this occasion. There seemed to be a lack of snap and ginger in the Smith-Harrington Machine. There was a crimp in its spinal column. The air seemed heavy with the new odor of things politically, and it kind of suffocated the old Machine leaders and made the atmosphere seem hot and oppressive. Gazing through the tobacco smoke which rolled in layers along the Rennert corridors, there seemed to be some handwriting on the walls, which gave the Smith-Harrington following a kind of chill down the marrow. It was different from the old days when one or two men seemed to own the party and who selected the State candidates as they pleased with no one to say no.

Senator Lee was there and he had the glad hand for everybody. Mr. Harrington was there a short time and some of the other Machine men dropped in to look the crowd over. They remained but a short time, however, because the political air pervading the place did not exactly strike them. It was so different from the old days. There was such a chilly feeling hanging over the old Machine forces the old timers were downcast. They soon folded their tents and faded away. If there is anything in appearances or in numbers, then the meeting of the State Central Committee last Wednesday was certainly a field day for Blair Lee and his associates on the Democratic primary ticket. It practically cemented the forces in his favor. It foretold of his nomination by a large majority. It was a guarantee that Maryland is to have a real progressive administration for the next four years with Blair Lee in the Executive chair at Annapolis.

Grange at Betterton.

Maryland State-wide Grange Picnic will be held at Betterton, Kent county, Thursday next, 19th inst. National Master Oliver Wilson, State Master B. John Black, and other State men will be in attendance and make addresses. Vocal and instrumental music, recitations, etc. Come patrons and bring your friends. Everybody welcome. Tables, chairs, good drinking water, shade and bathing O. K. Ample hotel and livery accomomdations. From 10 A. M. to 5 P. M.

The Pomona Grange held a most interesting meeting at Galena on Thursday of last week. It was well attended. Col. H. B. Williams, of Washington, was the principal speaker. Mr. Harry Willis also made the address. A splendid dinner was served, while the Galena Band rendered music. The most important business of the meeting was the passing of resolutions to the effect that the grange, while not against any faction or party, was opposed to any candidate who would not promise to support the temperance bill.

Driven From Home by Flood.

Edward M. Philips, of Wilmington, Del., and his family had a narrow escape from drowning Tuesday night of the storm at their summer home along Northeast river, below Chestertown, Md. The family was driven from the house, which was washed away. His wife and children had no time to dress, and they started along the beach attired in their night clothes. The water was up to the armpits of the children, but they managed to reach the home of Dr. Steele and found that he and his family were preparing to vacate as the water was threatening their cottage. Mr. Philips and his family sought refuge at a farmhouse. All the furniture and family possessions were carried away with the cottage.

Paint-Wise

is to paint when your property needs it. Paint-foolish to wait for the price to go-down.

But so many are foolish, they'll wait a good while.

The whole rise in the cost of a job is 10 per cent. The first year's drop won't be more than half that, more likely a quarter.

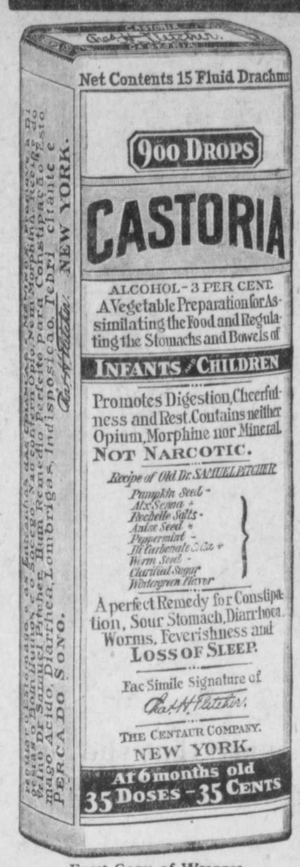

Waiting for 5 per cent. more likely 2½. The average job (with Devoe) is $50; 5 per cent. $2 50. Put it off for $2.50? Guess not.

You think of that job as $100. So it is with inferior paint.

Paint Devoe; do it now, if your property needs it.
