LEE'S POPULARITY.

Lee won his first primary fight in Montgomery by a majority of five hundred. Four years latter he was renominated by a majority of fifteen hundred, and in the Democratic primaries of 1911 his majority in Montgomery County was twenty-one hundred. In 1905 the Democratic majority in the general election in Montgomery County was about three hundred. Since then it has steadily increased, until the majority in 1914 was 1,025. This majority saved the sixth district to the Democrats. In 1911 Lee carried fifteen out of the twenty-three counties in the State for Governor. In 1913 a vacancy happened in the Senate by the unexpected death of Senator Rayner. The *Democratic majority in the United State Senate at that time was only two.* It was very important to have a Democrat in the late Senator Rayner's place in sympathy with the President's policy; Lee was the overwhelming choice of the Democrats of Maryland; he was nominated without opposition and was elected by the largest vote given any Democrat in the State of Maryland, in the last fifteen years, and with the tremendous plurality of forty thousond He ran 6,509 ahead of Mr. Harrington, who was running for Comptroller on the same ticket with Lee. *At the present time the Democratic majority in the United States Senate is seventeen,* and, responding to a demand of Democrats all over the State, Lee feels that he can do the party more good, and also be of more service to the State, by becoming a candidate for Governor this fall than by running for re-election to the Senate next fall.

MANY FREE ATTRACTIONS AT DELAWARE STATE FAIR.

Ten Vaudeville Acts to Feature Biggest Fair State Has Ever Seen.

It appears from the following list of free attractions which the management of the Delaware State Fair has provided for the big fair of 1915, which will be held at Wilmington on September 6, 7, 8, 9 and 10, both day and night, that the directors have been more than liberal in their appropriation to this department.

The bill provides for an outlay of money that would appall a more timid management, but profiting by the encouraging returns of the past two years, the directors have greatly added to the expenditures for this most popular form of entertainment.

This outlay was partly necessitated from the fact that the fair also will be held at nights this year and the directors determined upon giving the thousands of working people of Wilmington who are unable to attend during the day an opportunity of seeing Delaware's greatest show without the loss of any time, and yet provide them with a show that would do credit to the great vaudeville theatre.

Aside from the ten big acts here given on the big bill, there will be a nightly display of fireworks, the program of which comprises some fifty numbers, and the International Fireworks Co., which is to furnish this portion of the evening show, stands back of its accredited reputation of supplying a really magnificent exhibit.

A feature of the ten big acts will be the appearance of the famous 4 Ernestonian-Novikoff Troupe, the sensational feature with the Barnum & Bailey circus during its long stay at the Madison Square Garden last season.

This act was booked to appear here last season, but the management of the fair agreed to a cancellation in order to permit the act to continue with this big circus, upon the agreement of its positive appearance here this year.

Another feature and one entirely new in this section of the county is May's International Burlesque Circus, and the claim that is made for it of being the Ringling Bros., Barnum & Bailey of all comedy animal acts is well established.

Prof. May employs his famous bucking mule, a high-school mule, two ponies, a horse, dogs, two cats and a rooster, together with ten working people in an exhibition that will set the old as well as the young "kiddies" talking for months to follow.

The Loretta Twin Sisters, perfect gymnasts, the only female triple horizontal bar performers in the world, are quite sure of creating a furore.

A special added attraction will be the Marriott Troupe of five people, including the famous Marriott Twins, in the most daring, thrilling, sensational cycle, vehicle and monoplane novelty ever devised. The act features the 20th century sensation, the only girl in the world riding the propeller of a monoplane while revolving at lightning speed and flirting with death.

One of the comedy features of the bill is the act of the famous Herbert Bros. in their new and original artistic pantomimic creation.

The Louvians will be seen in their most wonderful performance of novel and astonishing feats on a single strand of wire.

Sato, the world's greatest impersonator, always a big feature of the Trenton Fair, will be seen here for the first time.

Will Robbins, who had so many admirers at the fair last year, will again sing. He will render a new program of the popular songs.

An acrobatic comedy, "The Rising Generation," will be offered by the Rose Troupe, while the Boy Wonder, Billy Klein, will be seen in his 100-foot dive for life, a most sensational feature.

These ten big acts, together with the magnificent display of fireworks and the organized carnival of twenty shows on the midway should serve to crowd the fair grounds both night and day.

Don't Mistake The Cause.

Many Chestertown People Have Kidney Trouble and Do Not Know It.

Do you have backache?
Areyou tired and worn out?
Feel dizzy, nervous and depressed?
Are the kidney secretions irregular?
High colored; contain sediment?
Like your kidneys are at fault.
Weak kidneys give warning of distress.
Heard the warning; don't delay—
Use a tested kidney remedy.
Read this Chestertown testimony.

Mrs. Albert Rawleigh, Cannon St., Chestertown, says: "One of my family suffered from kidney trouble. The kidney secretions contained sediment and the passages were too frequent. There were pains through the back and kidneys and at times dizzy spells. Doan's Kidney Pills, procured from Toulson's Drug Store, made the patient well."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rawleigh recommends. Foster Milburn Co., Props., Buffalo, N. Y.
